2. The comment above notwithstanding, please clarify to us and in future filings the amount of cash that is restricted. We note that your disclosure indicates that “Substantially all of the Series’s assets maintained at the Clearing Broker is restricted cash”. However, your disclosure also seems to indicate that restricted cash is approximately \$7.3 million.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact William Demarest, Staff Accountant, at (202) 551-3432 or me at (202) 551-3486 with any questions.

Sincerely,

Daniel L. Gordon
