**RE: Gold Crest Mines, Inc.
Registration Statement on Form 10-SB
Filed January 8, 2007
File No. 0-52392**

Dear Mr. Crosby:

We have limited our review of the above filing to the areas upon which we have issued comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-SB

General

1. We note that your CFO has a long history of being involved with "blind pool" or "shell" type companies, as is described in Hanover Gold Co., Inc.'s most recent 10-KSB, where he is currently the President. We note similar disclosure in the Form 10-KSB for March 31, 2005 for Bonanza Gold, Inc. relating to past experience with "blank check" or "blind pool" companies for Mr. Dunne as well as one of your directors, Robert O'Brien. The prior histories of these two

directors and officer raises concern as to whether you intend to conduct the business of Gold Crest in a similar fashion.

As such, please provide an explanation supporting your officers' and directors' bona fide intent to execute your current business plan and discuss why you are not required to comply with Rule 419 of the 1933 Act. We may have further comments upon review of your response.

Risk Factors, page 2

General

2. If appropriate, please expand the second full risk factor on page 7 to discuss the risks associated with any constraints on your officers' and directors' time they may devote to your business because of other business activities they may be concurrently engaged in. Be sure to fully describe their other business activities and to expand your discussion of the risk of possible conflicts of interest that may arise from these outside business activities.

Directors, Executive Officers, Promoters and Control Persons, page 17

3. Please disclose the amount of time each officer and director devote to your business.
4. Please provide the disclosure required by newly-adopted Item 407(a) of Regulation S-B relating to director independence.

Closing Comments

We remind you that the Form 10 registration statement becomes effective automatically under the Exchange Act 60 days from the date of filing, and the Exchange Act reporting requirements become operative at that time.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its

management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

Please contact Jason Wynn at (202) 551-3756 or, in his absence, me at (202) 551-3611 with any other questions. Direct all correspondence to the following ZIP code: 20549-7010.
