Supplemental response letter dated October 25, 2007 regarding the
Form 10-KSB for the year ended May 31, 2007
File No. 333-137888**

Dear Mr. Law:

We have reviewed your supplemental response letter to us dated October 25, 2007 in response to our letter of comment dated October 15, 2007 and have the following comments. We think you should revise your document in future filings in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Please respond to confirm that such comments will be complied with, or, if certain of the comments are deemed inappropriate, advise the staff of your reason. Your response should be submitted in electronic form, under the label "corresp" with a copy to the staff. Please respond within five business days.

1. Refer to our prior comment 1. It appears you inadvertently did not include a response to this comment; as such, we will reiterate the comment as follows: "In future filings, please revise to include this discussion within your MD&A."

Forms 8-K dated September 20, 2007 and October 2, 2007

2. We have reviewed your response to prior comment 2. Please provide us with a copy of the written agreement with Mr. Blair Law regarding the cancellation of his shares. Please file this agreement or advise why such agreement is not required to be filed given that Mr. Law is a related party and significant stockholder. Also, tell us how it was determined between that no consideration would be required. Advise what the fair market value of your common stock was on the date that this agreement was entered into. It appears that the cancellation of Mr. Law's shares should result in the recording of a capital contribution in your second quarter Form 10-QSB. If the value of these shares was not significant, please disclose this fact in the filing. In addition, your 2nd quarterly report on Form 10-QSB (i.e., period ended November 30, 2007) should discuss that Mr. Law's ownership percentage decreased from approximately 94.3% to approximately 85.5%, and discuss the reasons for the cancellation of his shares and whether further reductions in his ownership are anticipated.

3. We note you did not provide us with the requested written acknowledgement from the last page of our previous comment letter; as such, we are reiterating the request as shown below.
