

LOCKEBRIDGE PARTNERS, INC.
NOTES TO THE FINANCIAL STATEMENTS
Year Ended December 31, 2015

1. Nature of Operations

LockeBridge Partners, Inc. (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of SIPC and the Financial Industry Regulatory Authority, Inc. (FINRA). The Company engages in capital raising, brokering the sale and purchase of businesses and business consulting services.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through February 25, 2016, which is the date these financial statements were available to be issued.

Cash and Cash Equivalents

Cash and cash equivalents include cash held with a financial institution and with a central registration depository ("CRD") account with FINRA and include highly liquid investments not held for resale with original maturities of three months or less.

Revenue Recognition

The Company enters into contracts with customers calling for consulting fees and commissions to be paid according to specific payment terms, as defined. Accordingly, the Company recognizes revenue when persuasive evidence of an arrangement exists, the services outlined in the contract have been performed, the price of the contract is fixed or determinable and collection is reasonably assured.

Income Taxes

The Company has elected to be treated as an S Corporation for both federal and state income tax purposes whereby the stockholder reports all income and losses on his individual tax return. Accordingly, the accompanying financial statements reflect no provision for income taxes. The Company's income tax returns are subject to examination by taxing authorities, generally for three years after they were filed.
