1. We note from your response to our prior comment 12 that although you account for the equity investment in Sundaram-Clayton Ltd using the unaudited results of operations through December 31, 2008, you use the most recent year-end audited financial statements (i.e. March 31, 2008) for purposes of disclosing detailed footnote information contained in Note 16. In light of differences that may arise from doing so, we believe that you should expand your disclosures in future filings to discuss your use of different periods to account for investment under the equity method within your financial statements and for footnote disclosure purposes and the reasons thereof. Further, your revised disclosure should also identify the nature and amount of any differences between amounts used in accounting for the equity investment and those disclosed in Note 16. If the differences are not material, you should indicate that in your revised disclosure.

You may contact Claire Erlanger at (202) 551-3301 or Jean Yu at (202) 551-3305 if you have questions regarding comments on the financial statements and related matters or Matthew Spitzer at (202) 551-3373 for any legal questions. Please contact me at (202) 551-3813 with any other questions.

Sincerely,

Linda Cvrkel
