Investor acknowledges that neither the Company, the Portal nor any of their respective affiliates have made any representation regarding the proper characterization of the Securities for purposes of determining Investor's authority or suitability to invest in the Securities.

(m) Investor acknowledges that the Company has the right in its sole and absolute discretion to abandon this Offering at any time prior to the completion of the Offering. This Agreement shall thereafter have no force or effect and the Company shall return any previously paid subscription price of the Securities, without interest thereon, to Investor.

(n) Investor understands that no federal or state agency has passed upon the merits or risks of an investment in the Securities or made any finding or determination concerning the fairness or advisability of this investment.

(o) Investor confirms that the Company has not (i) given any guarantee or representation as to the potential success, return, effect or benefit (either legal, regulatory, tax, financial, accounting or otherwise) of an investment in the Securities or (ii) made any representation to Investor regarding the legality of an investment in the Securities under applicable legal investment or similar laws or regulations. In deciding to purchase the Securities, Investor is not relying on the advice or recommendations of the Company, and Investor has made its own independent decision, alone or in consultation with its investment advisors, that the investment in the Securities is suitable and appropriate for Investor.

(p) Investor has such knowledge, skill and experience in business, financial and investment matters that Investor is capable of evaluating the merits and risks of an investment in the Securities. Investor has considered the suitability of the Securities as an investment in light of its own circumstances and financial condition and Investor is able to bear the risks associated with an investment in the Securities and its authority to invest in the Securities.

(q) Investor understands that the Securities have not been registered under the Act or any state securities laws by reason of specific exemptions under the provisions thereof which depend in part upon the investment intent of Investor and of the other representations made by Investor in this Agreement. Investor understands that the Company is relying upon the representations and agreements contained in this Agreement (and any supplemental information) for the purpose of determining whether this transaction meets the requirements for such exemptions.

(r) Investor is acquiring the Securities solely for Investor's own beneficial account,

for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities. Investor understands that the Securities have not been registered under the Act or any state securities laws by reason of specific exemptions under the provisions thereof which depend in part upon the investment intent of Investor and of the other representations made by Investor in this Agreement. Investor understands that the Company is relying upon the representations and agreements contained in this Agreement (and any supplemental information) for the purpose of determining whether this transaction meets the requirements for such exemptions.

(s) Investor understands that the Securities are restricted from transfer for a period of time under applicable federal securities laws and that the Act and the rules of the SEC provide in substance that Investor may dispose of the Securities only under an effective registration statement under the Act, an exemption therefrom or as further described in Section 227.501 of Regulation Crowdfunding, after which certain state restrictions may apply. Investor understands that the Company has no obligation or intention to register any of the Securities, or to take action so as to permit sales under the Act. Even if and when the Securities become freely transferable, a secondary market in the Securities may not develop. Consequently, Investor understands Investor must bear the economic risks of the investment in the Securities for an indefinite period of time.
