Internet Availability of Proxy Materials

We are furnishing proxy materials to our shareholders primarily via the Internet under rules adopted by the U.S. Securities and Exchange Commission (SEC), instead of mailing printed copies of those materials to each shareholder. Our shareholders are receiving a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials, including our Proxy Statement and our Annual Report. The Notice of Internet Availability of Proxy Materials also instructs you on how to access your proxy card to vote via the Internet or telephone.

This process is designed to expedite shareholders' receipt of proxy materials, lower the cost of the Annual Meeting and help conserve natural resources. If you would prefer to continue to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials.

How to Vote

If your shares are held by a broker, bank or other stockholder of record exercising fiduciary powers which holds securities of record in nominee name or otherwise, typically referred to as being held in "street name", you may receive a separate voting instruction form, or you may need to contact your broker, bank or other stockholder of record to determine whether you will be able to vote electronically via the Internet or telephone. We strongly encourage you to submit your proxy card and exercise your right to vote as a shareholder.

If you are a stockholder with shares registered in your name, you may vote by either of the following methods:

- **Vote via the Internet**, by going to the web address *www.proxyvote.com* and following the instructions for internet voting.

PLEASE NOTE THAT IF YOUR SHARES ARE HELD OF RECORD BY A BROKER, BANK OR OTHER STOCKHOLDER OF RECORD AND YOU WISH TO VOTE AT THE ANNUAL MEETING, YOU WILL NOT BE PERMITTED TO VOTE IN PERSON AT THE ANNUAL MEETING UNLESS YOU FIRST OBTAIN A LEGAL PROXY ISSUED IN YOUR NAME FROM THE RECORD HOLDER.

BEST ENERGY SERVICES, INC.

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

The Board of Directors is furnishing shareholders this proxy statement to solicit proxies to be voted at the Annual Meeting of Shareholders of Best Energy Services, Inc. (the “Company” or “Best Energy”), a Nevada corporation. The meeting will be held on Monday, July 26, 2010, at 11:00 a.m. central time at the Company’s offices, 5433 Westheimer Road, Suite 825, Houston, Texas 77056.

Voting Rights and Solicitation of Proxies

Record Date. The record date for the Annual Meeting is the close of business on June 10, 2010. Only shareholders of record on that date will be entitled to notice of, and to vote at, the Annual Meeting.

Quorum. The Company’s bylaws provide that the holders of a majority of the Common Stock issued and outstanding and entitled to vote generally in the election of directors, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

Voting Your Proxy. Exercise your vote in accordance with the method of your choice, via the Internet or by telephone. The proxy will be voted as you direct. In the event no directions are specified, your shares will be voted (1) **FOR** the election of the nominees named below as directors; (2) **FOR** approval of the increase in the Company’s authorized capital stock; (3) **FOR** the ratification of the selection of M&K, CPAs; PLLC and at the discretion of the designated proxy holders as to other matters that may properly come before the Annual Meeting.

If you are a shareholder of record, holding a stock certificate registered in your name on the books of our transfer agent, American Stock Transfer & Trust Company, as of the close of business on June 10, 2010, and attend the meeting, you may vote in person at the meeting on proxies available at the meeting for that purpose, or revoke a previously submitted proxy and complete a new proxy.

If your shares are held in a stock brokerage account with you as a beneficial owner, we strongly encourage you to exercise your right to vote as a shareholder. In order to do so,

- you must return your voting instructions to your broker or nominee, the holder of record, **or**
- you must vote your shares through your broker or nominee via the internet or by phone, **or**
- if you wish to vote in person at the meeting, you must obtain from the record holder and bring to the meeting a proxy **signed by the record holder** identifying you as the beneficial owner of the shares and giving you the right to vote the shares at the meeting. (You may **not** use the voting instruction form provided by your broker or nominee to vote in person at the meeting.)

Revoking Your Proxy. You may revoke your proxy at any time before the voting closes by notifying us; no formal procedure is required. Votes are tabulated by an independent agent, and reported at the Annual Meeting.

We intend to make available to our shareholders this proxy statement, including the Notice of Annual Meeting of Shareholders, on or about June 10, 2010.

Holders of common stock at the close of business on the record date of June 10, 2010, are entitled to vote at the meeting. On such date there were 34,075,209 shares outstanding. Holders of the Company's preferred stock are not entitled to vote at the meeting.

If you abstain from voting, your shares will be counted as shares present and entitled to vote in determining the presence of a quorum for the meeting, but will not be voted in determining approval of any matter submitted to shareholders for a vote. For any vote to amend the Company's Articles of Incorporation, an abstention will have the same effect as a negative vote on a matter submitted to shareholders for a vote. If a broker indicates that it does not have discretionary authority to vote on a particular matter, broker non-votes, those shares will be counted as shares present in determining the presence of a quorum for the meeting but will not be considered present or entitled to vote with respect to that particular matter.

1. ELECTION OF DIRECTORS

At the Annual Meeting, shareholders will elect a Board of four directors by a plurality of the votes cast. Our Board of Directors proposes the four nominees named below. We recommend voting **FOR** the three named nominees for the Company to continue the successful push towards profitability of our services technology.

All nominees named below served as directors since their initial election. There are no family relationships among our executive officers and directors.

If any nominee is unable to serve, we solicit discretionary authority to vote to elect another person unless we reduce the size of the Board. Each director will serve until the next Annual Meeting of Shareholders, or until his or her successor has been elected and qualified, or until his or her earlier resignation or removal. We believe that all nominees will be available for election as a director for the prescribed term.

After earning a BBA and MBA in Finance from the University of Texas, Mr. Harrington began his career in 1977 as an energy analyst at the U.S. Trust Company and in 1978 joined Carl H. Pforzheimer & Co. in the same capacity. In 1980, he became a partner in the firm and, in 1982, was named President and COO of Chipco Energy, Pforzheimer's in-house investment arm. In 1986, he formed Harrington and Company, where he created the Energy Vulture Funds to pursue distressed opportunities in energy and to incubate emerging energy companies. EVF-incubated companies included Calgary-based HCO Canada, Ltd., where Mr. Harrington also served as a Founder, Chairman and CEO; and Houston-based HarCor Energy, Inc., a then NASDAQ NMS-listed company that he led as Chairman and CEO until its sale in late 1997. In 2003, he assumed the role of President and COO of AMEX-listed Dune Energy, Inc. to oversee the Company's successful market launch, and then served as President and CEO of Quinduno Energy, Inc. beginning in 2004 through its sale to Petrosearch Energy Corporation. Mr. Harrington also serves on the Board of Rock Energy Resources, Inc., a publicly-listed domestic oil and gas exploration and production company.

From 1987 through 1993, he was the founding and managing partner of Schoene, Byrd, Piercefield and Heinkel, an Orlando, Florida-based, full service commercial law firm specializing in corporate and securities, real estate and general business law. In 1993, Jim founded and served as CEO of Sobik's Subs, Inc., a 32-unit franchise chain of sandwich shops that he took public through reverse merger and grew to 80 units within 30 months. In 1996, he served as CEO of Fortune Financial Systems, Inc. a company he founded, and subsequently took public, and grew annual sales from \$50,000 to nearly \$100 million in just one year.

In 1998, Mr. Byrd formed Vanguard Capital, LLC, a private equity firm that he continues to manage today. Mr. Byrd has been an active consultant to and investor in emerging public companies during the past 10 years and has acted as a board member, consultant and CEO to several public companies during that time.

On April 1, 2010, the Company also entered into an employment agreement with its chief operating officer, Eugene Allen, and its chief financial officer, Dennis Irwin (the “Other Employment Agreements”). The Other Employment Agreements provide that Messrs. Allen and Irwin will serve as the chief operating officer and chief financial officer. They will receive an annual base salary of \$126,000 and certain other employee benefits available generally to all employees or specifically to executives of the Company. They are also entitled to receive \$500 per month automobile allowance. Under the terms of the Other Employment Agreements, their employment may be terminated at any time for cause. Under the terms of the Other Employment Agreements, if their employment terminates other than for cause, disability or death, they are entitled to continued payment of their then base salary for one year in one lump sum commencing on the date of severance with reimbursement of reimbursable accrued expenses and any employee accrued amounts.

2. AMENDMENT OF THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED CAPITAL STOCK

On June 1, 2010, the Company's Board of Directors unanimously approved a resolution to amend the Company's Articles of Incorporation to increase the number of authorized shares of Common Stock from 90,000,000 shares to 250,000,000 shares, subject to stockholder approval. As of the Record Date, the Company had 34,075,209 shares of Common Stock issued and outstanding.

The purpose of the amendment is to provide the Company with additional shares of Common Stock which may be made available for existing and future financing and acquisition transactions, stock dividends or splits, employee benefit plans and other general corporate purposes. The Company presently has an obligation under existing convertible Series A Preferred Stock to provide for the authorization and potential issuance of additional shares of common stock. The Company also has outstanding warrants and options, and an obligation to issue certain shares for services. If all Series A Preferred shares are converted, all currently issuable shares are issued, and all options are exercised, the Company would be obligated to issue a total of 57,428,268 additional shares, for a total of 91,503,477 shares outstanding. However, a total of 5,700,000 warrants have not yet vested, and our board of directors has agreed not to exercise any options if it would cause us to be in violation of any agreement, of our Articles of Incorporation, or of applicable law. Nevertheless, in order to ensure that we will be able to continue to remain in compliance with agreements and with applicable law, we believe it to be in the best interest of the Company to provide for additional capital. In addition, it may be in the Company's best interest to offer additional securities in the future as part of our efforts to raise sufficient capital to effect our business plan.

If the amendment is approved, the Company also will have greater flexibility in the future to issue shares in excess of those currently authorized, without the expense and delay of a special stockholders meeting. The Company currently has no arrangements or understandings for the issuance of additional shares of Common Stock other than (1) options to board members, who have agreed to not request issuance of their shares to the extent it would cause them to exceed the authorized limit and (2) as provided in connection with the potential conversions of issued and outstanding convertible Series A Preferred Stock. If the Board of Directors deems it in the best interests of the Company and the stockholders to issue additional shares of Common Stock, the Board of Directors will have the authority to determine the terms of the issuance and generally would not seek approval by the stockholders unless such approval is required by applicable law or by any applicable stock exchange rules. An issuance of additional shares of Common Stock could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Board of Directors. The Company has no knowledge that any person intends to effect such a transaction.

Recommendation

Our Board of Directors recommends that shareholders vote FOR the ratification of certificate amendment to increase authorized capital stock.

3. ELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

M&K, CPAs, PLLC ("M&K ") have been the independent registered public accountants for the company since they were engaged in October 2009. M&K replaced our prior client auditor relationship with Malone & Bailey, PC ("M&B").

Pre-Approval of Services of Principal Accountants

The Board as a whole acts as the Company's audit committee. Consequently the Board has the sole authority and responsibility to select, evaluate, determine the compensation of, and, where appropriate, replace the independent auditor. After determining that providing the non-audit services is compatible with maintaining the auditor's independence, the board pre-approves all audits and permitted non-audit services to be performed by the independent auditor, except for *de minimis* amounts.

Ratification of Selection of Independent Public Accountants

The persons named in the enclosed proxy will vote to ratify the selection of M&K as independent public accountants for the year ending December 31, 2010, unless otherwise directed by the shareholders. Shareholder ratification of M&K as the Company's independent public accountants is not required by the Company's bylaw or otherwise. However, the Company is submitting selection of M&K to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection of M&K as the Company's independent public accountants, the board will reconsider the selection of such independent public accountants. If the selection is ratified, the board may, in its discretion, direct the appointment of different independent public accountants at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

Vote Required

The affirmative vote of a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting is necessary for the ratification of M&K as independent public accountants for the fiscal year ended December 31, 2010.

Recommendation

Our Board of Directors recommends that shareholders vote FOR the ratification of M&K as independent public accountants for the fiscal year ended December 31, 2010.
