Registration Statement on Form S-3, filed June 2, 2023

General

1. We note disclosure in your Form 10-Q filed on May 15, 2023, that "In March 2023, the Company secured a \$ 100 million credit facility with OCI Group to support our working capital requirements." Please revise your registration statement to disclose the material provisions of this credit facility and file the agreement as an exhibit pursuant to Item 601(b)(10) of Regulation S-K. Include, without limitation, disclosure of any restrictive covenants, how the credit facility has been utilized during the respective reporting periods (if applicable), and where those amounts are reported in your financial statements. In addition, please confirm that you will revise future filings, including your Form 10-Q for the quarter ended June 30, 2023, to include this disclosure and exhibit. Finally, please tell us how you concluded that you were not required to disclose the credit facility in a filing on Form 8-K.
