Pzena Investment Management, Inc.  
 140 West 45th Street  
 New York, New York 10036

Ladies and Gentlemen:

We have acted as counsel to Pzena Investment Management, Inc., a Delaware corporation (the "Company"), in connection with the Company's Registration Statement on Form S-3 to be filed with the Securities and Exchange Commission (the "Commission") on the date hereof under the Securities Act of 1933, as amended (the "Act") (such Registration Statement, in the form reviewed by us, being hereinafter referred to as the "Registration Statement"). As permitted by Rule 415 under the Act, the Registration Statement relates to the issuance by the Company of up to 529,590 shares (the "Shares") of the Company's Class A common stock, par value \$0.01 per share (the "Class A Common Stock"), upon exchanges by the Class B Members (the "Class B Members") of Pzena Investment Management, LLC, a Delaware limited liability company (the "Operating Company"), of an equivalent number of Class B units (the "Class B Units") of the Operating Company, pursuant to, and in accordance with the "Exchange Rights of Class B Members" set forth in Exhibit B (the "Exchange Rights Provisions") to the Amended and Restated Limited Liability Company Agreement of the Operating Company, dated as of October 30, 2007 and amended as of March 24, 2010 and March 5, 2012 (as amended, the "Operating Agreement"). The Shares are issuable upon the exchange of (i) 434,928 Class B Units (the "Equity Plan Class B Units") previously granted pursuant to the Operating Company's Amended and Restated 2006 Equity Incentive Plan (the "Equity Plan"), and (ii) 73,438 Class B Units (the "Bonus Plan Class B Units") previously granted pursuant to the Operating Company's Amended and Restated Bonus Plan (the "Bonus Plan"). The timing and amount of the Class B Members exchanges of Class B Units for the Shares is subject to the terms and conditions set forth in the Exchange Rights Provisions. The right of a Class B Member owning Equity Plan Class B Units or Bonus Plan Class B Units to exchange such Class B Units for Shares is subject to the vesting of such Class B Units pursuant to the Equity Plan or the Bonus Plan, respectively, and any applicable Class B Unit award agreement.

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act.

---

Based upon and subject to the foregoing, we are of the opinion that, with respect to each offering of Shares by the Company to the Class B Members in accordance with the Exchange Rights Provisions (the "Offered Shares"), when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Act; (ii) an appropriate prospectus supplement with respect to the Offered Shares has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) appropriate officers of the Company have, in accordance with the Exchange Rights Provisions, notified the Class B Members of the timing of the exchange of Class B Units for the Offered Shares; and (iv) certificates in the form required under the DGCL representing the Offered Shares are duly executed, countersigned, registered and delivered upon exchange of the applicable Class B Units, the Offered Shares, when so issued to the Class B Members, will be duly authorized, validly issued, fully paid and nonassessable.

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. We also consent to the reference to our firm under the caption "Legal Matters" in the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission.
