- (F) In determining whether or not a Firm Offer satisfies clause (B)(y) of the definition of Replacement Transaction and whether or not a transfer satisfies clause (e)(B)(y) of the definition of Permitted Transfer, Party B shall act in a commercially reasonable manner.

- (iii) **Amendment of Pooling and Servicing Agreement.** If, without the prior written consent of Party A where such consent is required under the Pooling and Servicing Agreement (such consent not to be unreasonably withheld, conditioned or delayed), an amendment is made to the Pooling and Servicing Agreement which amendment could reasonably be expected to have a material adverse effect on the interests of Party A (excluding, for the avoidance of doubt, any amendment to the Pooling and Servicing Agreement that is entered into solely for the purpose of appointing a successor servicer, administrator, trustee or other service provider) under this Agreement, an Additional Termination Event shall have occurred with respect to Party B and Party B shall be the sole Affected Party with respect to such Additional Termination Event.
- (iv) **Optional Termination of Securitization.** An Additional Termination Event shall occur upon the notice to Certificateholders of an Optional Termination becoming unrescindable in accordance with Article IX of the Pooling and Servicing Agreement (such notice, the “**Optional Termination Notice**”). With respect to such Additional Termination Event: (A) Party B shall be the sole Affected Party; (B) notwithstanding anything to the contrary in Section 6(b)(iv) or Section 6(c)(i), the final Distribution Date specified in the Optional Termination Notice is hereby designated as the Early Termination Date for this Additional Termination Event in respect of all Affected Transactions; (C) Section 2(a)(iii)(2) shall not be applicable to any Affected Transaction in connection with the Early Termination Date resulting from this Additional Termination Event; notwithstanding anything to the contrary in Section 6(c)(ii), payments and deliveries under Section 2(a)(i) or Section 2(e) in respect of the Terminated Transactions resulting from this Additional Termination Event will be required to be made through and including the Early Termination Date designated as a result of this Additional Termination Event; provided, for the avoidance of doubt, that any such payments or deliveries that are made on or prior to such Early Termination Date will not be treated as Unpaid Amounts in determining the amount payable in respect of such Early Termination Date; (D) notwithstanding anything to the contrary in Section 6(d)(i), (I) if, no later than 4:00 pm New York City time on the day that is four Business Days prior to the final Distribution Date specified in the Optional Termination Notice, the Trustee requests the amount of the Estimated Swap Termination Payment, Party A shall provide to the Trustee in writing (which may be done in electronic format) the amount of the Estimated Swap Termination Payment no later than 2:00 pm New York City time on the following Business Day and (II) if the Trustee provides written notice (which may be done in electronic format) to Party A no later than two Business Days prior to the final Distribution Date specified in the Optional Termination Notice that all requirements of the Optional Termination have been met, then Party A shall, no later than one Business Day prior to the final Distribution Date specified in the Optional Termination Notice, make the calculations contemplated by Section 6(e) of the ISDA Master Agreement (as amended herein) and provide to the Trustee in writing (which may be done in electronic format) the amount payable by either Party B or Party A in respect of the related Early Termination Date in connection with this Additional Termination Event; provided, however, that the amount payable by Party B, if any, in respect of the related Early Termination Date shall be the lesser of (x) the amount calculated to be due from Party B pursuant to Section 6(e) and (y) the Estimated Swap Termination Payment; and (E) notwithstanding anything to the contrary in this Agreement, any amount due from Party B to Party A in respect of this Additional Termination Event will be payable on the final Distribution Date specified in the Optional Termination Notice and any amount due from Party A to Party B in respect of this Additional Termination Event will be payable one Business Day prior to the final Distribution Date specified in the Optional Termination Notice.

The Trustee shall be an express third party beneficiary of this Agreement as if a party hereto to the extent of the Trustee’s rights specified herein.

- (d) **Required Ratings Downgrade Event.** If a Required Ratings Downgrade Event has occurred and is continuing, then Party A shall, at its own expense, use commercially reasonable efforts to, as soon as reasonably practicable, either (A) effect a Permitted Transfer or (B) procure an Eligible Guarantee by a guarantor with credit ratings at least equal to the S&P Required Ratings Threshold and the Moody’s Second Trigger Threshold.
- (e) **Compliance with Regulation AB.** Party A and Party B hereby agree that the terms of the Indemnification and Disclosure Agreement, dated June 13, 2007 (the “**Indemnification and Disclosure Agreement**”), between Washington Mutual Bank and Barclays Bank PLC shall be incorporated by reference into this

Agreement and Party B shall be an express third party beneficiary of the Indemnification and Disclosure Agreement. A copy of the Indemnification and Disclosure Agreement is annexed hereto at Annex B.

(f) **Transfers.**

(i) Section 7 is hereby amended to read in its entirety as follows:

“Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party unless (a) the prior written consent of the other party is obtained and (b) the Rating Agency Condition has been satisfied with respect to S&P, except that:

- (a) Party A may make a Permitted Transfer (1) pursuant to Section 6(b)(ii), or the Indemnification and Disclosure Agreement, (2) pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement), or (3) at any time at which no Relevant Entity has credit ratings at least equal to the Approved Ratings Threshold;
- (b) Party B may transfer its rights and obligations hereunder in connection with a transfer pursuant to Section 8.09 of the Pooling and Servicing Agreement; and
- (c) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

(ii) If an Eligible Replacement has made a Firm Offer (which remains an offer that will become legally binding upon acceptance by Party B) to be the transferee pursuant to a Permitted Transfer, Party B shall, at Party A’s written request and at Party A’s expense, take any reasonable steps required to be taken by Party B to effect such transfer.

(g) **Non-Recourse.** Party A acknowledges and agrees that, notwithstanding any provision in this Agreement to the contrary, the obligations of Party B hereunder are limited recourse obligations of Party B, payable solely from the Supplemental Interest Trust and the proceeds thereof, in accordance with the priority of payments and other terms of the Pooling and Servicing Agreement and that Party A will not have any recourse to any of the directors, officers, agents, employees, shareholders or affiliates of the Party B with respect to any claims, losses, damages, liabilities, indemnities or other obligations in connection with any transactions contemplated hereby. In the event that the Supplemental Interest Trust and the proceeds thereof, should be insufficient to satisfy all claims outstanding and following the realization of the account held by the Supplemental Interest Trust and the proceeds thereof, any claims against or obligations of Party B under the ISDA Master Agreement or any other confirmation thereunder still outstanding shall be extinguished and thereafter not revive. The Supplemental Interest Trust Trustee shall not have liability for any failure or delay in making a payment hereunder to Party A due to any failure or delay in receiving amounts in the account held by the Supplemental Interest Trust from the Trust created pursuant to the Pooling and Servicing Agreement. This provision will survive the termination of this Agreement.

(h) **Timing of Payments by Party B upon Early Termination.** Notwithstanding anything to the contrary in Section 6(d)(ii), to the extent that all or a portion (in either case, the “Unfunded Amount”) of any amount that is calculated as being due in respect of any Early Termination Date under Section 6(e) from Party B to Party A will be paid by Party B from amounts other than any upfront payment paid to Party B by an Eligible Replacement that has entered into a Replacement Transaction with Party B, then such Unfunded Amount shall be due on the next subsequent Distribution Date following the date on which the payment would have been payable as determined in accordance with Section 6(d)(ii), and on any subsequent Distribution Dates until paid in full (or if such Early Termination Date is the final Distribution Date, on such final Distribution Date); provided, however, that if the date on which the payment would have been payable as determined in accordance with Section 6(d)(ii) is a Distribution Date, such payment will be payable on such Distribution Date. For the avoidance of doubt, interest on any payment due in respect of an Early Termination Date under

Section 6(e) will in all events accrue interest from (and including) such Early Termination Date to (but excluding) the date on which the relevant payment is made.

- (i) **Rating Agency Notifications.** Notwithstanding any other provision of this Agreement, no Early Termination Date shall be effectively designated hereunder by Party B and no transfer of any rights or obligations under this Agreement shall be made by either party unless each Rating Agency has been provided prior written notice of such designation or transfer.
- (j) **No Set-off.** Except as expressly provided for in Section 2(c), Section 6 or Part 1(f)(i)(D) hereof, and notwithstanding any other provision of this Agreement or any other existing or future agreement, each party irrevocably waives any and all rights it may have to set off, net, recoup or otherwise withhold or suspend or condition payment or performance of any obligation between it and the other party hereunder against any obligation between it and the other party under any other agreements. Section 6(e) shall be amended by deleting the following sentence: "The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off."
- (k) **Amendment.** Notwithstanding any provision to the contrary in this Agreement, no amendment of either this Agreement or any Transaction under this Agreement shall be permitted by either party unless each of the Rating Agencies has been provided prior written notice of the same and the Rating Agency Condition is satisfied with respect to S&P.
- (l) **Notice of Certain Events or Circumstances.** Each Party agrees, upon learning of the occurrence or existence of any event or condition that constitutes (or that with the giving of notice or passage of time or both would constitute) an Event of Default or Termination Event with respect to such party, promptly to give the other Party and to each Rating Agency notice of such event or condition; provided that failure to provide notice of such event or condition pursuant to this Part 5(l) shall not constitute an Event of Default or a Termination Event.
- (m) **Proceedings.** No Relevant Entity shall institute against, or cause any other person to institute against, or join any other person in instituting against Party B, the Supplemental Interest Trust, or the trust formed pursuant to the Pooling and Servicing Agreement, in any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other proceedings under any federal or state bankruptcy or similar law for a period of one year (or, if longer, the applicable preference period) and one day following payment in full of the Certificates and any Notes; provided, however, that nothing will preclude, or be deemed to stop, Party A (i) from taking any action prior to the expiration of the aforementioned one year and one day period, or if longer the applicable preference period then in effect, in (A) any case or proceeding voluntarily filed or commenced by Party B or (B) any involuntary insolvency proceeding commenced by a Person other than Party A, or (ii) from commencing against Party B or any of the collateral any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, liquidation or similar proceeding. This provision will survive the termination of this Agreement.
- (n) **Supplemental Interest Trust Trustee Liability Limitations.** It is expressly understood and agreed by the parties hereto that (a) this Agreement is executed and delivered by Citibank, N.A. ("Citi") not in its individual capacity, but solely as Supplemental Interest Trust Trustee on behalf of the Supplemental Interest Trust under the Pooling and Servicing Agreement in the exercise of the powers and authority conferred and invested in it thereunder; (b) Citi has been directed pursuant to the Pooling and Servicing Agreement to enter into this Agreement and to perform its obligations hereunder; (c) each of the representations, warranties, covenants, undertakings and agreements herein made on behalf of the Supplemental Interest Trust is made and intended not as a personal representation of Citi but is made and intended for the purpose of binding only the Supplemental Interest Trust; (d) nothing herein contained shall be construed as creating any liability on Citi, individually or personally, to perform any covenant either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties who are signatories to this Agreement and by any person claiming by, through or under such parties; and (e) under no circumstances shall Citi in its individual capacity be personally liable for the payment of any indemnity, indebtedness, fees or expenses of the Supplement Interest Trust or any payments hereunder or for the breach or failure of any obligation, representation, warranty or covenant made or undertaken under this Agreement, as to all of which recourse shall be had solely to the assets of the Supplemental Interest Trust in accordance with the terms of the Pooling and Servicing Agreement.

- (o) **Severability.** If any term, provision, covenant, or condition of this Agreement, or the application thereof to any party or circumstance, shall be held to be invalid or unenforceable (in whole or in part) in any respect, the remaining terms, provisions, covenants, and conditions hereof shall continue in full force and effect as if this Agreement had been executed with the invalid or unenforceable portion eliminated, so long as this Agreement as so modified continues to express, without material change, the original intentions of the parties as to the subject matter of this Agreement and the deletion of such portion of this Agreement will not substantially impair the respective benefits or expectations of the parties; provided, however, that this severability provision shall not be applicable if any provision of Section 2, 5, 6, or 13 (or any definition or provision in Section 14 to the extent it relates to, or is used in or in connection with any such Section) shall be so held to be invalid or unenforceable.

The parties shall endeavor to engage in good faith negotiations to replace any invalid or unenforceable term, provision, covenant or condition with a valid or enforceable term, provision, covenant or condition, the economic effect of which comes as close as possible to that of the invalid or unenforceable term, provision, covenant or condition.

- (p) **Agent for Party B.** Party A acknowledges that Party B has appointed the Supplemental Interest Trust Trustee as its agent under the Pooling and Servicing Agreement to carry out certain functions on behalf of Party B, and that the Supplemental Interest Trust Trustee shall be entitled to give notices and to perform and satisfy the obligations of Party B hereunder on behalf of Party B.
- (q) [Reserved.]
- (r) **Consent to Recording.** Each party hereto consents to the monitoring or recording, at any time and from time to time, by the other party of any and all communications between trading, marketing, and operations personnel of the parties and their Affiliates, waives any further notice of such monitoring or recording, and agrees to notify such personnel of such monitoring or recording. Each party agrees to provide such recording to the other party upon reasonable request.
- (s) **Waiver of Jury Trial.** Each party waives any right it may have to a trial by jury in respect of any suit, action or proceeding relating to this Agreement or any Credit Support Document.
- (t) **Form of ISDA Master Agreement.** Party A and Party B hereby agree that the text of the body of the ISDA Master Agreement is intended to be the printed form of the ISDA Master Agreement (Multicurrency – Crossborder) as published and copyrighted in 1992 by the International Swaps and Derivatives Association, Inc.
- (u) **Payment Instructions.** Party A hereby agrees that, unless notified in writing by Party B of other payment instructions, any and all amounts payable by Party A to Party B under this Agreement shall be paid to the account specified in Item 4 of this Long-form Confirmation, below.
- (v) **Additional representations.**

Party A represents to Party B on the date on which Party A enters into each Transaction under this Agreement that it is entering into the Agreement and the Transaction as principal and not as agent of any person. The Supplemental Interest Trust Trustee represents to Party A on the date on which the Supplemental Interest Trust Trustee executes this Agreement that it is executing the Agreement in its individual capacity but solely as Supplemental Interest Trust Trustee on behalf of the Supplemental Interest Trust.

- (w) **Acknowledgements.**

- (i) **Substantial financial transactions.** Each party hereto is hereby advised and acknowledges as of the date hereof that the other party has engaged in (or refrained from engaging in) substantial financial transactions and has taken (or refrained from taking) other material actions in reliance upon the entry by the parties into the Transaction being entered into on the terms and conditions set forth herein and in the Pooling and Servicing Agreement relating to such Transaction, as applicable. This paragraph shall be deemed repeated on the trade date of each Transaction.

- (ii) **Bankruptcy Code.** Subject to Part 5(m), without limiting the applicability if any, of any other provision of the U.S. Bankruptcy Code as amended (the “Bankruptcy Code”) (including without limitation Sections 362, 546, 556, and 560 thereof and the applicable definitions in Section 101 thereof), the parties acknowledge and agree that all Transactions entered into hereunder will constitute “forward contracts” or “swap agreements” as defined in Section 101 of the Bankruptcy Code or “commodity contracts” as defined in Section 761 of the Bankruptcy Code, that the rights of the parties under Section 6 of this Agreement will constitute contractual rights to liquidate Transactions, that any margin or collateral provided under any margin, collateral, security, pledge, or similar agreement related hereto will constitute a “margin payment” as defined in Section 101 of the Bankruptcy Code, and that the parties are entities entitled to the rights under, and protections afforded by, Sections 362, 546, 556, and 560 of the Bankruptcy Code.

“Estimated Swap Termination Payment” means, with respect to an Early Termination Date, an amount determined by Party A in good faith and in a commercially reasonable manner as the maximum payment that could be owed by Party B to Party A in respect of such Early Termination Date pursuant to Section 6(e) of the ISDA Master Agreement, taking into account then current market conditions.

THIS INDEMNIFICATION AND DISCLOSURE AGREEMENT dated June 13, 2007 (this "Agreement") is between Washington Mutual Bank (the "Sponsor") and Barclays Bank PLC (the "Swap Counterparty").

WITNESSETH:

WHEREAS, the Sponsor intends to convey certain mortgage loans to WaMu Asset Acceptance Corp. “Regulation AB” shall mean Subpart 229.1100 - Asset Backed Securities (Regulation AB), 17 C.F.R. §§229.1100-229.1123, as such may be amended from time to time, and subject to such clarification and interpretation as have been provided by the Commission in the adopting release (Asset-Backed Securities, Securities Act Release No. 33-8518, 70 Fed. Reg. 1,506, 1,531 (Jan. 7, 2005)) or by the staff of the Commission, or as may be provided by the Commission or its staff from time to time.

“Swap Counterparty Information” shall mean the information contained in the first paragraph under the caption “Description of the Certificates—The Swap Counterparty,” in the Offering Documents provided by or on behalf of the Swap Counterparty to the Sponsor or the Depositor for inclusion in the Offering Documents as of its respective date as set forth in Appendix 1.

2. Covenant to Provide Additional Swap Counterparty Information. If at any time during a period that reports are being filed with respect to the Issuing Entity in accordance with the Exchange Act and the rules and regulations of the Commission, in the sole discretion of the Depositor or the Sponsor, the “aggregate significance percentage” as determined in accordance with Item 1115 of Regulation AB of all derivative instruments provided by the Swap Counterparty and any of its affiliates to the Issuing Entity is 8% or more, the Swap Counterparty shall within five (5) Business Days following receipt of request therefor demonstrate to the satisfaction of the Sponsor and the Depositor that it is able to provide the Additional Information required under Item 1115(b)(1) of Regulation AB for the Swap Counterparty (or for the group of affiliated entities, if applicable). If the Swap Counterparty is unable to satisfy the Sponsor and the Depositor as to its ability to provide such information, the Swap Counterparty shall, at its option, within ten (10) Business Days following receipt of request therefor, (1) promptly post collateral satisfactory to the Sponsor and the Depositor in an amount sufficient to reduce the aggregate significance percentage to 7%, pursuant to a Credit Support Annex or similar agreement reasonably satisfactory to the Sponsor, the Depositor and the Trustee, or (2) at the sole expense of the Swap Counterparty, by a Permitted Transfer (as defined in the Swap Agreement), without any expense or liability to the Sponsor, the Depositor, the Trustee or the Issuing Entity, assign its rights and delegate its obligations under the Swap Agreement to a substitute counterparty reasonably acceptable to the Sponsor and the Depositor that (x) is able to provide such financial information and (y) enters into an agreement similar in form to this Agreement pursuant to which such substitute counterparty agrees to provide the required financial information.

If at any time during a period that reports are being filed with respect to the Issuing Entity in accordance with the Exchange Act and the rules and regulations of the Commission, in the sole discretion of the Depositor or the Sponsor, the “aggregate significance percentage” as determined in accordance with Item 1115 of Regulation AB of all derivative instruments provided by the Swap Counterparty and any of its affiliates to the Issuing Entity is 18% or more,

the Swap Counterparty shall within five (5) Business Days following receipt of request therefor demonstrate to the satisfaction of the Sponsor and the Depositor that it is able to provide the Additional Information required under Item 1115(b)(2) of Regulation AB for the Swap Counterparty (or for the group of affiliated entities, if applicable), together with any necessary auditor's consents. If the Swap Counterparty is unable to satisfy the Sponsor and the Depositor as to its ability to provide such information and consents, the Swap Counterparty shall, at its option, within ten (10) Business Days following receipt of request therefor, (1) promptly post collateral satisfactory to the Sponsor and the Depositor in an amount sufficient to reduce the aggregate significance percentage to 17%, pursuant to a Credit Support Annex or similar agreement reasonably satisfactory to the Sponsor, the Depositor and the Trustee, or (2) at the sole expense of the Swap Counterparty, without any expense or liability to the Sponsor, the Depositor, the Trustee or the Issuing Entity, assign its rights and delegate its obligations under the Swap Agreement to a substitute counterparty reasonably acceptable to the Sponsor and the Depositor that (x) is able to provide such financial information and (y) enters into an agreement similar in form to this Agreement pursuant to which such substitute counterparty agrees to provide the required financial information and consents. Any Additional Information furnished by the Swap Counterparty hereunder shall be incorporated by reference or otherwise in a form suitable for filing by the Depositor with the Commission via the Electronic Data Gathering and Retrieval System (EDGAR). In addition, any such Additional Information shall be accompanied by any necessary auditor's consents.

3. Indemnification.

(a) The Swap Counterparty hereby agrees to indemnify and hold harmless the Issuing Entity, the Depositor and the Sponsor, and each Controlling Person, if any, with respect to the Depositor or the Sponsor within the meaning of the Act (a "WaMu Indemnified Party") against any losses, claims, damages or liabilities (including, but not limited to, reasonable attorneys fees and expenses) to which the Issuing Entity, the Depositor, the Sponsor or such WaMu Indemnified Party may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise directly out of or are based directly upon (w) any untrue statement of any material fact contained in the Swap Counterparty Information or any Additional Information as of the date of the Offering Documents, in the case of any Swap Counterparty Information, and as of the date of such Additional Information, in the case of any Additional Information, (x) the omission to state in the Swap Counterparty Information or any Additional Information a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading as of the date of the Offering Documents, in the case of any Swap Counterparty Information, and as of the date of such Additional Information, in the case of any Additional Information or (y) any failure of the Swap Counterparty to meet the obligations set forth in Section 2 hereof. The Swap Counterparty's sole liability for failure to meet the obligations set forth in Section 2 hereof shall be the reasonable costs and expenses of the Sponsor in negotiating with the Commission to justify the Sponsor's inability to meet its filing requirements as the result of the Swap Counterparty's failure to meet the obligations set forth in Section 2 hereof.

(b) The Sponsor hereby agrees to indemnify and hold harmless the Swap Counterparty, and each Controlling Person, if any, with respect to the Swap Counterparty within

the meaning of the Act (the “Swap Counterparty Indemnified Party”) against any losses, claims, damages or liabilities (including, but not limited to, reasonable attorneys fees and expenses) to which the Swap Counterparty or such Swap Counterparty Indemnified Party may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise directly out of or are based directly upon (x) any untrue statement of any material fact contained in the Offering Documents or any report filed pursuant to the Exchange Act (other than an untrue statement of material fact contained in the Swap Counterparty Information or any Additional Information as of the date of the Offering Documents, in the case of any Swap Counterparty Information, and as of the date of such Additional Information, in the case of any Additional Information), or (y) the omission to state in the Offering Documents a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (unless the material fact omitted would constitute Swap Counterparty Information or any Additional Information as of the date of the Offering Documents, in the case of any Swap Counterparty Information, and as of the date of such Additional Information, in the case of any Additional Information).

(c) With respect to each claim for indemnification made hereunder, the Indemnified Party shall notify the Indemnifying Party in writing, giving notice of the nature of the claim, within a reasonable time after service of a summons, notice or other first legal process that shall have been served upon such Indemnified Party, but failure to notify the Indemnifying Party of any such claim shall not relieve the Indemnifying Party from any liability which it may have to the Indemnified Party (i) on account of the indemnity contained in this Agreement, except to the extent that the Indemnifying Party has been materially prejudiced by such failure, or (ii) otherwise than on account of the indemnity contained in this Agreement.

(d) The Indemnifying Party will be entitled to participate at its own expense in the defense or, if the Indemnifying Party so elects, to assume the defense of any suit brought to enforce any such liability, but if the Indemnifying Party elects to assume the defense, such defense shall be conducted by counsel reasonably satisfactory to the Indemnified Party. In the event the Indemnifying Party elects to assume the defense of any such suit and retain such counsel, the Indemnified Party or persons, defendant or defendants in the suit, may retain additional counsel but shall bear the fees and expenses of such counsel unless: (1) the Indemnifying Party shall have agreed to the retention of such counsel at the expense of the Indemnifying Party; or (2) the named parties to any such proceeding (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party, and the Indemnifying Party reasonably determines that representation of both by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the Indemnifying Party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one counsel (separate from its own counsel) for the Indemnified Party.

(e) The Indemnifying Party shall not be liable to indemnify any person for any settlement of any claim effected without the Indemnifying Party’s consent, which consent shall not be unreasonably withheld. The Indemnifying Party shall not, without the prior written consent of an Indemnified Party, which consent will not be unreasonably withheld, effect any settlement of any pending or threatened proceeding in respect of which such Indemnified Party is

or could have been a party and indemnity is or could have been sought hereunder by such Indemnified Party.

(f) If the indemnification provided for in this Agreement is insufficient or unavailable to an Indemnified Party in respect of any losses, claims, damages, liabilities or judgments referred to herein, then the Indemnifying Party, in lieu of indemnifying the Indemnified Party, shall contribute to the amount paid or payable by the Indemnified Party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate equally to reflect (1) the relative fault and benefits of (a) the Indemnifying Party on the one hand and (b) the Indemnified Party on the other hand, as well as (2) any other relevant equitable considerations.

(g) The Controlling Person of any Indemnified Party shall be an intended third-party beneficiary of this Agreement; provided, however, that any Controlling Person shall appoint its related Indemnified Party as its exclusive agent for, on behalf of, and in the name of such Controlling Person, to exercise any and all rights of such Controlling Person under this Agreement, without prejudice to the right of any Controlling Party to retain additional counsel at its own expense, as provided in this Agreement. In no event, however, will an Indemnifying Party be required to bear the expense of such additional counsel on the grounds that representation of both the Indemnified Party and its related Controlling Person by the same counsel would be inappropriate due to actual or potential differing interests between them.

4. Survival of Terms. The agreements, indemnities and representations of the parties hereto or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any parties hereto or any of the controlling persons referred to herein, and will survive the sale of the Certificates.

5. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW) AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS WITHOUT GIVING EFFECT TO CONFLICT OF LAWS PRINCIPLES OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

6. Counterparts; Successors and Assigns. This Agreement may be executed in any number of counterparts, each of which (including any copy hereof delivered by facsimile) shall constitute one and the same original instrument, and either party hereto may execute this Agreement by signing any such counterpart. This Agreement shall inure to the benefit of and be binding upon the Sponsor and the Swap Counterparty and their respective successors and assigns. Notwithstanding the foregoing, no party hereto shall assign its rights and obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

7. Third Party Beneficiary. Each of the Issuing Entity and the Depositor shall be a third-party beneficiary hereof and shall be entitled to enforce the provisions hereof as if a party hereto.
