To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the former holder of DecisionPoint Shares or DecisionPoint Preferred Shares, as applicable, in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing authority.

To the extent that the amount required to be deducted or withheld from any payment to any former holder of DecisionPoint Shares or DecisionPoint Preferred Shares, as applicable, exceeds the cash component, if any, of the consideration otherwise payable to such holder, Comamtech, DecisionPoint, the Amalgamated Corporation or the Depositary, as applicable, may sell or otherwise dispose of such portion of the consideration otherwise payable to such holder in the form of Comamtech Shares and/or Comamtech Preferred Shares, as applicable, as is necessary to provide sufficient funds to enable Comamtech, DecisionPoint, the Amalgamated Corporation or the Depositary, as applicable, to comply with such deduction and/or withholding requirements and Comamtech, DecisionPoint, the Amalgamated Corporation or the Depositary, as applicable, shall notify the holder thereof and remit any unapplied balance of the net proceeds of such sale.

3.3 Ranking as to Dividends and Return of Capital

The Preferred Shares of each series shall, with respect to the payment of dividends and the distribution of assets or return of capital in the event of Liquidation of the Corporation, whether voluntary or involuntary, be entitled to a preference and priority over the Common Shares and over any other shares of the Corporation ranking junior to the Preferred Shares in such liquidation, dissolution or winding-up.

SECTION 4 - SERIES A PREFERRED SHARES

4.1 Dividends

The Holders shall be entitled to receive, when, as and if declared by the Board of Directors, out of any funds and assets of the Corporation legally available, dividends at an annual rate of \$0.32 on each Series A Preferred Share. Dividends shall be cumulative and shall accrue on each share of the outstanding Series A Preferred Share from the date of its issue by DecisionPoint (or if such shares are issued after the Effective Date, the issue by the Corporation).

4.2 Voting Rights

Except as otherwise provided herein or as otherwise required by law, the Series A Preferred Shares shall have no voting rights. However, as long as any shares of Series A Preferred Shares are outstanding, the Corporation shall not, without the approval by special resolution of the Holders of the Series A Preferred Shares voting as a separate series, (a) alter or change adversely the rights, privileges, restrictions and conditions given to the Series A Preferred Shares, (b) amend its articles in any manner that adversely affects any rights, privileges, restrictions and conditions of the Series A Preferred Shares, (c) increase the number of authorized shares of Series A Preferred Shares, or (d) enter into any agreement with respect to any of the foregoing.

4.3 Liquidation

Upon any Liquidation, the Holders of the Series A Preferred Shares shall be entitled to receive out of the assets of the Corporation, whether such assets are capital or surplus, for each Series A Preferred Shares an amount equal to \$4.00 per share plus any accrued and unpaid dividends thereon before any distribution or payment shall be made to the holders of any Common Shares or hereinafter issued preferred shares of any other class or series. Upon any Liquidation, and after full payment as provided in this Section 4.3, the remaining assets of the Corporation shall be available to be distributed to all holders of the Common Shares and other shares of the Corporation.

4.4 Conversion

(1) Conversions at Option of Holder. Subject to the provisions of this Section 4.4, each Series A Preferred Share shall be convertible, at any time and from time to time from and after the Effective Date, at the option of the Holder thereof, provided that the Share Price is not less than \$4.00. Holders shall effect conversions by providing the Corporation with a Notice of Conversion. Each Notice of Conversion shall specify the number of Series A Preferred Shares to be converted, the number of Series A Preferred Shares owned prior to the conversion at issue, the number of Series A Preferred Shares owned subsequent to the conversion at issue and the Conversion Date. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. To effect conversions of Series A Preferred Shares, a Holder shall not be required to surrender the certificate(s) representing such Series A Preferred Shares to the Corporation unless all of the Series A Preferred Shares represented thereby are so converted, in which case such Holder shall deliver the certificate representing such shares of Series A Preferred Shares promptly following the Conversion Date at issue. Series A Preferred Shares converted into Common Shares or redeemed in accordance with the terms hereof shall be cancelled and shall not be reissued.

(2) Series A Conversion Ratio. The conversion ratio for the Series A Preferred Shares shall be 1 Common Share for 1 Series A Preferred Share (the “**Series A Conversion Ratio**”).

(3) Beneficial Ownership Limitation. The Corporation shall not effect any conversion of Series A Preferred Shares, and a Holder shall not have the right to convert any portion of the Series A Preferred Shares, to the extent that, after giving effect to the conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder’s affiliates, and any other person or entity acting as a group together with such Holder or any of such Holder’s affiliates) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Common Shares beneficially owned by such Holder and its affiliates shall include the number of Common Shares issuable upon conversion of the Series A Preferred Shares with respect to which such determination is being made, but shall exclude the number of Common Shares which are issuable upon (A) conversion of the remaining, unconverted Series A Preferred Shares beneficially owned by such Holder or any of its affiliates, and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation subject to a limitation on conversion or exercise analogous to the limitation contained herein (including any warrants) beneficially owned by such Holder or any of its affiliates. Except as set forth in the preceding sentence, for purposes of this Section 4.4(3), beneficial ownership shall be calculated in accordance with Section 13(d) of the *Securities Exchange Act of 1934*, as amended, and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 4.4(3) applies, the determination of whether the Series A Preferred Shares are convertible (in relation to other securities owned by such Holder together with any affiliates) and of how many Series A Preferred Shares are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder’s determination of whether the Series A Preferred Shares may be converted (in relation to other securities owned by such Holder together with any affiliates) and how many Series A Preferred Shares are convertible, in each case subject to the Beneficial Ownership Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Corporation each time he or she delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this Section 4.4(3) and the Corporation shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the *Securities Exchange Act of 1934*, as amended, and the rules and regulations promulgated thereunder. For purposes of this Section 4.4(3), in determining the number of outstanding Common Shares, a Holder may rely on the number of outstanding Common Shares as stated in the most recent of the following: (A) the Corporation’s most recent periodic or annual filing with the Securities and Exchange Commission, as the

case may be, (B) a more recent public announcement by the Corporation or (C) a more recent notice by the Corporation or the Corporation's transfer agent setting forth the number of Common Shares outstanding. Upon the written or oral request of a Holder, the Corporation shall within two (2) Trading Days confirm orally and in writing to such Holder the number of Common Shares then outstanding. In any case, the number of outstanding Common Shares shall be determined after giving effect to the conversion or exercise of securities of the Corporation, including the Series A Preferred Shares, by such Holder or its affiliates since the date as of which such number of outstanding shares of Common Shares was reported. A Holder, upon not less than 61 days' prior notice to the Corporation, may increase or decrease the Beneficial Ownership Limitation applicable to his or her Series A Preferred Shares. Any such increase or decrease will not be effective until the 61st day after such notice is delivered to the Corporations and shall only apply to such Holder and no other Holder. The provisions of this Section 4.4(3) shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 4.4(3) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this Section 4.4(3) shall apply to a successor holder of Series A Preferred Shares.

(4) Mechanics of Conversion.

- (a) Delivery of Certificate Upon Conversion. Not later than three (3) Trading Days after each Conversion Date, the Corporation shall deliver, or cause to be delivered, to the converting Holder a certificate or certificates which, on or after the Effective Date, shall contain appropriate restrictive legends and trading restrictions representing the number of Conversion Shares being acquired upon the conversion of Series A Preferred Shares. On or after the Conversion Date, the Corporation shall, upon request of such Holder, use its best efforts to deliver any certificate or certificates required to be delivered by the Corporation under this Section 4.4(4) electronically through the Depository Trust Company or another established clearing corporation performing similar functions. If in the case of any Notice of Conversion such certificate or certificates are not delivered to or as directed by the applicable Holder by the third Trading Day after the Conversion Date, the applicable Holder shall be entitled to elect to rescind such Conversion Notice by written notice to the Corporation at any time on or before its receipt of such certificate or certificates, in which event the Corporation shall promptly return to such Holder any original Series A Preferred Share certificates delivered to the Corporation and such Holder shall promptly return to the Corporation any Common Share certificates representing the Series A Preferred Shares unsuccessfully tendered for conversion to the Corporation.
- (b) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued Common Shares for the sole purpose of issuance upon conversion of the Series A Preferred Shares and payment of dividends on the Series A Preferred Shares, each as herein provided, free from pre-emptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series A Preferred Shares, not less than such aggregate number of Common Shares as shall be issuable (taking into account the adjustments of Section 4.5) upon the conversion of all outstanding Series A Preferred Shares. The Corporation covenants that all shares of Common Shares that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable.
- (c) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Series A Preferred Shares. As to any fraction of a

share which a Holder would otherwise be entitled to purchase upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.

- (d) Transfer Taxes. The issuance of certificates for shares of the Common Shares on conversion of Series A Preferred Shares shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates, provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the Holders of such Series A Preferred Shares and the Corporation shall not be required to issue or deliver such certificates unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

4.5 Certain Adjustments

(1) Stock Dividends and Shares Splits. If the Corporation, at any time while any Series A Preferred Shares are outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in Common Shares on the Common Shares or any other Common Shares Equivalents (which, for avoidance of doubt, shall not include any Common Shares issued by the Corporation upon conversion of, or payment of a dividend on, Series A Preferred Shares); (B) subdivides outstanding Common Shares into a larger number of shares; (C) combines (including by way of a reverse share split or share consolidation) outstanding Common Shares into a smaller number of shares; or (D) issues, in the event of a reclassification of Common Shares, any shares of any class or series in the capital stock of the Corporation, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of Common Shares (excluding any unissued shares of the Corporation) outstanding immediately before such event and of which the denominator shall be the number of Common Shares, or in the event that Section 4.5(1)(D) shall apply reclassified shares of any class or series in the capital stock of the Corporation, outstanding immediately after such event. Any adjustment made pursuant to this Section 4.5(1) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(2) Fundamental Transaction. Upon the occurrence of a Fundamental Transaction at any time while any Series A Preferred Shares are outstanding, then, upon any subsequent conversion of Series A Preferred Shares, each Holder shall have the right to receive Alternate Consideration for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction. For purposes of any such conversion, the determination of the Series A Conversion Ratio shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Common Shares in such Fundamental Transaction, and the Corporation shall adjust the Series A Conversion Ratio in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration he or she receives upon any conversion of Series A Preferred Shares following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file articles of amendment (or comparable constating document) with the same terms and conditions and issue to the Holders new preferred shares consistent with the foregoing provisions and evidencing the Holders' right to convert

such preferred shares into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 4.5(2) and ensuring that Series A Preferred Shares (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(3) Calculations. All calculations under this Section 4.5 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 4.5, the number of Common Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Common Shares (excluding any unissued shares of the Corporation) issued and outstanding.

(4) Notice to the Holders.

(a) Adjustment to Conversion Price. Whenever the Series A Conversion Ratio is adjusted pursuant to any provision of this Section 4.5, the Corporation shall promptly deliver to each Holder a notice setting forth the Series A Conversion Ratio after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(b) Notice to Allow Conversion by Holder. If (A) the Corporation shall declare a dividend (or any other distribution in whatever form) on the Common Shares, (B) the Corporation shall declare a special nonrecurring cash dividend on or a redemption of the Common Shares, (C) the Corporation shall authorize the granting to all holders of the Common Shares of rights or warrants to subscribe for or purchase any shares of any class or series in the capital stock of the Corporation or of any rights, privileges, restrictions and conditions (D) the approval of any shareholders of the Corporation shall be required in connection with any reclassification of the Common Shares, any amalgamation or arrangement to which the Corporation is a party, any sale or transfer of all or substantially all of the assets of the Corporation, of any compulsory share exchange whereby the Common Shares are converted into other securities, cash or property or (E) the Corporation shall authorize the voluntary or involuntary Liquidation of the Corporation, then, in each case, the Corporation shall cause to be filed at each office or agency maintained for the purpose of conversion of Series A Preferred Shares, and shall cause to be delivered to each Holder at such Holder's last address as it shall appear upon the securities register of the Corporation, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Shares of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, amalgamation, arrangement, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Shares of record shall be entitled to exchange their shares of the Common Shares for securities, cash or other property deliverable upon such reclassification, amalgamation, arrangement, sale, transfer or share exchange, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder is entitled to convert Series A Preferred Shares (or any part hereof) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice.

4.6 Miscellaneous

(2) Absolute Obligation. Except as expressly provided herein, no provision of the Share Provisions shall alter or impair the obligation of the Corporation, which is absolute and unconditional, to pay liquidated damages, accrued dividends and accrued interest, as applicable, on the Series A Preferred Shares at the time, place, and rate, and in the coin or currency, herein prescribed.

(3) Lost or Mutilated Preferred Shares Certificate. If a Holder's Series A Preferred Share certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the Series A Preferred Shares so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership hereof reasonably satisfactory to the Corporation.

Each party agrees that all legal proceedings concerning the interpretation and enforcement of these Share Provisions (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the Court.

(5) Waiver. Any waiver by the Corporation or a Holder of a breach of any provision of these Share Provisions shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of these Share Provisions or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of these Share Provisions on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of these Share Provisions. Any waiver by the Corporation or a Holder must be in writing.

SECTION 5 - SERIES B PREFERRED SHARES

5.1 Dividends

The Holders shall be entitled to receive, when, as and if declared by the Board of Directors, out of any funds and assets of the Corporation legally available, dividends at an annual rate of \$0.256 on each Series B Preferred Share. Dividends shall be cumulative and shall accrue on each share of the outstanding Series B Preferred Share from the date of its issue by DecisionPoint (or if such shares are issued after the Effective Date, the issue by the Corporation).

5.2 Voting Rights

Except as otherwise provided herein or as otherwise required by law, the Series B Preferred Shares shall have no voting rights. However, as long as any shares of Series B Preferred Shares are outstanding, the Corporation shall not, without the approval by special resolution of the Holders of the Series B Preferred Shares voting as a separate series, (a) alter or change adversely the rights, privileges, restrictions and conditions given to the Series B Preferred Shares, (b) amend its articles in any manner that adversely affects any rights, privileges, restrictions and conditions of the Series B Preferred Shares, (c) increase the number of authorized shares of Series B Preferred Shares, or (d) enter into any agreement with respect to any of the foregoing.

5.3 Liquidation

Upon any Liquidation, the Holders of the Series B Preferred Shares shall be entitled to receive out of the assets of the Corporation, whether such assets are capital or surplus, for each Series B Preferred Share an amount equal to \$3.20 per share plus any accrued and unpaid dividends thereon before any distribution or payment shall be made to the holders of any Common Shares or hereinafter issued preferred shares of any other class or series. Upon any Liquidation, and after full payment as provided in this Section 5.3, the remaining assets of the Corporation shall be available to be distributed to all holders of the Common Shares and other shares of the Corporation.

5.4 Conversion

(1) Conversions at Option of Holder. Subject to the provisions of this Section 5.4, each Series B Preferred Share shall be convertible, at any time and from time to time from and after the Effective Date, at the option of the Holder thereof, provided that the Share Price is not less than \$3.20. Holders shall effect conversions by providing the Corporation with a Notice of Conversion. Each Notice of Conversion shall specify the number of Series B Preferred Shares to be converted, the number of Series B Preferred Shares owned prior to the conversion at issue, the number of Series B Preferred Shares owned subsequent to the conversion at issue and the Conversion Date. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. To effect conversions of Series B Preferred Shares, a Holder shall not be required to surrender the certificate(s) representing such Series B Preferred Shares to the Corporation unless all of the Series B Preferred Shares represented thereby are so converted, in which case such Holder shall deliver the certificate representing such shares of Series B Preferred Shares promptly following the Conversion Date at issue. Series B Preferred Shares converted into Common Shares or redeemed in accordance with the terms hereof shall be cancelled and shall not be reissued.

(2) Series B Conversion Ratio. The conversion ratio for the Series B Preferred Shares shall be 1 Common Share for 1 Series B Preferred Share (the "**Series B Conversion Ratio**").

(3) Beneficial Ownership Limitation. The Corporation shall not effect any conversion of Series B Preferred Shares, and a Holder shall not have the right to convert any portion of the Series B Preferred Shares, to the extent that, after giving effect to the conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's affiliates, and any other person or entity acting as a group together with such Holder or any of such Holder's affiliates) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Common Shares beneficially owned by such Holder and its affiliates shall include the number of Common Shares issuable upon conversion of the Series B Preferred Shares with respect to which such determination is being made, but shall exclude the number of Common Shares which are issuable upon (A) conversion of the remaining, unconverted Series B Preferred Shares beneficially owned by such Holder or any of its affiliates, and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation subject to a limitation on conversion or exercise analogous to the limitation contained herein (including any warrants) beneficially owned by such Holder or any of its affiliates. Except as set forth in the preceding sentence, for purposes of this Section 5.4(3), beneficial ownership shall be calculated in accordance with Section 13(d) of the *Securities Exchange Act of 1934*, as amended, and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 5.4(3) applies, the determination of whether the Series B Preferred Shares are convertible (in relation to other securities owned by such Holder together with any affiliates) and of how many Series B Preferred Shares are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder's determination of whether the Series B Preferred Shares may be converted (in relation to other securities owned by such Holder together with any affiliates) and how many Series B Preferred Shares are convertible, in each case subject to the Beneficial Ownership Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Corporation each time he or she delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this Section 5.4(3) and the Corporation shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the *Securities Exchange Act of 1934*, as amended, and the rules and regulations promulgated thereunder. For purposes of this Section 5.4(3), in determining the number of outstanding Common Shares, a Holder may rely on the number of outstanding Common Shares as stated in the most recent of the following: (A) the Corporation's most recent periodic or annual filing with the Securities and Exchange Commission, as the case may be, (B) a more recent public announcement by the Corporation or (C) a more recent notice by the Corporation or the Corporation's transfer agent setting forth the number of Common Shares outstanding. Upon the written or oral request of a Holder, the Corporation shall within two (2) Trading Days confirm orally and in writing to such Holder the number of Common Shares then outstanding. In any case, the number of outstanding Common Shares shall be determined after giving effect to the conversion or exercise of securities of the Corporation, including the Series B Preferred Shares, by such Holder or its affiliates since the date as of which such number of outstanding shares of Common Shares was reported. A Holder, upon not less than 61 days' prior notice to the Corporation, may increase or decrease the Beneficial Ownership Limitation applicable to his or her Series B Preferred Shares. Any such increase or decrease will not be effective until the 61st day after such notice is delivered to the Corporation and shall only apply to such Holder and no other Holder. The provisions of this Section 5.4(3) shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 5.4(3) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this Section 5.4(3) shall apply to a successor holder of Series B Preferred Shares.

(4) Mechanics of Conversion.

- (a) Delivery of Certificate Upon Conversion. Not later than three (3) Trading Days after each Conversion Date, the Corporation shall deliver, or cause to be delivered, to the converting Holder a certificate or certificates which, on or after the Effective Date, shall contain appropriate restrictive legends and trading restrictions representing the number of Conversion Shares being acquired upon the conversion of Series B Preferred Shares. On or after the Conversion Date, the Corporation shall, upon request of such Holder, use its best efforts to deliver any certificate or certificates required to be delivered by the Corporation under this Section 5.4(4) electronically through the Depository Trust Company or another established clearing corporation performing similar functions. If in the case of any Notice of Conversion such certificate or certificates are not delivered to or as directed by the applicable Holder by the third Trading Day after the Conversion Date, the applicable Holder shall be entitled to elect to rescind such Conversion Notice by written notice to the Corporation at any time on or before its receipt of such certificate or certificates, in which event the Corporation shall promptly return to such Holder any original Series B Preferred Share certificates delivered to the Corporation and such Holder shall promptly return to the Corporation any Common Share certificates representing the Series B Preferred Shares unsuccessfully tendered for conversion to the Corporation.
- (b) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued Common Shares for the sole purpose of issuance upon conversion of the Series B Preferred Shares and payment of dividends on the Series B Preferred Shares, each as herein provided, free from pre-emptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series B Preferred Shares, not less than such aggregate number of Common Shares as shall be issuable (taking into account the adjustments of Section 5.5) upon the conversion of all outstanding Series B Preferred Shares. The Corporation covenants that all shares of Common Shares that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable.
- (c) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Series B Preferred Shares. As to any fraction of a share which a Holder would otherwise be entitled to purchase upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.
- (d) Transfer Taxes. The issuance of certificates for shares of the Common Shares on conversion of Series B Preferred Shares shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates, provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the Holders of such Series B Preferred Shares and the Corporation shall not be required to issue or deliver such certificates unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

5.5 Certain Adjustments

(1) Stock Dividends and Shares Splits. If the Corporation, at any time while any Series B Preferred Shares are outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in Common Shares on the Common Shares or any other Common Shares Equivalents (which, for avoidance of doubt, shall not include any Common Shares issued by the Corporation upon conversion of, or payment of a dividend on, Series B Preferred Shares); (B) subdivides outstanding Common Shares into a larger number of shares; (C) combines (including by way of a reverse share split or share consolidation) outstanding Common Shares into a smaller number of shares; or (D) issues, in the event of a reclassification of Common Shares, any shares of any class or series in the capital stock of the Corporation, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of Common Shares (excluding any unissued shares of the Corporation) outstanding immediately before such event and of which the denominator shall be the number of Common Shares, or in the event that Section 5.5(1)(D) shall apply reclassified shares of any class or series in the capital stock of the Corporation, outstanding immediately after such event. Any adjustment made pursuant to this Section 5.5(1) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(2) Fundamental Transaction. Upon the occurrence of a Fundamental Transaction at any time while any Series B Preferred Shares are outstanding, then, upon any subsequent conversion of Series B Preferred Shares, each Holder shall have the right to receive Alternate Consideration for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction. For purposes of any such conversion, the determination of the Series B Conversion Ratio shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Common Shares in such Fundamental Transaction, and the Corporation shall adjust the Series B Conversion Ratio in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration he or she receives upon any conversion of Series B Preferred Shares following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file articles of amendment (or comparable constating document) with the same terms and conditions and issue to the Holders new preferred shares consistent with the foregoing provisions and evidencing the Holders' right to convert such preferred shares into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 5.5(2) and ensuring that Series B Preferred Shares (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(3) Calculations. All calculations under this Section 5.5 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 5.5, the number of Common Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Common Shares (excluding any unissued shares of the Corporation) issued and outstanding.

(4) Notice to the Holders.

(a) Adjustment to Conversion Price. Whenever the Series B Conversion Ratio is adjusted pursuant to any provision of this Section 5.5, the Corporation shall promptly deliver to

each Holder a notice setting forth the Series B Conversion Ratio after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

- (b) Notice to Allow Conversion by Holder. If (A) the Corporation shall declare a dividend (or any other distribution in whatever form) on the Common Shares, (B) the Corporation shall declare a special nonrecurring cash dividend on or a redemption of the Common Shares, (C) the Corporation shall authorize the granting to all holders of the Common Shares of rights or warrants to subscribe for or purchase any shares of any class or series in the capital stock of the Corporation or of any rights, privileges, restrictions and conditions (D) the approval of any shareholders of the Corporation shall be required in connection with any reclassification of the Common Shares, any amalgamation or arrangement to which the Corporation is a party, any sale or transfer of all or substantially all of the assets of the Corporation, of any compulsory share exchange whereby the Common Shares are converted into other securities, cash or property or (E) the Corporation shall authorize the voluntary or involuntary Liquidation of the Corporation, then, in each case, the Corporation shall cause to be filed at each office or agency maintained for the purpose of conversion of Series B Preferred Shares, and shall cause to be delivered to each Holder at such Holder's last address as it shall appear upon the securities register of the Corporation, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Shares of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, amalgamation, arrangement, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Shares of record shall be entitled to exchange their shares of the Common Shares for securities, cash or other property deliverable upon such reclassification, amalgamation, arrangement, sale, transfer or share exchange, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder is entitled to convert Series B Preferred Shares (or any part hereof) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice.

Every Director and officer of the Corporation in exercising his or her powers and discharging his or her duties to the Corporation shall act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Subject to the foregoing, no Director or officer shall be liable for the acts, omissions, failures, neglects or defaults of any other Director, officer or employee, or for joining in any act for conformity, or for any loss, damage or expense suffered or incurred by the Corporation through the insufficiency or deficiency of title to any property acquired by the Corporation or for or on behalf of the Corporation, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Corporation shall be invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any of the moneys, securities or effects of the Corporation shall be

deposited, or for any loss occasioned by any error of judgment or oversight on his or her part, or for any other loss, damage or misfortune which shall happen in the execution of the duties of his or her office or in relation thereto. Nothing herein shall relieve any Director or officer from the duty to act in accordance with the Act and the regulations thereunder or from liability for any breach thereof.

5.2 Indemnity

(1) The Corporation shall indemnify a Director or officer of the Corporation, a former Director or officer or a person who acts or acted at the Corporation's request or another individual who acts or acted at the Corporation's request as a Director or officer (or an individual acting in similar capacity) of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Corporation or other entity.

(2) The Corporation shall advance moneys to a Director, officer or other individual for the costs, charges and expenses of a proceeding referred to in Section 5.2(1). The individual shall repay the moneys if he or she does not fulfil the conditions of Section 5.2(1).

(3) The Corporation shall not indemnify an individual under Sections 5.2(1) or (2) unless he or she:

- (a) acted honestly and in good faith with a view to the best interests of the Corporation or, as the case may be, to the best interests of the other entity for which he or she acted as a director or officer in a similar capacity at the Corporation's request; and

(4) The Corporation shall also indemnify the individual referred to in Section 5.2(1) in such other circumstances as the Act or law permits or requires. Nothing in these By-laws shall limit the right of any person entitled to indemnity to claim indemnity apart from the provisions of these By-laws.

5.3 Insurance

Subject to the Act, the Corporation may purchase and maintain such insurance for the benefit of any individual referred to in Section 5.2(1) as the Board may from time to time determine.

6.2 Registration of Transfers

Subject to the *Securities Transfer Act, 2006* (Ontario), no transfer of a share shall be registered in a securities register except on presentation of the certificate, if any issued by the Corporation, representing

the share with an endorsement which complies with the *Securities Transfer Act, 2006* (Ontario) made on or delivered with it duly executed by an appropriate person as provided by the *Securities Transfer Act, 2006* (Ontario) together with such reasonable assurance that the endorsement is genuine and effective as the Board may from time to time prescribe, on payment of all applicable taxes and any reasonable fees prescribed by the Board, on compliance with the restrictions on issue, transfer or ownership authorized by the Articles or any Unanimous Shareholder Agreement and on satisfaction of any lien referred to in Section 6.4(1).

6.3 Security Certificates

(1) Subject to Section 6.3(1), every holder of one or more securities of the Corporation shall be entitled, at his or her option, to a security certificate, stating the number and class or series of securities held by him or her as shown in the securities register. Unless otherwise ordered by the Board, any such certificate shall be signed manually by at least one of the Directors or officers of the Corporation.

(2) Unless otherwise provided in the Articles, the Board may provide by resolution that any or all classes and series of shares or other securities shall be uncertificated securities, provided that such resolution shall not apply to securities represented by a certificate until such certificate is surrendered to the Corporation.

6.4 Lien for Indebtedness

(1) Except with respect to any class or series of shares listed and posted for trading on any stock exchange in or outside Canada, the Corporation shall have a lien on shares registered in the name of a Defaulting Shareholder for any Shareholder Debt.

(2) If any Defaulting Shareholder defaults in the payment due in respect of any Shareholder Debt when the same becomes due and payable and continues in default for a period of 15 days after the Corporation has given notice in writing of such default to the Defaulting Shareholder:

- (a) the Corporation may sell all or any part of the Liened Shares at a *bona fide* public or private sale or auction;
- (b) the terms and manner of the auction or sale shall be in the sole discretion of the Corporation;
- (c) the Corporation may accept any offer that it in its absolute discretion considers advisable upon such terms, whether for cash or credit or partly cash and partly credit, as it in its discretion considers advisable;
- (d) notice of any public or private sale or auction shall be given to the Defaulting Shareholder at least 15 days prior to the date on which such sale is held;
- (e) the proceeds of such sale shall be used and applied in descending order as follows:
 - (i) first, to the cost and expense of such sale incurred by the Corporation, including legal fees, disbursements and charges;

- (ii) second, to reimburse the Corporation for out-of-pocket expenses incurred in connection with the sale;
- (iii) third, for the payment in full of the Shareholder Debt and all other sums due to the Corporation by the Defaulting Shareholder; and
- (iv) the balance, if any, to the Defaulting Shareholder;
- (f) if the proceeds of the sale are insufficient to pay the Shareholder Debt, the Defaulting Shareholder shall remain liable for any such deficiency;
- (g) the Corporation may apply any dividends or other distributions paid or payable on or in respect of the Liened Shares in repayment of the Shareholder Debt;
- (h) where the Liened Shares are redeemable pursuant to the Articles or may be repurchased at a price determined pursuant to the terms of any Unanimous Shareholder Agreement, the Corporation may redeem or repurchase all or any part of the Liened Shares and apply the redemption or repurchase price to the Shareholder Debt; and
- (i) the Corporation may refuse to register a transfer of all or part of the Liened Shares until the Shareholder Debt is paid.

(3) In exercising one or more of the rights granted in Section 6.4(2), the Corporation shall not thereby prejudice or surrender any other rights of enforcement of its lien which may by law be available to it, or any other remedy available to the Corporation for collection of the Shareholder Debt, and the Defaulting Shareholder shall remain liable for any deficiency remaining.

SECTION 7 – MEETINGS OF SHAREHOLDERS

7.1 Chair and Secretary

The chair of any meeting of shareholders shall be the first mentioned of such of the following officers as have been appointed and who is present at the meeting: chair of the Board; managing director; president; or a vice-president who is a shareholder. If no such officer is present within 15 minutes from the time fixed for holding the meeting, the persons present and entitled to vote shall choose one of their number to be chair. If the secretary of the Corporation is absent, the chair shall appoint some person, who need not be a shareholder, to act as secretary of the meeting. If desired, one or more scrutineers, who need not be shareholders, may be appointed by a resolution or by the chair with the consent of the meeting.

7.2 Persons Entitled to be Present

The only persons entitled to be present at a meeting of the shareholders shall be those entitled to attend or vote at the meeting, the Directors, auditor, legal counsel of the Corporation and others who, although not entitled to attend or vote, are entitled or required under any provision of the Act, the Articles, By-laws or Unanimous Shareholder Agreement to be present at the meeting. Any other person may be admitted only on the invitation of the chair of the meeting or with the consent of the meeting.

7.3 Quorum

Subject to any Unanimous Shareholder Agreement, a quorum of shareholders is present at a meeting of shareholders irrespective of the number of persons actually present at the meeting, if, in the case of an

offering corporation, two or more holders of shares carrying not less in aggregate than 10% of the votes entitled to be voted at the meeting are present in person or represented by proxy and, in the case of any other corporation, the holders of a majority of the shares entitled to vote at the meeting are present in person or represented by proxy. A quorum need not be present throughout the meeting provided that a quorum is present at the opening of the meeting. If a quorum is not present at the time appointed for the meeting or within a reasonable time after that the shareholders may determine, the shareholders present or represented may adjourn the meeting to a fixed time and place but may not transact any other business.

7.4 Votes to Govern

At any meeting of shareholders, every question shall, unless otherwise required by the Articles, By-laws, any Unanimous Shareholder Agreement or by law, be determined by a majority of the votes cast on the question.

7.5 Casting Vote

Subject to any Unanimous Shareholder Agreement, in case of an equality of votes at any meeting of shareholders either on a show of hands or on a poll, the chair of the meeting shall not be entitled to a second or casting vote.

7.6 Show of Hands

Subject to the Act, any question at a meeting of shareholders shall be decided by a show of hands, unless a ballot is required or demanded as provided. On a show of hands, every person who is present and entitled to vote shall have one vote. Whenever a vote by show of hands has been taken on a question, unless a ballot is required or demanded, a declaration by the chair of the meeting that the vote on the question has been carried or carried by a particular majority or not carried and an entry to that effect in the minutes of the meeting shall be *prima facie* evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against any resolution or other proceeding in respect of the question, and the result of the vote so taken shall be the decision of the shareholders on the question.

7.7 Ballots

On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken on it, the chair may require a ballot or any person who is present and entitled to vote on the question at the meeting may demand a ballot. A ballot so required or demanded shall be taken in such manner as the chair shall direct. A requirement or demand for a ballot may be withdrawn at any time before the ballot is taken. If a ballot is taken, each person present shall be entitled, in respect of the shares which he or she is entitled to vote at the meeting on the question, to that number of votes provided by the Act or the Articles, and the result of the ballot so taken shall be the decision of the shareholders on the question.

7.8 Only One Shareholder

Where the Corporation has only one shareholder or only one holder of any class or series of shares, the shareholder present in person or duly represented constitutes a meeting.

SECTION 8 – EFFECTIVE DATE

8.1 Effective Date

Subject to the Act, any question at a meeting of shareholders shall be decided by a show of hands, unless a ballot is required or demanded as provided. On a show of hands, every person who is present and entitled to vote shall have one vote. Whenever a vote by show of hands has been taken on a question, unless a ballot is required or demanded, a declaration by the chair of the meeting that the vote on the question has been carried or carried by a particular majority or not carried and an entry to that effect in the minutes of the meeting shall be *prima facie* evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against any resolution or other proceeding in respect of the question, and the result of the vote so taken shall be the decision of the shareholders on the question.

7.7 Ballots

On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken on it, the chair may require a ballot or any person who is present and entitled to vote on the question at the meeting may demand a ballot. A ballot so required or demanded shall be taken in such manner as the chair shall direct. A requirement or demand for a ballot may be withdrawn at any time before the ballot is taken. If a ballot is taken, each person present shall be entitled, in respect of the shares which he or she is entitled to vote at the meeting on the question, to that number of votes provided by the Act or the Articles, and the result of the ballot so taken shall be the decision of the shareholders on the question.

7.8 Only One Shareholder

Where the Corporation has only one shareholder or only one holder of any class or series of shares, the shareholder present in person or duly represented constitutes a meeting.
