Form 10-K for the Fiscal Year Ended August 31, 2008
Filed December 1, 2008
File No. 1-33868**

Dear Mr. Turfitt:

We have limited our review of your filing to disclosure relating to your contacts with a country that has been identified as a state sponsor of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comment or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note the disclosure on page 45 of your Form 10-K that one of the high-risk countries where you may operate is Iran. That country is identified by the State Department as a state sponsor of terrorism, and is subject to U.S. economic sanctions and export controls. We note that your Form 10-K does not include any disclosure regarding contacts with Iran. Please describe to us the nature and extent of any past, current, and anticipated contacts with Iran, whether through direct or indirect arrangements. Your response should describe any agreements, commercial arrangements, or other contracts you have had, or intend to have, directly or indirectly, with the government of Iran or entities controlled by that government.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comments on your filings.
