Re: Legal Opinion Pursuant to SEC Form SB-2
Registration Statement – Bonfire Productions, Inc.

Dear Mr. Kulyashov:

You have requested my opinion as special counsel for Bonfire Productions, Inc., a Nevada corporation (the "Company") for the limited purpose of rendering this opinion in connection with the Company's Registration Statement on Form SB-2 and the Prospectus included therein (collectively the "Registration Statement") relating to a proposed offering by the Company to the public of a minimum of 3,000,000 and a maximum of 20,000,000 shares of the Company's Common Stock, \$.001 par value (the "Shares"), to be filed with the Securities and Exchange Commission.

The following opinion is based upon the Securities Act of 1933 as amended (the "Act") and Nevada securities laws, including without limitation, the statutory provisions, all applicable provisions of the Nevada constitution and reported judicial decisions interpreting those laws.

The Shares are to be offered by the Company in a best efforts, direct public offering without any involvement of underwriters, as described in the Registration Statement. We have examined originals or copies, certified or otherwise identified to our satisfaction, of such corporate records, certificates and written and oral statements of officers and accountants of the Company and of public officials, and other documents that we have considered necessary and appropriate for this opinion.

Upon the basis of the foregoing, we are of the opinion that the Shares, when sold pursuant to and in accordance with the Registration Statement and the documents described therein, will be validly issued, fully paid and nonassessable.

Mr. Kulyashov
