Engineering Comments

1. Your response 4 to our September 22, 2009 letter proposes prospective compliance, noting that "The correct amount of purchased reserves is disclosed elsewhere in the Form 10-K/A". Amend the Form 10-K to remove and correct the incorrect amount. We note that the two amounts differ by a factor over 2 ½.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish
