Confidential Draft Registration Statement on Form S-1  
Submitted September 18, 2012  
CIK No. 1407190**

Dear Mr. Basile:

On October 17, 2012, your counsel contacted the staff to inform us that Bloomberg issued a news article reporting that you have filed a registration statement with the Commission under the confidential submission process authorized by the JOBS Act. See Ari Levy, Violin Memory Said to File IPO With \$2 Billion Valuation, Bloomberg, Oct. 17, 2012 (available at <http://www.bloomberg.com/news/2012-10-17/violin-memory-said-to-file-ipo-with-2-billion-valuation.html>). We note the article describes the IPO will result in a \$2 billion valuation and is led by JPMorgan Chase & Co., Deutsche Bank, and Bank of America. The sources for this information are cited as “two people familiar with the matter,” who declined to be named because the prospectus has yet to be publicly disclosed.

As this report has occurred prior to the public filing of your registration statement, please provide us with your analysis as to whether you believe this report and subsequent reports citing the Bloomberg article comport with the requirements of the Securities Act of 1933. As part of your analysis, please explain what measures you and your representatives have taken to ensure that there are no other press reports regarding your confidential submission now and in the future.

If you intend to continue to submit confidential amended draft registration statements for your proposed offering, please respond to our letter by submitting a correspondence in accordance with the guidance we provide in the Division’s October 11, 2012 announcement on the SEC website at <http://www.sec.gov/divisions/corpfin/cfannouncements/drsfilingprocedures101512.htm>. See Adoption of Updated EDGAR Filer Manual, 74 Fed. Reg. 62431 (Oct. 15, 2012) (amending 17 C.F.R. § 232.301).
