Controls and Procedures, page 4

1. It appears your disclosure regarding your disclosure controls and procedures does not provide an effectiveness conclusion. Please refer to Item 307 of Regulation S-K and modify your disclosure to provide a clear statement of the principal executive and principal financial officer's conclusions regarding the effectiveness of the company's disclosure controls and procedures.

Financial Statements

Report of Independent Registered Public Accounting Firm, page F-1

2. It appears the audit opinion filed with your document intends to express a going concern. Please have your independent registered public accounting firm provide you with a report that includes the phrase “substantial doubt” regarding the company’s ability to continue as a going concern. Please refer to paragraph 12 of AU 341 for guidance.
3. We note the audit opinion included in your filing refers to the report of other auditors. We further note that your current opinion does not provide coverage of the inception-to-date period included in your financial statements. Please note that auditor association with the accumulated data is required on an annual basis as long as the company is in the development stage. Further, it appears your current auditor is referring to a predecessor auditor having audited a portion of the cumulative data. As such, the audit opinion of the predecessor auditor is required to be included in your filing. Please refer to Rule 2-05 of Regulation S-X and AU 543 for additional guidance.

General

4. Please remove the quarterly information for the three months ended December 31, as this data is not required or contemplated for your annual report on Form 10-K.
