Detailed Info

Website:
<http://www.SharedValuesFund.com>

Company Overview:
The American-Israeli Shared Values Capital Appreciation Fund (ticker AISHX) is the no-load mutual fund founded on the desire to support the State of Israel and provide long-term capital appreciation to investors.

The Fund provides investors with a vehicle to invest in the dynamic Israeli economy and rewards U.S. companies that do business in Israel.

The people of the United States and Israel have a long history of shared values. Americans and Israelis value democracy, entrepreneurship,... [\(read more\)](#)
In addition, the Advisor to the Fund, AmerIsrael Capital Management, LLC, will donate 7% of it annual income, or a minimum of \$5,000 per year to charities, educational and research institutions in Israel.

In 2009, the Advisor made donations to the Jewish National Fund (JNF), The Weizmann Institute of Science, Magen David Adom, Friends of the Israel Defense Forces, and The Hebrew University.

*All of AmerIsrael Capital Management's charitable contributions are made with the portfolio manager's personal funds. The contributions do not come out of the mutual fund or from you, the Fund shareholder.

Mission:
In addition, the Advisor to the Fund, AmerIsrael Capital Management, LLC, will donate 7% of it annual income, or a minimum of \$5,000 per year to charities, educational and research institutions in Israel.
