## Amendment No. 1 to Registration Statement on Form S-3

## Risk Factors, page 5

1. We note your response to our prior comment 2. Please revise the second risk factor on page 20 to discuss how the funds' early move to the September 2020 contract, which was near the time of the Oil Subindex's early roll to the September contract, impacted performance, relative to what performance would have been if the benchmark had not changed.
