Re: Navios Maritime Partners L.P.
Form 20-F for the Year Ended December 31, 2014
Filed March 13, 2015
File No. 001-33811

Dear Mr. Desypris:

We have limited our review of your filing to the financial statements and related disclosures and have the following comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this comment within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Item 5. Operating and Financial Review and Prospects

F. Contractual Obligations and Contingencies, Page 63

1. Please revise to include estimated interest payments on outstanding long-term debt obligations. Because the table is aimed at increasing transparency of cash flows, it appears that interest payments should be disclosed. You may either disclose estimated interest payments in the table of contractual obligations or in a footnote to the table. Additionally, please disclose any assumptions used to arrive at the estimated amounts based on variable rates. Please refer to Item 5.F of the General Instructions to Form 20-F.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
