Management's Discussion and Analysis of Financial Condition and Results of Operations
Non-GAAP Financial Measures, page 42

1. We note your response to prior comment three. Considering the costs in the response appear to be startup costs of new manufacturing lines and appear to represent normal, recurring, cash operating expenses necessary to operate your business, please remove these adjustments from future filings. Refer to Question 100.01 of the Non-GAAP Financial Measures Compliance and Disclosure Interpretations.
