Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. Item 4.01 of Form 8-K Filed December 11, 2009

1. Please revise your disclosure in the first paragraph to state whether Manning Elliott's reports on the financial statements for either of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified or modified as to uncertainty, audit scope, or accounting principles and also describe the nature of each such adverse opinion, disclaimer of opinion, modification, or qualification. Refer to paragraph (a)(2)(ii) of Item 304 of Regulation S-K.

2. Please revise your disclosure in the second paragraph to state whether during the two most recent fiscal years and any subsequent interim period preceding the dismissal on December 2, 2009 there were any disagreements with Manning Elliott. Refer to paragraph (a)(1)(iv) of Item 304 of Regulation S-K.
3. Please revise your disclosure regarding the period during which there was no consultation with LBB & Associates, LLP. This period should include the two most recent fiscal years and the subsequent interim period through the date of the engagement on December 3, 2009. Refer to paragraph (a)(2) of Item 304 of Regulation S-K.
4. Please note that the scaled disclosure and reporting requirements for smaller companies were moved from Regulation S-B into Regulation S-K in rule amendments to provide general regulatory relief and simplification for smaller reporting companies. As such, please revise the reference in the third paragraph to refer to Item 304(a)(1)(iv) of Regulation S-K, and include a reference to Item 304(a)(1)(v) of Regulation S-K as well.
5. Please note that you are required to file an updated letter from your former accountant as an exhibit to any amendment filed in response to our comments. Please ensure that you refer to the correct date of such letter in your disclosure. Refer to Items 304(a)(3) and 601(b)(16) of Regulation S-K.

As appropriate, please amend your filing and respond to these comments within five business days or tell us when you will respond. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information as an EDGAR correspondence file. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings to be certain that the filings include all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
