NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

CAPITAL CITY SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

Note 1 - Summary of Significant Accounting Policies

A. Organization

Capital City Securities, LLC (the Company) was formed as a limited liability company in the State of Ohio in August 2006. The Company has been operating as a broker-dealer registered with the Securities and Exchange Commission (SEC) and the State of Ohio Securities Division since May 29, 2008; it is a member of the Financial Industry Regulatory Authority, Inc. (FINRA).

The Company does not hold customer funds or safe-guard customer securities and clears all transactions on a fully disclosed basis through its clearing firm.

As of December 31, 2018, the Company is licensed in 19 states, including Arizona, California, Colorado, Florida, Hawaii, Illinois, Indiana, Iowa, Kentucky, Massachusetts, Michigan, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Texas and Virginia.

B. Management's Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Cash

The Company maintains cash balances at one bank, one money market account and on deposit with FINRA. The cash balance in the bank was under the federally insured limit of \$250,000 as of December 31, 2018. For purposes of the statement of cash flows, the Company considers all cash in checking accounts, money market accounts and held at FINRA to be cash equivalents.

D. Concentration of Credit Risk

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist principally of cash and commissions receivable. The Company places its cash with high credit quality financial institutions, which at times may be in excess of FDIC insurance limits. The Company's receivables represent commissions from completed securities trades and monies owed it from licensed securities representatives for charges incurred at the firm. All customer transactions are cleared through another broker-dealer on a fully disclosed basis.

Note 1- Summary of Significant Accounting Policies-

E. Advertising Costs

Advertising costs are expensed when incurred. Advertising costs were \$681 and \$416 in 2018 and 2017, respectively. Advertising is included in other expenses.

F. Securities Transactions and Revenue Recognition

Securities transactions, commissions and related clearing expenses are reported on a trade date basis. The change in the resulting difference between cost and market is included in net trading profits in the statement of income. The Company's activities are transacted on either a cash or margin basis. Margin transactions are subject to various regulatory and internal margin requirements and are collateralized by cash and securities in the Company's accounts.

Commission expense is also recorded on a trade-date basis as security transactions occur.

G. Accounts receivable

Accounts receivable are stated at the amount billed. Management individually reviews all receivable balances and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected. In the opinion of the management, all receivables are considered collectable and no allowance was necessary at December 31, 2018.

H. Deposit with Clearing Organization

The deposit with clearing organization consists of \$50,000 on deposit with RBC Dain pursuant to the Company's clearing agreement. As long as the Company continues to use the clearing and execution services of RBC Dain, the Company is required to maintain this fund on deposit.

I. Government and Other Regulations

The Company's business is subject to significant regulation by various governmental agencies and self-regulatory organizations. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the requirements of these organizations. As a registered broker-dealer, the Company is subject to the SEC's Net Capital Rule 15c3-1 which requires that the Company maintains a minimum net capital, as defined [see note 3].

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

Note 2 – Reserve Requirements

The Company is not obligated to report under SEC Rule 15c3-3 since it does not maintain customer accounts or hold securities. All customer transactions are cleared through another broker-dealer on a fully disclosed basis. Therefore, the Company does not have a reserve requirement nor does it have any information relating to the possession or control requirement under Rule 15c3-3.

Note 3 – Net Capital Requirements (Schedules I and III)

Under SEC Rule 15c3-1, the Company is required to maintain net capital of not less than the greater of 6.67% of total aggregate indebtedness liabilities, exclusive of subordinated debt, for the year ended December 31, 2018, \$6,751, or \$5,000. At December 31, 2018 the Company's net capital as defined by SEC Rule 15c3-1 was \$16,103 in excess of the minimum net capital required.

In addition to the minimum net capital provision, SEC Rule 15c3-1 requires that the Company maintain a ratio of aggregate indebtedness, as defined, to capital, of not more than 15 to 1. At December 31, 2018 the ratio was 4.43 to 1.

Note 4 – Related Party Transactions

Capital City Securities, LLC is one of four subsidiaries of the parent company Capital City Partners, Inc. (CCP). Certain expenses are incurred by CCP, which then bills the four subsidiaries based on direct consumption. The expenses relating to these transactions are wages, insurance, rent, utilities, and office expenses. These services accounted for \$17,834 in expenses during the year.

During the year, CCP also received \$171,266 in distributions.

Note 5 – Income Taxes

The Company is recognized as a "pass-through entity" under the Internal Revenue Code and pays no federal and state taxes. The parent company is taxed individually on the Company's taxable income.

The Company recognizes and discloses uncertain tax positions in accordance with accounting principles generally accepted in the United States of America. As of and during the year ended December 31, 2018, the Company did not have a liability for unrecognized tax benefits. The Company is no longer subject to examination by federal and state taxing authorities for returns filed prior to 2015.

CAPITAL CITY SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

Note 6 – Pending Litigation

The Company has no pending litigation.

Note 7 – Recent Accounting Pronouncement

The Company adopts all applicable, new accounting pronouncements as of the specified effective dates.

In May 2014, the Financial Accounting Standards Board ("FASB") issued ASU No. 2014-09, Revenue from Contracts with Customers, as a new Accounting Standards Codification Topic 606 ("ASC Topic 606"), which will supersede nearly all existing revenue recognition guidance under GAAP. The core principal of the new accounting guidance is that an entity should recognize revenue when it transfers promised goods or services to customers in an amount that reflects the Consideration to which the entity expects to be entitled in exchange for those goods or services.

The guidance also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments and assets recognized from costs incurred to obtain or fulfill a contract, where applicable. The standard is effective for us for annual periods beginning January 1, 2018. We adopted ASC Topic 606 as of January 1, 2018. An assessment to determine the impacts of the new accounting standard has been performed. Based on our assessment, the adoption of ASC Topic 606 did not have a material impact on our financial statements.

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies that do not require adoption until a future date are not expected to have a material impact on our financial statements upon adoption.

Note 8 – Subsequent Events

Management has reviewed all events subsequent to December 31, 2018, up to the date of audit report (March 1, 2019) and has not encountered any subsequent events that affect the current financial statements or that require additional disclosure.
