FORM 10-K/A FOR THE YEAR ENDED DECEMBER 31, 2008

General

1. Where a comment below requests additional disclosures or other revisions to be made, please show us in your supplemental response what the revisions will look like. With the exception of the comments below that specifically request an amendment, all other revisions may be included in your future filings. When you file your amended documents, please be sure to include an explanatory note describing the reasons for the amendments.

2. You have responded that you will comply with prior comments 8-11, 15 and 16 in your amended filings. Please tell us when you expect you to file amendments to your December 31, 2008 Form 10-K/A as well as your March 31, 2009 Form 10-Q/A and June 30, 2009 Form 10-Q.

Item 7 – Management’s Discussion and Analysis of Financial Conditions and Plan of Operations, page 6

General

3. We have reviewed your response to prior comment 5. As we previously requested, please discuss in detail the business reasons for the changes between periods in your financial statement line items. In doing so, please disclose the amount of each significant change in line items between periods and the business reasons for it. For example, you should separately discuss the changes between periods in interest income, consulting fees to shareholders, professional fees, and general and administrative expenses. In circumstances where there is more than one business reason for the change, attempt to quantify the incremental impact of each individual business reason discussed on the overall change in the line item. Please show us what your revised MD&A will look like. See Item 303(a)(3) of Regulation S-K.
4. We have reviewed your response to prior comment 6. It is not clear what your proposed disclosures are in response to our comment. As such, please show us in your supplemental response what the revisions will look like regarding the existence and timing of commitments for capital expenditures and other known and reasonably likely cash requirements. Please also disclose the anticipated source of funds you will use to fulfill such commitments. See Item 303(a)(2)(i) of Regulation S-K and Part IV of SEC Interpretive Release No. 33-8350.
5. We have reviewed your response to prior comment 7. Your response indicates that you will revise the liquidity section to provide further discussion of the changes in operating, investing and financing cash flows as depicted in your statement of cash flows. As previously requested, please show us in your supplemental response what the revisions will look like.
6. We have reviewed your response to prior comment 12. We note that the auditor did not believe that their report needed to include a going concern explanatory paragraph. Please show us how you will revise your MD&A in future filings to more clearly explain management’s plans for addressing the accumulated deficits, lack of revenues, minimal cash on hand, negative operating cash flows and limited operating history in order to sustain operations for at least one year from the balance sheet date.
