Dear Ms. Karen Clark:

We have limited our review of your filing to those issues we have addressed in our comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

General

1. We note that you are seeking to increase the number of authorized shares of common stock and "blank check" preferred stock. Please briefly describe the transaction(s) in which you intend to issue the common stock and/or preferred stock. Otherwise, please indicate the reason why it is impracticable to describe the transaction(s) and clearly state the purpose for increasing the number of your authorized common and preferred shares. See Item 11(c) of Schedule 14A and Item 1 of Schedule 14C. Further, please describe the general effect of any future issuance of your common and/or preferred shares upon the rights of security holders. See Item 11(d) of Schedule 14A and Item 1 of Schedule 14C.
