

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON
APPLYING AGREED-UPON PROCEDURES**

To the Board of Directors and Members of Miura Capital, LLC

We have performed the procedures included in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and in the Securities Investor Protection Corporation (SIPC) Series 600 Rules, which are enumerated below on the accompanying General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2022. Management of Miura Capital, LLC (Company) is responsible for its Form SIPC-7 and for its compliance with the applicable instructions on Form SIPC-7.

Management of the Company has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assisting you and SIPC in evaluating the Company's compliance with the applicable instructions on Form SIPC-7 for the year ended December 31, 2022. Additionally, SIPC has agreed to and acknowledged that the procedures performed are appropriate for their intended purpose. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed, and our associated findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences.
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2022, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2022, noting an immaterial difference due to rounding.
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting the following differences:

An understatement of net losses on firm securities investment accounts of \$1,107 and an overstatement of revenue from sale of investment company shares of \$1,906,731, which resulted in an overpayment of \$2,862.

4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were engaged by the Company to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA and in accordance with the standards of the Public Company Accounting Oversight Board (United States). We were not engaged to, and did not conduct an examination or a review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Company's Form SIPC-7 and for its compliance with the applicable instructions on Form SIPC-7 for the year ended December 31, 2022. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the Company and SIPC and is not intended to be, and should not be, used by anyone other than these specified parties.
