Item 9A. Controls and Procedures

1. Please revise this section to include not only your assessment of Internal Control over Financial Reporting, but also your assessment of Disclosure Controls and Procedures, as required by Item 307 of Regulation S-K.

Report of Independent Registered Public Accounting Firm, page F-2

2. Please file an amended Form 10-K to include an accounting report as of and for the period ended December 31, 2007. The report currently included does not reference such date.

Note 2 – Summary of Significant Accounting Practices

Website Costs, page F-8

3. Please tell us how your treatment of website costs is in accordance with EITF 00-2. Include in your response a break down of the particular components of the \$4,000 gross balance and provide us with detailed support for your conclusion that these costs should not have been expensed as incurred.

Certifications

4. Your certifications should be expanded to also address internal control over financial reporting. Refer to Item 4 of the certification and to section (b) thereunder for guidance.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;

- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
