View Partners Capital LLC

**Statement of Financial Condition
December 31, 2023**

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
View Partners Capital LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of View Partners Capital LLC (the "Company") as of December 31, 2023 and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

WithumSmith+Brown, PC

We have served as the Company's auditor since 2015.

Member's equity	<u>416,960</u>
Total liabilities and member's equity	<u>\$ 433,860</u>

The accompanying notes are an integral part of this financial statement.

View Partners Capital LLC

Notes to Financial Statement December 31, 2023

1. Nature of Operations

View Partners Capital LLC (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (the “SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company engages in investment banking services, such as private placement of securities and merger and acquisition advisory services for corporate customers. The Company’s sole member is View Partners LLC.

2. Summary of Significant Accounting Policies

Basis of Presentation

This financial statement was prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from these estimates.

Revenue Recognition

The revenue recognition guidance of Accounting Standards Codification (“ASC”) Topic 606, *Revenue from Contracts with Customers*, requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

The Company provides financing and mergers and acquisitions advisory services. Revenue from advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed (the closing date of the transaction) or when the contract is cancelled. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgment is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Additionally, revenue is recognized once the fee is determinable and collection of the related receivable is reasonably assured. If future collectability from a customer appears uncertain, amounts the Company has included in deferred revenue for this customer will be recognized. Expenses directly associated with such transactions are deferred until the related revenue is recognized or the engagement is otherwise concluded. The total advisory fees of \$147,018 for the year ended December 31, 2023, were recognized at a point in time.

View Partners Capital LLC

Notes to Financial Statement December 31, 2023

2. Summary of Significant Accounting Policies (continued)

Revenue Recognition (continued)

The Company may receive non-refundable advisory fees from customers that exceed revenue earned, resulting in contract liabilities. There were no beginning and ending balances of accounts receivable, contract assets or contract liabilities as of January 1, 2023 or December 31, 2023.

Credit Losses

ASC 326 impacts the impairment model for certain financial assets by requiring a current expected credit loss ("CECL") methodology to estimate expected credit losses over the entire life of the financial asset.

The allowance for credit losses is based on the Company's expectation of the collectability of financial instruments, including fees and other receivables utilizing the CECL framework. The Company considers factors such as historical experience, credit quality, age of balances, and current and future economic conditions that may affect the Company's expectation of the collectability in determining the allowance for credit losses. The Company's expectation is that the credit risk associated with fees and other receivables is not significant until they are 90 days past due based on the contractual arrangement and expectation of collection in accordance with industry standards. There are no receivables at December 31, 2023 and therefore, no allowance for credit losses was deemed necessary.

Income Taxes

The Company is a single member limited liability company and treated as a disregarded entity for income tax reporting purposes. As such, income or loss of the Company, in general, is allocated to the member for inclusion in its income tax return. Accordingly, the Company has not provided for federal, state, or local income taxes.

As of December 31, 2023, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.

Translation of Foreign Currency

Assets and liabilities expected to settle in foreign currencies are translated into United States dollar amounts at the year-end exchange rates. Transactions denominated in foreign currencies, mainly income and expenses, are translated into United States dollar amounts on the transaction date. Adjustments arising from foreign currency translations and transactions are reflected in the statement of operations.

Fixed Assets

Fixed assets are recorded at cost, net of accumulated depreciation, which is calculated on a straight-line basis over their estimated useful lives of three years. Included in fixed assets was computer equipment which was fully depreciated during 2023.

View Partners Capital LLC

Notes to Financial Statement December 31, 2023

3. Regulatory Requirements

The Company is subject to Securities and Exchange Commission (“SEC”) Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2023, the Company had net capital of \$411,322 which exceeded the required net capital by \$406,322.

The Company does not handle cash or securities of customers. Accordingly, it does not have any reserve requirements nor any obligation relating to possession or control with respect to SEC Rule 15c3-3.

4. Commitments

The Company has a month-to-month lease with its landlord and occupies office space pursuant to a cancelable lease agreement. The lease may be cancelled if either party gives two month’s written notice of its intent to terminate, otherwise it renews at a rate of \$2,000 per month plus pro-rata building escalation charges.

5. Off-Balance Sheet Risk and Concentration of Credit Risk

The Company maintains its cash balances at one financial institution, and at times, these balances may exceed the Federal Deposit Insurance Corporation coverage limit of \$250,000. Any loss incurred or lack of access to such funds could have a significant adverse impact on the Company’s financial condition, results from operations, and cash flows.
