Report of Independent Registered Public Accounting Firm

To the Member of
East West Markets, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of East West Markets, LLC (the Company) as of December 31, 2022, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes (the “financial statement”). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures to respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

East West Markets, LLC

Notes to the Financial Statement

December 31, 2022

1. Nature of the Business

East West Markets, LLC (the "Company") is a wholly-owned subsidiary of East West Bancorp, Inc. (the "Parent"). The Company is a non-public broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). As an introducing broker-dealer, the Company does not hold customer funds or securities.

The Company is engaged as a securities broker-dealer dealing in financial advisory services, institutional securities private placements, and merger, acquisitions and divestiture transactions. The Company also acts on a riskless principal basis in securities transactions that are cleared through a non-affiliated broker dealer on a fully disclosed basis. The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that Rule.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Limited Liability

Under the provisions of the Company agreement, no member shall be liable for the debts, liabilities or obligations of the Company beyond such member's respective capital contribution.

Cash

For purposes of the statement of cash flows, cash includes demand deposits held with a financial institution.

Uses of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The allocation of operating expenses from the parent company is a significant estimate. Actual results could differ from those estimates.

Other Assets

Other assets include prepaid expenses of \$9,184 which represent fees paid in advance to regulatory bodies or service providers, most of which relates to FINRA membership renewal, fidelity bond renewal and fees to vendors for compliance software and services.

Accounts Receivable

The Company's accounts receivable at January 1, 2022 was \$468,000 from two customers and had no accounts receivables at December 31, 2022.

2. Summary of Significant Accounting Policies (continued)

Credit Losses

The Company accounts for credit losses in accordance with ASC Topic 326, Financial Instruments – Credit Losses (“ASC 326”). ASC 326 impacts the impairment model for certain financial assets measured at amortized cost by requiring a current expected credit loss (“CECL”) methodology to estimate expected credit losses over the entire life of the financial asset, recorded at inception or purchase. Under the guidance, the Company has the ability to determine there are no expected credit losses in certain circumstances.

An allowance for credit losses is based on the Company’s expectation of the collectability of financial instruments carried at amortized cost, including receivables recognized under ASC 606. The Company considers factors such as historical experience, credit quality, age of balances and current and future economic conditions that may affect the Company’s expectation of the collectability in determining the allowance for credit losses. The Company’s expectation is that the credit risk associated with other receivables is not significant until they are 90 days past due based on the contractual arrangement and expectation of collection in accordance with industry standards.

The Company had no allowance for credit losses for trade receivables at January 1, 2022, or December 31, 2022.

Income Taxes

The Company is a single member Limited Liability Company. As such, the Company is a disregarded entity for tax purposes and is not subject to federal or state income taxes on its income. The Internal Revenue Code (“IRC”) provides that any income or loss is passed through to the member(s) for federal and state income tax purposes. Accordingly, the Company has not provisioned for federal or state income taxes.

At December 31, 2022, management had determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all periods subsequent to 2017.

Income taxes are accounted for in accordance with ASC 740, Accounting for Income Taxes. The Company has elected not to allocate a portion of the consolidated amount of current and deferred tax expense from the Parent to the Company.

3. Deposits with Clearing Organization

The clearing and depository operations for the Company’s riskless principal transactions are provided by one clearing broker. Deposits with clearing organization includes a cash deposit of \$200,000, and the net amount payable to the clearing organization for riskless principal trading activity. The availability of these funds to the Company is governed by the agreements with the clearing organization and may vary depending on agreement requirements. In the event of the clearing broker’s insolvency, recovery of assets may be limited.

4. Related Party Transactions

Pursuant to an expense sharing agreement (the "ESA"), the Company receives shared services from East West Bank (the "affiliate"). The Company shares office facilities, employees, and personnel costs with its affiliate. The Company and its affiliate also share other expenses. The affiliate allocates costs to the Company that are clearly applicable to the operations of the Company. A reasonable allocation method is used to allocate common expenses, based on the square footage space utilized, work percentage performed, headcount, or those costs not clearly applicable to any one legal entity. As of December 31, 2022, the Company had an outstanding balance of \$337,149, which is included as due to affiliates in the statement of financial condition. In addition to that, due to affiliates includes monies payable to the Parent in the amount of \$80,728 for expenses paid on behalf of the Company.

5. Risks and Uncertainties

Credit Risk

As of December 31, 2022, the Company maintained its cash balance with a financial institution. The cash balance in excess of the Federal Deposit Insurance Company insurance limits amounted to \$9,133,104. The Company has not experienced any losses in such account and believes it is not subject to any significant credit risk.

6. Net Capital Requirements

As a registered broker-dealer, the Company is subject to the SEC Uniform Net Capital Rule 15c3-1 (the "Rule") of the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital. In accordance with the Rule, the Company is required to maintain minimum net capital, as defined, equal to the greater of \$100,000 or 6.667% of aggregate indebtedness. At December 31, 2022, net capital of \$9,134,190, exceeded the required net capital minimum of \$100,000 by \$9,034,190. Aggregate indebtedness at December 31, 2022 totaled \$448,530. The ratio of aggregate indebtedness to net capital was 0.05 to 1.

7. Exemption from Rule 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 pursuant to the exemptive provisions of sub-paragraph (k)(2)(ii).

8. Subsequent Events

Upon evaluation, the Company notes that there were no material subsequent events between the date of the financial statements and February 10, 2023, the date that the financial statements were issued or available to be issued.
