Note 1 - Nature of Business and Summary of Significant Accounting Policies

Nature of Business:

Nobles & Richards, Inc. (the Company), a Texas corporation, was incorporated in October 2007. The Company is registered as a broker/dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA) and Securities Investor Protection Corporation (SIPC).

The Company is considered a Non-Covered Firm exempt from 17 C.F.R. § 240.15c3-3 relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5. The Company limits its business activities exclusively to participating in distributions of securities (other than firm commitment underwritings) in accordance with the requirements of paragraphs (a) or (b)(2) of Rule 15c2-4.

The Company provides regulatory guidance and support to companies issuing private securities, including serving as the managing broker-dealer on private placement offerings of securities on a best-efforts basis. The Company's registered representatives, or the issuer whose securities they are placing, are responsible for paying for all of their licensing and operating expenses, and generally reimburse the Company for these and other expenses incurred by the Company on their behalf. The Company's registered representatives and customers are located primarily in the state of Texas.

Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)

Revenue Recognition

Private Placement Commissions

The Company participates in the distribution of securities in private placement offerings of securities on a best-efforts basis. Each time a customer enters into a buy transaction, the Company charges a commission. Commissions are recognized on the trade date. The Company believes that the performance obligation is satisfied on the trade date because that is when the underlying private placement interest is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to the customer.

Reimbursed Expenses

The Company receives reimbursements of payroll, licensing, occupancy and professional fee expenses incurred by the Company on behalf of the issuers whose securities they are placing. Reimbursements of expenses are recorded on a net basis as the Company is acting as an agent, and recognized reimbursements of such expenses are incurred, as these costs are related to performance obligations that are satisfied over time.

Income Taxes

As of June 30, 2021, open Federal tax years subject to examination include the tax years ended June 30, 2018 through June 30, 2020.

The Company is also subject to state income taxes.

Note 2 - Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2021, the Company had net capital of \$34,871, which was \$29,871 in excess of its required net capital of \$5,000. The Company's net capital ratio was .48 to 1.

NOBLES & RICHARDS, INC.
Notes to Financial Statements
June 30, 2021

Note 3 - PPP Notes Payable

The Paycheck Protection Program (“PPP”), which was established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), provides for loans to qualifying businesses. As of June 30, 2021 the Company had two loans under the PPP, as follows:

Dated	Original Amount	Qualified For Forgiveness	Unused
May 3, 2020	\$ 50,423.00	\$ 50,423.00	
March 6, 2021	38,802.00	34,479.00	\$ 4,323.00
Total	<u>\$ 89,225.00</u>	<u>\$ 84,902.00</u>	<u>\$ 4,323.00</u>

Both loans mature in two years from funding and bear interest at a rate of 1.00% per annum, payable monthly. Funds from the loans were only used for qualified expenses. The Company believes that the entire amount of both loans will qualify for forgiveness under the CARES Act.

Note 4 - Commitments and Contingencies

Office Lease

The Company currently leases office space for \$1,500 per month on a month-to-month basis. Rent expense totaled \$18,000 for the year ended June 30, 2021.

Contingencies

The nature of the Company's business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such action against the Company could have an adverse impact on the financial condition, results of operations, or cash flows of the Company.

NOBLES & RICHARDS, INC.
Notes to Financial Statements
June 30, 2021

Note 5 - Income Taxes

The Company has a current year tax loss; therefore, there is no provision for current federal income taxes. The Company has a net operating loss carryforward of approximately \$100,000 available to offset future taxable income, which begins expiring in 2039. The net operating loss carryforward creates a deferred tax asset of approximately \$21,000; however, the entire amount has been offset by valuation allowance; therefore, there is no deferred tax asset recognized in the accompanying statement of financial condition.

Note 6 - Concentration of Revenue

Private placement commissions earned from one issuer of real estate related offerings located in Dallas, Texas accounted for approximately 65% of the Company's revenue for the year ended June 30, 2021.

One of the Company's registered representatives accounted for approximately 61% of the Company's compensation and related costs for the year ended June 30, 2021.

Note 7 - Retirement Plan

The Company has established a Simple IRA Plan (Plan) for its employees. The Company and employees may contribute to the Plan. The Company will contribute matching contributions equal to the elective deferral of each employee, but not more 3% of the individual employee's compensation. There were no company matching contributions during the year.

Note 9 - Subsequent Events

The Company has performed an evaluation of events that have occurred subsequent to June 30, 2021, through August 23, 2021, the date which the financial statements were available to be issued.

During August 2021, the Company was granted forgiveness for the \$50,423 PPP loan.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
