**Re: Arem Pacific Corporation
Registration Statement on Form S-1
Filed September 23, 2015
File No. 333-207099**

Dear Mr. Tang:

Our preliminary review of your registration statement indicates that it fails in numerous material respects to comply with the requirements of the Securities Act of 1933, the rules and regulations under that Act, and the requirements of the form. We will not perform a detailed examination of the registration statement and we will not issue comments. We suggest that you consider filing a substantive amendment to correct the deficiencies.

If you were to request acceleration of the effective date of the registration statement in its present form, we would likely recommend that the Commission deny your request.

Sincerely,

/s/ Celeste M. Murphy for
