Proxy Statement

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Invesco Mortgage Capital Inc. (“Board” or “Board of Directors”) for the Annual Meeting of Stockholders to be held on Wednesday, May 6, 2015, at 2:00 p.m. Eastern Time. In this Proxy Statement, except where the context suggests otherwise, the terms “company,” “we,” “us,” and “our” refer to Invesco Mortgage Capital Inc., together with its consolidated subsidiaries, including IAS Operating Partnership LP, which we refer to as “our operating partnership;” “our Manager” refers to Invesco Advisers, Inc., our external manager; “Invesco” refers to Invesco Ltd., together with its consolidated subsidiaries, the indirect parent company of our Manager.

Proposal No. 1 Election of Directors

General

Our Board of Directors currently has six directors, each of whom is serving a term of office that continues until the Annual Meeting in 2015, or until such director’s successor has been duly elected and qualified, or such director is removed from office or such director’s office is otherwise earlier vacated.

The Board has nominated G. Mark Armour, James S. Balloun, John S. Day, Edward J. Hardin, Karen Dunn Kelley and James R. Lientz, Jr. for election as directors of the company for a term ending at the 2016 Annual Meeting. All such nominees are current directors of the company. Each nominee has indicated to the company that he or she would serve if elected.

Under our Bylaws, at any general meeting held for the purpose of electing directors at which a quorum is present, each director nominee receiving a majority of the votes cast with respect to such nominee at the meeting will be elected as a director. If a nominee for director who is an incumbent director is not elected and no successor has been elected at the meeting, the director is required under our Bylaws to submit his or her resignation as a director. Our Nomination and Corporate Governance Committee would then make a recommendation to the full Board on whether to accept or reject the resignation. If the resignation is not accepted by the Board, the director will continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier resignation or removal. If the director’s resignation is accepted by the Board, then the Board, in its sole discretion, may fill the vacancy or decrease the size of the Board. However, if the number of nominees exceeds the number of positions available for the election of directors, the directors so elected shall be those nominees who have received the greatest number of votes and at least a majority of the votes cast in person or by proxy.

For a director to be considered independent, the Board must affirmatively determine that the director does not have any material relationship with the company either directly or as a partner, stockholder or officer of an organization that has a relationship with the company. Such determinations are made and disclosed pursuant to applicable New York Stock Exchange (“NYSE”) or other rules. A material relationship can include, but is not limited to, commercial, industrial, banking, consulting, legal, accounting, charitable and family relationships. In accordance with the rules of the NYSE, the Board has affirmatively determined that it is currently composed of a majority of independent directors, and that the following directors are independent and do not have a material relationship with the company: James S. Balloun, John S. Day, Edward J. Hardin and James R. Lientz, Jr.

Recommendation of the Board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION TO THE BOARD OF EACH OF THE DIRECTOR NOMINEES. This proposal requires the affirmative vote of a majority of votes cast at the Annual Meeting.

Mr. Lientz's depth and breadth of board and executive experience uniquely qualify him to provide guidance to our company.

Corporate Governance

Board of Directors and Committees. Our business is managed by our Manager, subject to the supervision and oversight of our Board of Directors, which has established investment guidelines for our Manager to follow in its day-to-day management of our business. A majority of our Board of Directors is “independent,” as determined by the requirements of the NYSE and the regulations of the Securities and Exchange Commission (“SEC”). Our directors keep informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Our Board of Directors has formed an Audit Committee, a Compensation Committee and a Nomination and Corporate Governance Committee and has adopted charters for each of these committees. Each of these committees has four directors and is composed exclusively of independent directors, as defined by the listing standards of the NYSE. Moreover, the Compensation Committee is composed exclusively of individuals intended to be, to the extent provided by Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), non-employee directors and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code, qualify as outside directors for purposes of Section 162(m) of the Internal Revenue Code.

Corporate Governance Guidelines. The Board has also adopted Corporate Governance Guidelines (“Guidelines”) which are available in the corporate governance section of the company’s Web site at www.invescomortgagecapital.com (the “company’s Web site”). The Corporate Governance Guidelines set forth the practices the Board follows with respect to, among other matters, the composition of the Board, director responsibilities, Board committees, director access to officers and independent advisors, director compensation and the performance evaluation of the Board.

Board Leadership Structure. As described in the Guidelines, the company’s business is conducted day-to-day by its officers and its external Manager, under the direction of the chief executive officer and the oversight of the Board, to enhance the long-term value of the company for its stockholders. The Board is elected by the stockholders to oversee the officers of the company and our external Manager and to assure that the long-term interests of the stockholders are being served. In light of these differences in the fundamental roles of the Board and management, the company has chosen to separate the chief executive officer and Board chairman positions. The separation of these roles: (i) allows the Board to more effectively monitor and objectively evaluate the performance of the chief executive officer, such that the chief executive officer is more likely to be held accountable for his performance, (ii) allows the non-executive chairman to control the Board’s agenda and information flow, and (iii) creates an atmosphere in which other directors are more likely to challenge the chief executive officer and other members of our senior management team. For these reasons, the company believes that this board leadership structure is currently the most appropriate structure for the company. Nevertheless, the Board may reassess the appropriateness of the existing structure at any time, including following changes in Board composition, in management, or in the character of the company’s business and operations.

Code of Conduct. Our Board of Directors has established a code of ethics that applies to our officers, directors and independent contractors and to our Manager’s officers, directors and personnel when such individuals are acting for or on our behalf (the “code of conduct”). Among other matters, our code of conduct is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;

- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the code.

Any waiver of the code of conduct for our executive officers or directors may be made only by our Board of Directors or one of our Board committees. The code of conduct is posted on the company's Web site. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the code of conduct by posting such information on the company's Web site.

Board's Role in Risk Oversight. We believe that risk oversight responsibility rests with the full Board of Directors. Therefore, the Board has principal responsibility for oversight of the company's risk management processes and for understanding the overall risk profile of the company. The Board has not delegated primary risk oversight responsibility to a committee of the Board, although Board committees routinely address specific risks and risk processes within their purview.

The company has in place an enterprise risk management committee consisting of executive and senior management. The committee meets regularly and maintains dialogue with the Board of Directors regarding the top risks of the company and mitigating actions to address them. In addition, since the company is externally managed by our Manager, we rely upon the operational and investment risk oversight functions of our Manager and its Invesco affiliates. In that regard, Invesco's performance and risk professionals at its respective investment centers provide our Manager and its affiliates with investment oversight facilitation and periodic monitoring of investment risks. Through regular and consistent risk communication, our Manager has reasonable assurance that all material operational and investment risks of the company are being addressed.

Information about the Board and Its Committees

Board Meetings and Annual Meeting of Stockholders

During the calendar year ended December 31, 2014, the Board held 9 meetings (not including committee meetings). Each director attended at least seventy-five percent (75%) of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees of the Board on which he or she served during 2014. The Board does not have a formal policy regarding Board member attendance at stockholder meetings. All of our directors then in office attended the Annual Meeting of Stockholders in 2014. The non-executive directors (those directors who are not officers or employees of the company) meet in executive session generally quarterly and at least once per year during a regularly scheduled Board meeting without management. James S. Balloun, a non-executive and independent director, presides at the executive sessions of the non-executive directors.

M – Member **Ch** – Chairman

Below is a description of each committee of the Board. The Board has affirmatively determined that each committee consists entirely of independent directors pursuant to rules established by the NYSE and rules promulgated under the Exchange Act.

The Audit Committee

The Audit Committee is chaired by Mr. Day and consists additionally of Messrs. Balloun, Hardin and Lientz. The committee met four times during 2014. Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is “independent” of the company under the NYSE and SEC rules and is also “financially literate,” as defined under NYSE rules;
- members are appointed and removed by the Board;
- is required to meet at least quarterly;
- periodically meets with the independent auditor in separate executive sessions without members of senior management present;
- has the authority to retain independent advisors, at the company’s expense, whenever it deems appropriate to fulfill its duties; and
- reports to the Board regularly.

The committee’s charter is available on the company’s Web site. The charter sets forth the committee’s responsibilities, which include assisting the Board in fulfilling its responsibility to oversee (i) the company’s financial reporting, auditing and internal control activities, including the integrity of the company’s financial statements, (ii) the independent auditor’s qualifications and independence, (iii) the performance of the company’s internal audit function and independent auditor, and (iv) the company’s compliance with legal and regulatory requirements.

The committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditors. The policy is designed to ensure that the auditor’s independence is not impaired. The policy provides that, before the company engages the independent auditor to render any service, the engagement must either be specifically approved by the Audit Committee or fall into one of the defined categories that have been pre-approved. (See the section of this Proxy Statement below entitled “*Pre-Approval Process and Policy.*”)

The Board has determined that all committee members are financially literate under the NYSE listing standards. The Board has further determined that Mr. Day qualifies as an “audit committee financial expert” (as defined under the SEC’s rules and regulations), that he has “accounting or related financial management expertise” and that he is “independent” of the company under SEC rules and the NYSE listing rules.

The Compensation Committee

The Compensation Committee is chaired by Mr. Lientz and consists additionally of Messrs. Balloun, Day and Hardin. The committee met three times during 2014. Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is “independent” of the company under the NYSE and SEC rules;
- members are appointed and removed by the Board; and
- has the authority to retain independent advisors, at the company’s expense, whenever it deems appropriate to fulfill its duties, including any compensation consulting firm.

The committee’s charter is available on the company’s Web site. The charter sets forth the committee’s responsibilities, which include (i) annually approving the compensation

structure for, and reviewing and approving the compensation from the company, if any, of, senior officers, and overseeing the annual process for evaluating their performance, (ii) overseeing the administration of the company's equity-based and other incentive compensation plans, (iii) assisting the Board with executive succession planning, and (iv) determining the compensation for the company's non-executive directors.

The committee meets at least annually to review and make recommendations to the Board on the compensation of the company's non-executive directors. In reviewing and making recommendations on non-executive director compensation, the Committee considers, among other things, the following policies and principles:

- that the compensation should fairly pay the directors for the work, time commitment and efforts required by directors of an organization of the company's size and scope of business activities, including service on Board committees;
- that a component of the compensation should be designed to align the directors' interests with the long-term interests of the company's stockholders; and
- that directors' independence may be compromised or impaired for Board or committee purposes if director compensation exceeds customary levels.

As a part of its review, the committee periodically engages FTI Consulting, Inc. as a third-party consultant to report on comparable non-executive director compensation practices and levels. The cost of services for work performed for the committee by FTI Consulting related to non-executive director compensation for 2014 amounted to \$10,200. The company, on management's recommendation, retained FTI Consulting to provide certain accounting services for the company in 2014. The costs of such services for 2014 amounted to approximately \$1.2 million. Neither the committee nor the Board expressly approved the accounting services. After taking into consideration the NYSE's independence standards, the committee determined that the compensation consultant is independent because (a) the compensation consulting team works exclusively for the committee and not for our management; (b) the compensation consulting practice group does not work with or report to the accounting services practice group, and (c) the compensation consulting team did not perform any other services on behalf of the company. No executive officer of the company is involved in recommending or determining non-executive director compensation levels. See the section of this Proxy Statement entitled "Director Compensation" below for a more detailed discussion of compensation paid to the company's non-executive directors during 2014.

The Nomination and Corporate Governance Committee

The Nomination and Corporate Governance Committee is chaired by Mr. Hardin and consists additionally of Messrs. Balloun, Day and Lientz. The committee met three times during 2014. Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is "independent" of the company under the NYSE and SEC rules;
- members are appointed and removed by the Board; and
- has the authority to retain independent advisors, at the company's expense, whenever it deems appropriate to fulfill its duties.

The committee's charter is available on the company's Web site. The charter sets forth the committee's responsibilities, which include establishing procedures for identifying and evaluating potential nominees for director and for recommending to the Board potential nominees for election and periodically reviewing and reassessing the adequacy of the Guidelines to determine whether any changes are appropriate and recommending any such changes to the Board for its approval. The candidates proposed for election in Proposal No. 1 of this Proxy Statement were unanimously recommended by the committee to the Board.

The committee believes there are certain minimum qualifications that each director nominee must satisfy in order to be suitable for a position on the Board, including:

- a high degree of personal and professional integrity;
- ability to exercise sound business judgment on a broad range of issues;
- sufficient experience and professional or educational background to have an appreciation of the significant issues facing public companies that are comparable to the company;
- willingness to devote the necessary time to Board duties, including preparing for and attending meetings of the Board and its committees; and
- being prepared to represent the best interests of the company and its stockholders and being committed to enhancing stockholder value.

The Board does not consider individual directors to be responsible for particular areas of the Board's focus or specific categories of issues that may come before it. Rather, the Board seeks to assemble a group of directors that, as a whole, represents a mix of experiences and skills that allows appropriate deliberation on all issues that the Board might be likely to consider. In considering candidates for director nominee, the committee generally assembles all information regarding a candidate's background and qualifications, evaluates a candidate's mix of skills and qualifications and determines the contribution that the candidate could be expected to make to the overall functioning of the Board, giving due consideration to the Board's balance of diversity of perspectives, backgrounds and experiences. While the committee routinely considers diversity as a part of its deliberations, it has no formal policy regarding diversity. With respect to current directors, the committee considers past participation in and contributions to the activities of the Board. The committee recommends director nominees to the Board based on its assessment of overall suitability to serve in accordance with the company's policy regarding nominations and qualifications of directors.

The committee will consider candidates recommended for nomination to the Board by stockholders of the company. Stockholders may nominate candidates for election to the Board under Maryland law and our Bylaws. Our Bylaws provide that, with respect to an annual meeting of stockholders, nominations of individuals for election to our Board of Directors and the proposal of business to be considered by stockholders may be made only (1) pursuant to our notice of the meeting, (2) by or at the direction of our Board of Directors or (3) by a stockholder who is a stockholder of record both at the time of giving the notice required by our Bylaws and at the time of the meeting, who is entitled to vote at the meeting and who has complied with the advance notice provisions set forth in our Bylaws. The manner in which the committee evaluates candidates recommended by stockholders is generally the same as any other candidate. However, the committee will also seek and consider information concerning any relationship between a stockholder recommending a candidate and the candidate to determine if the candidate can represent the interests of all of the stockholders. The committee will not evaluate a candidate recommended by a stockholder unless the stockholder's proposal provides that the potential candidate has indicated a willingness to serve as a director, to comply with the expectations and requirements for Board service as publicly disclosed by the company and to provide all of the information necessary to conduct an evaluation. For further information regarding deadlines for stockholder proposals, please see the section of this proxy statement below entitled "*Stockholder Proposals for the 2016 Annual Meeting.*"

Executive Compensation

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for the executive officers named in this proxy statement and our executive officers generally.

Overview of Current Compensation Program and Philosophy

We have no employees. We are externally managed by Invesco Advisers, Inc., our Manager, pursuant to a management agreement between our Manager and us. Because the management agreement provides that our Manager is responsible for managing our affairs, our executive officers, all of whom are employees of our Manager (or one of its affiliates), do not receive cash compensation from us. Instead, we pay our Manager a management fee and our Manager uses the proceeds from the management fee, in part, to pay compensation to its officers and personnel, including our executive officers. See “*Certain Relationships and Related Transactions*” for additional information about our management agreement. Our Manager makes all decisions relating to the compensation of our executive officers based on such factors as our Manager may determine are appropriate; however, our Manager consults with the members of the Compensation Committee concerning the compensation policy of our Manager that is applied to certain of the individuals employed by our Manager that serves as our executive officers.

Our Manager utilizes compensation programs that are designed, structured and implemented at every level to align with our long-term strategic objectives. Specifically, our Manager’s compensation programs are designed to align incentive awards with client and stockholder success, provide competitive compensation tied to strategic and financial results, differentially reward high performers, and provide an appropriate mix of cash and deferred compensation.

We did not pay any cash compensation to our named executive officers, nor did we make any grants of plan-based awards, stock options or stock grants of any kind to them for the fiscal year ended December 31, 2014. We do not provide our named executive officers with pension benefits, perquisites or other personal benefits. We do not have any employment agreements with any persons and have no arrangements to make cash payments to our named executive officers upon their termination from service as our officers or a change in control of the company.

Certain Risks Related to Compensation

As noted above, we are externally managed by our Manager pursuant to the terms of the management agreement and we do not pay our officers any compensation. The base fee under the management agreement is calculated based on a percentage of stockholder equity and is payable quarterly. Calculation of the management fee is not primarily dependent upon our financial performance or the performance of our management, and thus the management fee does not create an incentive for management to take excessive or unnecessary risks. Specifically, the use of stockholders’ equity as the base for the calculation does not result in leveraged pay-out curves, steep pay-out cliffs, or set unreasonable goals and thresholds, each of which can promote excessive and unnecessary risks.

Our independent directors review our Manager’s performance and the management fees quarterly. The management fee itself cannot be increased or revised without the approval of our independent directors. The management agreement provides for annual renewals and for termination for cause.

Executive Officer Stock Ownership Policy

In order to encourage the alignment of interests between our executive officers and our stockholders, we maintain an Executive Officer Stock Ownership Policy. The policy requires that, within five years of the later of the effective date of the policy and the date of such executive officer's first appointment:

- the chief executive officer achieve an ownership level of at least 60,000 shares;
- the chief investment officer and the chief operating officer achieve an ownership level of at least 35,000 shares and 30,000 shares, respectively; and
- the chief financial officer achieve an ownership level of at least 7,000 shares.

Our CEO and CIO have achieved their respective ownership level requirements, and we expect our COO and CFO will attain their respective ownership goals within the time period prescribed by the policy.

Insider Trading Policy

We maintain an insider trading policy, which prohibits short selling, dealing in publicly-traded options and hedging or monetization transactions in our securities.

Consideration of Prior Advisory Vote

Our compensation committee noted the significant support received in the previous advisory vote on executive compensation (approximately 96.8% of votes cast), and therefore it has determined that no changes were advisable based on the outcome of that vote. We currently plan to hold an advisory vote on executive compensation each year.

Compensation Committee Report

The compensation committee of the company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the committee recommended to the board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Respectfully submitted by the Compensation Committee:

James R. Lientz, Jr. (chairman)
James S. Balloun
John S. Day
Edward J. Hardin

Membership and Role of the Audit Committee

The Audit Committee consists of Mr. Day (chairman) and Messrs. Balloun, Hardin and Lientz. Each of the members of the Audit Committee is independent as such term is defined under the NYSE listing standards and applicable law. The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility to oversee (i) the company's financial reporting, auditing and internal control activities, including the integrity of the company's financial statements, (ii) the independent auditor's qualifications and independence, (iii) the performance of the company's internal audit function and independent auditor, and (iv) the company's compliance with legal and regulatory requirements. The Audit Committee's function is more fully described in its written charter, which is available on the corporate governance section of the company's Web site.

Review of the Company's Audited Consolidated Financial Statements for the Fiscal Year Ended December 31, 2014

The Audit Committee has reviewed and discussed the audited financial statements of the company for the fiscal year ended December 31, 2014 with the company's management. The Audit Committee has discussed with Grant Thornton LLP ("Grant Thornton"), the company's independent registered public accounting firm, the matters required to be discussed by professional auditing standards. The Audit Committee has also received the written disclosures and the letter from Grant Thornton required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed the independence of Grant Thornton with that firm. Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the Board of Directors that the company's audited consolidated financial statements be included in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the Securities and Exchange Commission.

Respectfully submitted by the Audit Committee:

John S. Day (chairman)
James S. Balloun
Edward J. Hardin
James R. Lientz, Jr.

Fees Paid to Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors has selected the accounting firm of Grant Thornton to serve as our independent registered public accountants for the year ending December 31, 2015, subject to ratification and approval by our stockholders. Grant Thornton has served as our independent registered public accountant since our inception in June 2008.

The fees billed or expected to be billed to the Company by Grant Thornton for professional services rendered for the years ended December 31, 2014 and 2013 were as follows:

	Year Ended December 31, 2014	Year Ended December 31, 2013
	(\$ in thousands)

Audit-Related Fees(2)	—	—
Tax Fees(3)	—	—
All Other Fees(4)	—	—
TOTAL FEES	817	688

- (1) Audit Fees consist of fees and related expenses billed for the audit of the consolidated financial statements and services provided by Grant Thornton in connection with statutory and regulatory filings or engagements. The audit fees include fees and expenses in connection with quarterly and annual reports and the issuance of consents by Grant Thornton to be named in, and the use of their audit report in, our registration statements.
- (2) Audit-Related Fees consist of fees and expenses billed for assurance and related professional services. Grant Thornton did not perform any audit-related services.

- (4) All Other Fees consist of any fees and expenses for professional services not included in one of the other categories. Grant Thornton did not perform any other services.

Pre-Approval Process and Policy

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditor. The policy is designed to ensure that the auditor's independence is not impaired. The policy sets forth the Audit Committee's views on audit, audit-related, tax and other services. It provides that, before the company engages the independent auditor to render any service, the engagement must either be specifically approved by the Audit Committee or fall into one of the defined categories that have been pre-approved. The policy defines the services and the estimated range of fees for such services that the committee has pre-approved. The term of any such categorical approval is 12 months, unless the committee specifically provides otherwise, and the policy requires the related fee levels to be set annually. Where actual invoices in respect of any service are materially in excess of the estimated range, the committee must approve such excess amount prior to payment. The policy also prohibits the company from engaging the auditor to provide certain defined non-audit services that are prohibited under SEC rules. Under the policy, the Audit Committee may delegate pre-approval authority to one or more of its members, but may not delegate such authority to the company's management. Under the policy, our management must inform the Audit Committee of each service performed by our independent auditor pursuant to the policy. Requests to the Audit Committee for separate approval must be submitted by both the independent auditor and our chief financial officer and the request must include a joint statement as to whether it is deemed consistent with the SEC's and PCAOB's rules on auditor independence.

All audit and non-audit services provided to the company and its subsidiaries by Grant Thornton during 2014 were either specifically approved or pre-approved under the policy.

Certain Relationships and Related Transactions

Relationship to Our External Manager

In July 2009 we entered into a management agreement with our Manager pursuant to which our Manager provides the day-to-day management of our operations. The management agreement requires our Manager to manage our business affairs in conformity with the policies and the investment guidelines that are approved and monitored by our Board of Directors. The management agreement renews for one-year terms unless terminated by either us or our Manager. Our Manager is entitled to receive a termination fee from us, under certain circumstances. Our Manager is entitled to receive from us a management fee. The management fee is equal to 1.50% of the company's stockholders' equity per annum, which is calculated and payable quarterly in arrears. We are also obligated to reimburse certain operating expenses related to the company incurred by our Manager, including directors and officers insurance, accounting services, auditing and tax services, filing fees and miscellaneous general and administrative costs.

Our executive officers are employees of Invesco. As a result, the terms of the management agreement between us and our Manager were negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to us as if they had been negotiated with an unaffiliated third party. With respect to 2014, management fees paid or payable to our Manager are approximately \$37.6 million, and we reimbursed our manager approximately \$6.2 million for operating expenses.

In connection with certain commercial real estate loan transactions in 2014, our Manager's affiliated real estate team provides certain services to our company. Our Manager, on behalf of the affiliate, received a portion of the origination fees paid by borrowers related to such transactions in 2014 in an aggregate amount of \$285,000.

Grants of Equity Compensation to Our Manager, Its Personnel and Its Affiliates

We adopted the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan (the "Equity Plan") to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our Manager and its affiliates and personnel of our Manager. Our Equity Plan provides for grants of stock options, restricted stock, phantom shares, dividend equivalent rights and other equity-based awards.

Under our Equity Plan, our Compensation Committee is authorized to approve grants of equity-based awards to, among others, our directors, officers, Manager and personnel of our Manager and its affiliates. We grant shares of our common stock to each non-executive director as part of his compensation. In addition, we grant equity awards to personnel of our Manager who are not our executive officers. We do not intend to grant equity-based awards to our executive officers.

Ownership of Common Stock by Affiliates

Invesco, through our Manager, beneficially owns approximately 1.1% of our outstanding common stock. Invesco, through Invesco Investments (Bermuda) Ltd., beneficially owns 1,425,000 units of the partnership interests of our operating partnership ("OP units"), which are convertible into our common stock.

Registration Rights

We have entered into a registration rights agreement with regard to the common stock and OP units owned by our Manager and Invesco Investments (Bermuda) Ltd., respectively, and any shares of common stock that our Manager may elect to receive under the management agreement or otherwise. Pursuant to the registration rights agreement, we granted to our Manager and Invesco Investments (Bermuda) Ltd., respectively: (1) unlimited demand registration rights to have the shares purchased by our Manager or granted to it in the future and the shares that we may issue upon redemption of the OP units purchased by

Invesco Investments (Bermuda) Ltd. registered for resale, and (2) in certain circumstances, the right to “piggy-back” these shares in registration statements we might file in connection with any future public offering so long as we retain our Manager as the manager under the management agreement.

Related Person Transaction Policy

The Board of Directors has adopted written Policies and Procedures with Respect to Related Person Transactions to address the review, approval, disapproval or ratification of related person transactions. “Related persons” include the company’s executive officers, directors, director nominees, holders of more than five percent (5%) of the company’s voting securities, immediate family members of the foregoing persons, and any entity in which any of the foregoing persons is employed, is a partner or is in a similar position, or in which such person has a 5% or greater ownership interest. A “related person transaction” means a transaction or series of transactions in which the company participates, the amount involved exceeds \$120,000, and a related person has a direct or indirect interest (with certain exceptions permitted by SEC rules). Examples might include sales, purchases and transfers of real or personal property, use of property and equipment by lease or otherwise, services received or furnished and borrowings and lendings, including guarantees.

Management is required to present for the approval or ratification of the Audit Committee all material information regarding an actual or potential related person transaction. The policy requires that, after reviewing such information, the disinterested members of the Audit Committee will approve or disapprove the transaction. Approval will be given only if the Audit Committee determines that such transaction is in, or is not inconsistent with, the best interests of the company and its stockholders. The policy further requires that in the event management becomes aware of a related person transaction that has not been previously approved or ratified, it must be submitted to the Audit Committee promptly.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires certain officers, directors and persons who beneficially own more than 10% of the company’s common stock to file reports of ownership and reports of changes in ownership with the SEC. The reporting officers, directors and 10% stockholders are also required by SEC rules to furnish the company with copies of all Section 16(a) reports they file. Based solely on its review of copies of such reports, the company believes that all Section 16(a) filing requirements applicable to its directors, officers and 10% stockholders were complied with during 2014.

Proposal No. 2

Advisory Vote on Executive Compensation

General

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables our stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC’s rules. This proposal, commonly known as a “say-on-pay” proposal, is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

As described in detail under the heading “EXECUTIVE COMPENSATION — Compensation Discussion and Analysis,” we have no employees. We are externally managed by Invesco Advisers, Inc., our Manager, pursuant to a management agreement between our Manager and us. Because the management agreement provides that our Manager is responsible for managing our affairs, our executive officers, all of whom are employees of our Manager (or one of its affiliates), do not receive cash compensation from us. Instead, we pay our Manager a management fee and our Manager uses the proceeds from the management fee, in part, to pay compensation to its officers and personnel, including our executive officers. Our Manager makes all decisions relating to the compensation of our executive officers based on such factors as our Manager may determine are appropriate. We did not pay, and do not intend to pay, any cash compensation to our named executive officers, nor did we make any grants of plan-based awards, stock options or stock grants of any kind to them for the fiscal year ended December 31, 2014. We do not provide our named executive officers with pension benefits, perquisites or other personal benefits. We do not have any employment agreements with any persons and have no arrangements to make cash payments to our named executive officers upon their termination from service as our officers or a change in control of the company.

Notwithstanding that we do not pay our executive officers compensation, we are required by the SEC to seek an advisory vote from our stockholders to approve the compensation of our executive officers as disclosed in this proxy statement. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory (non-binding) basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2015 Annual Meeting of Stockholders pursuant to the Securities and Exchange Commission’s compensation disclosure rules, including the Compensation Discussion and Analysis, the compensation tables and related narrative discussion.”

The say-on-pay vote is advisory, and therefore not binding on the company, our Board of Directors or the Compensation Committee. Our Board of Directors and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns and evaluate whether any actions are necessary to address those concerns. At the 2014 Annual Meeting of Stockholders, 96.8% of the votes cast were in favor of the advisory proposal to approve our named executive officer’s compensation. Under the Board’s current policy, stockholders are given an opportunity to cast an advisory vote on this topic annually, with the next opportunity occurring in connection with the 2016 Annual Stockholders Meeting.

Recommendation of the Board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC. This proposal requires the affirmative vote of a majority of votes cast at the Annual Meeting.

Proposal No. 3

Appointment of Independent Registered Public Accounting Firm

General

The Audit Committee of the Board has proposed the appointment of Grant Thornton LLP as the independent registered public accounting firm to audit the company's consolidated financial statements for the fiscal year ending December 31, 2015 and to audit the company's internal control over financial reporting as of December 31, 2015. During and for the fiscal year ended December 31, 2014, Grant Thornton LLP audited and rendered opinions on the consolidated financial statements and internal control over financial reporting of the company. See "*Fees Paid to Independent Registered Public Accounting Firm*" above. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE "FOR" THE APPOINTMENT OF GRANT THORNTON LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015. Approval of this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. If the appointment is not approved, the Audit Committee may reconsider the selection of Grant Thornton LLP as the company's independent registered public accounting firm. Even if the selection is ratified, the Audit Committee may, in its discretion, select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the company and our stockholders.

General Information Regarding the Annual Meeting

Questions and Answers About Voting Your Common Shares

Why did I receive this Proxy Statement?

You have received these proxy materials because the company's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting on May 6, 2015. This proxy statement includes information that is designed to assist you in voting your shares and information that we are required to provide to you under the rules of the Securities and Exchange Commission ("SEC").

What is a proxy?

A "proxy" is a written authorization from you to another person that allows such person (the "proxy holder") to vote your shares on your behalf. The Board of Directors is asking you to allow any of the following persons to vote your shares at the Annual Meeting: James S. Balloun, Chairman of the Board of Directors; Richard J. King, President and Chief Executive Officer; Robson J. Kuster, Chief Operating Officer; Richard Lee Phegley, Jr., Chief Financial Officer and Robert H. Rigsby, Vice President and Secretary.

Why did I not receive my proxy materials in the mail?

As permitted by rules of the SEC, we are making this Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 ("Annual Report") available to our stockholders electronically via the Internet. The "e-proxy" process expedites stockholders' receipt of proxy materials and lowers the costs and reduces the environmental impact of our Annual Meeting.

On March 20, 2015, we mailed to stockholders of record as of the close of business on March 9, 2015 ("Record Date") a Notice of Internet Availability of Proxy Materials ("Notice") containing instructions on how to access this Proxy Statement, our Annual Report and other soliciting materials via the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in the Proxy Statement and Annual Report. The Notice also instructs you on how you may submit your proxy. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions included in the Notice for requesting such materials.

Who is entitled to vote?

Each holder of record of company common stock on the Record Date for the Annual Meeting is entitled to attend and vote at the Annual Meeting.

What is the difference between holding shares as a "stockholder of record" and as a "beneficial owner"?

- ***Stockholders of Record.*** You are a stockholder of record if at the close of business on the Record Date your shares were registered directly in your name with Computershare, our transfer agent.
- ***Beneficial Owner.*** You are a beneficial owner if at the close of business on the Record Date your shares were held by a brokerage firm or other nominee and not in your name. Being a beneficial

owner means that, like most of our stockholders, your shares are held in “street name.” As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will be able to vote your shares with respect to some of the proposals, but not all. Please see *“What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?”* below for additional information.

- The company has requested banks, brokerage firms and other nominees who hold shares of our common stock on behalf of beneficial owners of the shares as of the close of business on the Record Date to forward the Notice to those beneficial owners. The company has agreed to pay the reasonable expenses of the banks, brokerage firms and other nominees for forwarding these materials.

How many votes do I have?

Every holder of a share of common stock on the Record Date will be entitled to one vote per share for each Director to be elected at the Annual Meeting and to one vote per share on each other matter presented at the Annual Meeting. On the Record Date, there were 123,127,380 shares of common stock outstanding and entitled to vote at the Annual Meeting.

What proposals are being presented at the Annual Meeting?

The company intends to present proposals numbered one, two and three for stockholder consideration and voting at the Annual Meeting. These proposals are for:

1. Election of six (6) members of the Board of Directors;
2. Advisory vote to approve the company’s executive compensation; and
3. Appointment of Grant Thornton LLP as the company’s independent registered public accounting firm.

Other than the matters set forth in this Proxy Statement and matters incident to the conduct of the Annual Meeting, the company does not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the proxies received from our stockholders give the proxy holders the authority to vote on such matter in their discretion.

How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote:

- FOR the election of the six (6) directors nominated by our Board and named in this proxy statement;
- FOR the approval, on an advisory basis, of the compensation of our named executive officers; and
- FOR the appointment of Grant Thornton LLP as the company’s independent registered public accounting firm.

How do I attend the Annual Meeting?

All stockholders are invited to attend the Annual Meeting. An admission ticket (or other proof of share ownership) and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the Annual Meeting. Only stockholders who own company common stock as of the close of business on the Record Date and invited guests will be entitled to attend the meeting. An admission ticket will serve as verification of your ownership. Registration will begin at 1:00 p.m. Eastern Time and the Annual Meeting will begin at 2:00 p.m. Eastern Time.

- If your company shares are registered in your name and you received or accessed your proxy materials electronically via the Internet, click the appropriate box on the electronic proxy card or follow the telephone instructions when prompted and an admission ticket will be held for you at the check-in area at the Annual Meeting.
- If you received your proxy materials by mail and voted by completing your proxy card and checked the box indicating that you plan to attend the meeting, an admission ticket will be held for you at the check-in area at the Annual Meeting.
- If your company shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the Annual Meeting if you bring a recent bank or brokerage statement showing that you owned our common stock on the Record Date. You should report to the check-in area for admission to the Annual Meeting.

How do I vote and what are the voting deadlines?

You may vote your shares in person at the Annual Meeting or by proxy. There are three ways to vote by proxy:

- **Via the Internet:** You can submit a proxy via the Internet until 11:59 p.m. Eastern Time on May 5, 2015, by accessing the web site <http://www.envisionreports.com/IVR> and following the instructions you will find on the web site. Internet proxy submission is available 24 hours a day. You will be given the opportunity to confirm that your instructions have been properly recorded.
- **By Telephone:** You can submit a proxy by telephone until 11:59 p.m. Eastern Time on May 5, 2015, by calling toll-free 1-800-652-VOTE (8683) (from the U.S. and Canada) and following the instructions.
- **By Mail:** If you have received your proxy materials by mail, you can vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your common stock in an account with a bank or broker (i.e. in "street name"), you can vote by following the instructions on the voting instruction card provided to you by your bank or broker.

Proxy cards returned by mail must be received no later than the close of business on May 5, 2015.

Even if you plan to be present at the Annual Meeting, we encourage you to vote your common stock by proxy using one of the methods described above. Stockholders of record who attend the meeting may vote their common stock in person, even though they have sent in proxies.

May I change or revoke my vote?

Yes. You may change your vote in one of several ways at any time before it is cast:

- Grant a subsequent proxy via the Internet or telephone;
- Submit another proxy card (or voting instruction card) with a date later than your previously delivered proxy;
- Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy or, if you hold your shares in “street name,” follow the instructions on the voting instruction card; or
- If you are a stockholder of record, or a beneficial owner with a proxy from the stockholder of record, vote in person at the Annual Meeting.

What will happen if I do not vote my shares?

Stockholders of Record. If you are the stockholder of record of your shares and you do not vote in person at the Annual Meeting, or by proxy via the Internet, by telephone, or by mail, your shares will not be voted at the Annual Meeting.

Beneficial Owners. If you are the beneficial owner of your shares, your broker or nominee may vote your shares only on those proposals on which it has discretion to vote. Under the rules of the New York Stock Exchange, your broker or nominee has discretion to vote your shares on routine matters, such as Proposal No. 3, but does not have discretion to vote your shares on non-routine matters, such as Proposals No. 1 and 2. Therefore, if you do not instruct your broker as to how to vote your shares on Proposals No. 1 or 2, this would be a “broker non-vote,” and your shares would not be counted as having been voted on the applicable proposal. **We therefore strongly encourage you to instruct your broker or nominee on how you wish to vote your shares.**

What is the effect of a broker non-vote or abstention?

Under NYSE rules, brokers or other nominees who hold shares for a beneficial owner have the discretion to vote on a limited number of routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A “broker non-vote” occurs when a broker or other nominee does not receive such voting instructions and does not have the discretion to vote the shares. Pursuant to Maryland law, broker non-votes and abstentions are not included in the determination of the shares of common stock voting on such matter, but are counted for quorum purposes.

What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?

- *Stockholders of Record.* If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, all of your shares will be voted FOR Proposals No. 1, 2 and 3.
- *Beneficial Owners.* If you are a beneficial owner and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under NYSE rules, brokers and other nominees have the discretion to vote on routine matters, such as Proposal No. 3, but do not have discretion to vote on non-routine matters, such as Proposals No. 1 and 2. Therefore, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal No. 3 and any other routine matters properly presented for a vote at the Annual Meeting.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials?

It means you own company common stock in more than one account, such as individually and jointly with another person. **Please vote all of your common stock.** Please see the section entitled “*Householding of Proxy Materials*” on page 34 for information on how you may elect to receive only one Notice.

What is a quorum?

A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting on any matter shall constitute a quorum for the conduct of business.

What vote is required in order to approve each proposal?

For each proposal, the affirmative vote of a majority of the votes cast on such proposal at the Annual Meeting is required. Votes “cast” include only votes cast with respect to shares present in person or represented by proxy and excludes abstentions and broker non-votes.

How will voting on any other business be conducted?

Other than the matters set forth in this Proxy Statement and matters incident to the conduct of the Annual Meeting, we do not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the persons named as proxies will vote on the matter in their discretion.

What happens if the Annual Meeting is adjourned or postponed?

Your proxy will still be effective and will be voted at the rescheduled Annual Meeting. You will still be able to change or revoke your proxy until it is voted.

Who will count the votes?

A representative of Computershare, our transfer agent, will act as the inspector of election and will tabulate the votes.

How can I find the results of the Annual Meeting?

Preliminary results will be announced at the Annual General Meeting. Final results will be published in a Current Report on Form 8-K that we will file with the SEC within four (4) business days after the Annual Meeting.

Shareholder Proposals for the 2016 Annual General Meeting

In accordance with the rules established by the SEC, any stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act intended for inclusion in the proxy statement for next year's annual meeting of stockholders must be received by us no later than 120 days before the anniversary of the date of this Proxy Statement (*e.g.* not later than November 21, 2015). Such proposals should be sent to our Secretary in writing to Invesco Mortgage Capital Inc., Attn: Office of the Secretary, 1555 Peachtree Street N.E., Atlanta, Georgia 30309. To be included in the Proxy Statement, the proposal must comply with the requirements as to form and substance established by the SEC and our Bylaws, and must be a proper subject for stockholder action under Maryland law.

A stockholder may otherwise propose business for consideration or nominate persons for election to the Board in compliance with SEC proxy rules, Maryland law, our Bylaws and other legal requirements, without seeking to have the proposal included in the company's proxy statement pursuant to Rule 14a-8 under the Exchange Act. Under our Bylaws, notice of such a proposal must generally be provided to our Secretary not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. The period under our Bylaws for receipt of such proposals for next year's meeting is thus from October 22, 2015 to November 21, 2015. (However, if the date of the annual meeting is advanced or delayed by more than 30 days from such anniversary date, any notice by a stockholder of business or the nomination of directors for election or reelection to be brought before the annual meeting to be timely must be so delivered (i) not earlier than the 150th day prior to such annual meeting and (ii) not later than 5:00 p.m., Eastern Time on the later of (A) the 120th day prior to such annual meeting and (B) the 10th day following the day on which public announcement of the date of such meeting is first made.) SEC rules permit proxyholders to vote proxies in their discretion in certain cases if the stockholder does not comply with these deadlines, and in certain other cases notwithstanding compliance with these deadlines.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of banks and brokers with account holders who are beneficial holders of the company's common stock will be householding the company's proxy materials or the Notice. Accordingly, a single copy of the proxy materials or Notice will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials or copies of the Notice, please notify your bank or broker, or contact our Secretary at: *company.secretary@invescomortgagecapital.com*, or by mail to Invesco Mortgage Capital Inc., Attn: Office of the Secretary, 1555 Peachtree Street N.E., Atlanta, Georgia 30309, or by telephone to 404-892-0896. The company undertakes, upon oral or written request to the address or telephone number above, to deliver promptly a separate copy of the company's proxy materials or the Notice to a stockholder at a shared address to which a single copy of the applicable document was delivered. Stockholders who currently receive multiple copies of the proxy materials or the Notice at their address and would like to request householding of their communications should contact their bank or broker or the company's Investor Relations Department at the contact address and telephone number provided above.
