Notes to Financial Statements
December 31, 2020

Note 1: Organization

Mentor Securities, LLC (the “Company”) was organized in the State of California on April 27, 2007. The Company is currently registered as a broker-dealer under Section 15(b) of The Securities Exchange Act of 1934, a member of the Financial Industry Regulatory Authority [“FINRA”] and the Security Investor Protection Corporation [“SIPC”].

The Company is engaged in business as a securities broker-dealer, which provides several classes of services, including private placements and merger and acquisitions.

Under its membership agreement with FINRA the Company will not claim an exemption from SEA Rule 15c3-3. The Company is a Non-Covered firm that relies on Footnote 74 to SEC Release 34-70073. The Company does not hold or carry customer funds or securities.

Note 2: Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company uses accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements as well as the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents

The Company considers all highly liquid instruments with an original maturity of three months or less when purchased to be cash equivalents. As of December 31, 2020, the Company had a cash balance of \$22,856.

Revenue Recognition

The company receives fees in accordance with terms stipulated in its engagement contracts. Fees are recognized as earned. The Company also receives success fees when transactions are completed. Success fees are recognized when earned, which means the Company has no further continuing obligations and collection is reasonably assured. Retainer fees that are not subject to refund are recognized when received subject to the terms of engagement.

Revenue Recognition (Continued)

A. Significant accounting policy

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfied a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

B. Nature of services

Fees earned: This includes fees earned from affiliated entities; investment banking fees, M&A advisory; account supervision and investment advisory fees; administrative fees, revenue from research services; rebates from exchanges/ECN and ATS; 12b-1 fees; Mutual fund fees other than concessions or 12b-1 fees; execution service fees; clearing services; fees earned from customer bank sweep into FDIC insured products or from '40Act companies and networking fees from '40 Act companies.

C. Changes in Accounting Policy:

The Company adopted Topic 606 "Revenue from Contracts with Customers" with a date of January 1, 2018. As a result, it has changed its accounting policy for revenue recognition as detailed below.

The Company applied Topic 606 using the cumulative effect method – i.e. by recognizing the cumulative effect of initially applying Topic 606 as an adjustment to the opening balance of equity at January 1, 2018. This was immaterial. Therefore, any prior reporting information has not been adjusted and continues to be reported under Topic 606.

The Company provides advisory services on mergers and acquisitions (M&A). Revenue for advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed (the closing date of the transaction) or the contract is cancelled. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgment is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Retainers and other fees received from customers prior to recognizing revenue are reflected as contract liabilities. At December 31, 2020, the Company maintains that no such contract liabilities existed nor were there any circumstances whereby significant judgement was needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract.

MENTOR SECURITIES, LLC
Notes to Financial Statements
December 31, 2020

Professional fees

As of December 31, 2020, the Company paid \$28,318 in professional fees, which included legal, accounting, analysis, and consulting services.

Comprehensive Income:

The Company adopted SFAS No. 130, "Reporting Comprehensive Income," which requires that an enterprise report, by major components and as a single total, the changes in equity. There were no comprehensive income items for the year ended December 31, 2020.

The firm did not have any adjustments that would have made comprehensive income different from net income.

Note 3: Securities owned

As of the statement of financial condition date the Company does not own any corporate stocks or debt instruments.

Note 4: Income taxes

The Company, with the consent of its members, has elected to be a California Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes for Federal and State income tax, all income or loss "flows through" to the member's individual income tax returns. However, provisions are made for the State of California's annual minimum tax and LLC fees that are reflected in these financial statements. As the tax obligations are passed through to its members, any audit or review considerations related to Internal Revenue Under section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return was filed with the IRS. Service assessments and statute of limitations thereof are borne by the Company's members.

Note 5: Fair Value

The Company adopted Financial Accounting Standards ("SFAS") ASC 820 Measurements and Disclosures, for assets and measured at fair value on a recurring basis. The ASC 820 had no effect on the Company's financial. ASC 820 accomplishes the following key objectives:

- Defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date;
- Establishes a three-level hierarchy (the "Valuation Hierarchy") for fair value measurements;

MENTOR SECURITIES, LLC
Notes to Financial Statements
December 31, 2020

Note 5: Fair Value Continued

- Requires consideration of the Company's creditworthiness when valuing liabilities; and expands disclosures about instruments measured at fair value.

The Valuation Hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. A financial instrument's categorization within the Valuation Hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels of the Valuation Hierarchy and the distribution of the Company's financial assets within it are as follows:

Level 1 - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 - inputs to the valuation methodology included quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Certain financial instruments are carried at cost on the statement of financial condition, which approximate fair value due to their short-term highly liquid nature. These instruments include cash and cash equivalents, accounts receivable, accrued expenses and other liabilities and deferred revenue.

Note 6: Net capital requirements

Pursuant to the Basic Uniform Net Capital provisions of the Securities and Exchanges Commission, the Company is required to maintain a minimum net capital, as defined, in such provision. Further, the provisions require that the ratio of aggregate indebtedness, as defined, to net capital shall not exceed 15 to 1. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2020 the Company had net capital and net capital requirements of \$18,710 and \$5,000 respectively. The Company's aggregate indebtedness to net capital ratio was .22 to 1 which is less than 15:1.

Note 7: Related party transactions

The Company shares office space with an entity related by common management. The Company pays rent to one of its members for this office space. During the year December 31, 2020 the Company paid \$1,800 to its member under this agreement.

At December 31, 2020, the Company owed its Parent, The Mentor Group, LLC, \$2,650.

MENTOR SECURITIES, LLC
Notes to Financial Statements
December 31, 2020

Note 8: Commitments and Contingencies

As of the audit date there are no contingencies, guarantees of debt, and the like. Rental commitment which includes administrative services is \$150.00/month or \$1,800/year.

Note 9: Subsequent Events

Management has evaluated subsequent events through February 15, 2021, the date which the financial statements were available to be issued.

As a result of the COVID-19 outbreak in the United States, the financial and operational challenges have risen. The Company has been able to enact procedures to abate the financial and operational effects of the outbreak without a reduction in workforce. Although these challenges are expected to be temporary, the extent of the financial impact and other possible impacting matters going forward are unknown at this time.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
Mentor Securities, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Mentor Securities, LLC. indicated that Mentor Securities, LLC. may file an Exemption Report because it had no obligations under 17 C.F.R. §240.15c3-3, as its business activities are exclusively to private placements of securities and business advisory services relating to corporate finance transactions. The Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) and (2) Mentor Securities, LLC stated that Mentor Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Mentor Securities, LLC.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Mentor Securities, LLC.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in 17 C.F.R. §240.15c3-3 under the Securities Exchange Act of 1934.
