Item 4. Information on the Company

A. History and Development of the Company, page 34

1. We note that the company incorporated a number of entities during the fiscal year ended September 30, 2015. Your current disclosure does not provide much information on why the company chose to restructure its operations. In future filings please revise your disclosure to discuss the purpose for the restructuring and the impact if any on operations.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Sharon Virga, Staff Accountant at (202) 551-3385 or Terry French, Accounting Branch Chief at (202) 551-3828 if you have questions regarding comments on the financial statements and related matters.
