**Subject: Urgent Call to Expose and Address Fraudulent Activities by Chairman
Kenneth Maciora**

Dear Fellow Shareholders,

This communication is being filed to bring to your urgent attention certain activities and behaviors by Stevia Corp's Chairman, **Kenneth Maciora**, which we believe represent a pattern of fraud and mismanagement, posing significant risks to the value of your investment in STEV.

Allegations Against Kenneth Maciora

1. Fraudulent Behavior Involving \$12,000 Social Media Campaign:

- On September 25, 2024, Kenneth Maciora, acting as the owner of Empire Relations Group Inc., entered into an agreement to initiate a \$12,000 social media market awareness campaign for an OTC-listed company, **WNLV**.
- Despite receiving full payment from the client, no tangible work or progress has been made to date, with Kenneth providing only unsubstantiated assurances via SMS.
- Similar fraudulent activities have been reported by other victims, including **CDBT** and **Harmonic**, involving misrepresentation and financial harm.

2. Breach of Fiduciary Duty:

- As Chairman of STEV, Kenneth Maciora is obligated to act in the best interests of shareholders. However, his fraudulent activities outside of STEV raise serious concerns about his governance and ethical conduct.

3. Risk of Reputational Damage to STEV:

- The association of Stevia Corp with an individual accused of fraudulent and unethical behavior could tarnish the company's reputation, reduce investor confidence, and affect stock performance.

Proposed Action

1. Investigation and Accountability:

- We demand that an independent investigation be conducted into Kenneth Maciora's actions, including his role in STEV's management and external dealings that may conflict with his duties to shareholders.

2. Resignation or Removal of Kenneth Maciora:

- Given the severity of the allegations, we recommend that shareholders vote for the immediate removal of Kenneth Maciora as Chairman of Stevia Corp and the appointment of an interim Chairman with a proven record of integrity and transparency.

3. Enhanced Governance Measures:

- We propose stronger corporate governance measures, including stricter oversight of officer activities and regular shareholder updates to restore trust and accountability.
-
