Amendment No. 1 to Form 10-Q for the Quarterly Period Ended April 30, 2014

Item 1. Financial Statements

Note 10. Subsequent Events, page 18

1. We note from your response that you acquired assets from Veloxum on May 15, 2014. Please reconcile the date of acquisition with the disclosure that you acquired the assets on May 29, 2014 in your Form 8-K dated May 29, 2014. Please also explain to us how you valued the consideration issued in the acquisition, including the date that you used to

determine the fair value of the common stock issued. If available, please also provide us with a summary of the value attributed to each of the significant assets acquired.

2. Further, you told us that you are accounting for the acquisition under FASB ASC 805-10-15-4(b), as you believe the assets acquired from Veloxum do not constitute a business. We note from the purchase agreement included as exhibit 9.01 of your Form 8-K dated May 1, 2014 that you acquired all of the assets sufficient for the conduct of normal and customary operations of the business as conducted by Veloxum. We also noted that Veloxum was engaged in the business of developing, supporting and marketing application software. Please tell us in sufficient detail about your analysis in determining that you did not acquire a business as defined in the FASB Master Glossary. Also refer to FASB ASC 805-10-55-4 through 55-9.
3. To help us understand your response, please provide us with copies of exhibit 6 and schedules 1.1, 4.12, 4.15 and 4.20 of your agreement.

You may contact Jeanne Bennett, Staff Accountant, at (202) 551-3606 or Kate Tillan, Assistant Chief Accountant, at (202) 551-3604 if you have questions regarding these comments. In this regard, do not hesitate to contact me at (202) 551-3671.
