How do you maintain your books and records and prepare your financial statements?

We would like to understand more about the background of the people who are primarily responsible for preparing and supervising the preparation of your financial statements and evaluating the effectiveness of your internal control over financial reporting and their knowledge of U.S. GAAP and SEC rules and regulations. Do not identify people by name, but for each person, please tell us:

 - b) what relevant education and ongoing training he or she has had relating to U.S. GAAP;
 - c) the nature of his or her contractual or other relationship to you;
 - d) whether he or she holds and maintains any professional designations such as Certified Public Accountant (U.S.) or Certified Management Accountant; and
