Please amend your Form 10-K to include the audit report within the body of the document.

Specifically, please tell us and revise your disclosure to include the entity from which the loan was obtained, the interest rate on the loan, and any financial covenants or obligations beyond the minimum number of employees (such as time restraints to commence operations, etc.). In addition, please explain in detail the property tax abatement that you received as part of this loan, and your accounting treatment of this incentive. We may have further comments upon review of your response.
