

Exhibit 10.3 (c)

PROMISSORY NOTE

Loan No.: _____

_____, 2008
Redwood City, California

FOR VALUABLE CONSIDERATION, _____, (herein "Maker"), hereby promises to pay to REDWOOD MORTGAGE INVESTORS IX, LLC a Delaware limited liability company, or order (herein "Payee"), at the address set forth below, or at such other address as the holder hereof may from time to time designate, the sum of _____ (\$_____), with interest on the unpaid balance of the principal sum disbursed by Payee to or for the account of Maker at the interest rate specified below.

1. Interest and Payments

(a) **Fixed Rate Interest.** Maker agrees that fixed interest earned by and payable to Payee hereunder ("Interest") shall be equal to _____ percent (____%) per year of the principal sum disbursed by Payee. Interest shall be calculated for actual days elapsed on the basis of a 360-day year, which results in higher interest payments than if a 365-day were used.

(b) **Payments.** Interest shall be payable by Maker from the date of disbursement of funds by Payee, with the Interest for the period through _____, 2008, due and payable upon execution and delivery of this Note. Beginning on _____, 2008, and on the first day of each consecutive month thereafter until the Maturity Date (as defined below), Maker shall make monthly payments of \$_____ consisting of principal and Interest. All payments received shall be credited first to costs, then to Interest, and last to principal due hereunder.

2. Maturity Date. The outstanding principal balance of this Note and all accrued but unpaid Interest shall be due and payable in full on _____ ("Maturity Date").

3. Prepayment. The right is reserved by Maker to prepay the outstanding principal amount in whole or in part together with accrued Interest thereon. All prepayments shall be applied to the most remote principal installments then unpaid under this Note.

4. Late Charge. If Payee fails to receive any payments of Interest or principal within ten (10) days after the date the same is due and payable, a late charge to compensate Payee for damages Payee will suffer as a result shall be immediately due and payable. Maker recognizes that a default by Maker in making the payments agreed to be paid when due will result in Payee's incurring additional expenses in servicing the loan, including, but not limited to, sending out notices of delinquency, computing interest, and segregating the delinquent sums from not delinquent sums on all accounting, loan and data processing records, in loss to Payee of the use of the money due, and in frustration to Payee in meeting its other financial commitments. Maker agrees that if for any reason Maker fails to pay any amounts due under this Note so that Payee fails to receive such payments within ten (10) days after the same are due and payable, Payee shall be entitled to damages for the detriment caused thereby, but that it is extremely difficult and impractical to ascertain the extent of such damages. Maker therefore agrees that a sum equal to \$.06 for each \$1.00 of each payment that becomes delinquent ten (10) days after its due date, is a reasonable estimate of the fair average compensation for the loss and damages Payee will suffer, that such amount shall be presumed to be the amount of damages sustained by Payee in such case, and that Maker agrees to pay Payee this sum on demand.

5. Default. If there exists any Event of Default, as defined below, under the terms of this Note or under the terms of the Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing ("Deed of Trust") dated on or about the date of this Note executed by Maker to PLM Lender Services, Inc., a California corporation, as Trustee, for the use and benefit of Payee covering and relating to the interest of Maker in the property particularly described in Exhibit A to the Deed of Trust ("Property") or any other document executed in connection with this Note (herein called "Loan Documents"), Payee or the holder hereof is expressly authorized without notice or demand of any kind to make all sums of Interest and principal and any other sums owing under this Note immediately due and payable and to apply all payments made on this Note or any of the Loan Documents to the payment of any such part of any Event of Default as it may elect.

An Event of Default shall be either: (1) a default in the payment of the whole or in any part of the several installments of this Note when due, or (2) any of the Events of Default contained in any of the Loan Documents. At any time after an Event of Default the entire unpaid balance of principal, together with Interest accrued thereon, shall, at the option of the legal holder hereof and without notice (except as specified in any Loan Documents) and without demand or presentment, become due and payable at the place of payment. Anything contained herein or in any of the Loan Documents to the contrary notwithstanding, the principal balance together with accrued Interest thereon so accelerated and declared due as aforesaid shall continue to bear Interest and shall include compensation for late payments on any and all overdue installments as described above.

If an Event of Default has occurred, the failure of Payee or the holder hereof to promptly exercise its rights to declare the indebtedness remaining unpaid hereunder to be immediately due and payable shall not constitute a waiver of such rights while such Event of Default continues nor a waiver of such right in connection with any future Event of Default.

Maker hereby waives presentment for payment, protest and demand, and notice of protest, demand, dishonor, nonpayment and nonperformance including notice of dishonor with respect to any check or draft used in payment of any sum due hereunder.

6. Legal Limits. All agreements between Maker and Payee are hereby expressly limited so that in no event whatsoever, whether by reason of deferment in accordance with this Note or under any agreement or by virtue of the advancement of the loan proceeds, acceleration or maturity of the loan, or otherwise, shall the amount paid or agreed to be paid to the Payee for the loan, use, forbearance or detention of the money to be loaned hereunder or to compensate Payee for damages to be suffered by reason of a late payment hereof, exceed the maximum permissible under applicable law. If, from any circumstances whatsoever, fulfillment of any provision hereof, or of any provision in any of the Loan Documents at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, ipso facto the obligations to be fulfilled shall be reduced to the limit of such validity. This provision shall never be superseded or waived and shall control every other provision of all agreements between Maker and Payee.

7. Attorneys' Fees. If an action is instituted on this Note, or if any other judicial or non-judicial action is instituted by the holder hereof or by any other person, and an attorney is employed by the holder hereof to appear in any such action or proceeding or to reclaim, sequester, protect, preserve or enforce the holder's interest in the real property security or any other security for this Note, including, but not limited to, proceedings to foreclose the loan evidenced hereby, proceedings under the United States Bankruptcy Code, or in eminent domain, or under the probate code, or in connection with any state or federal tax lien, or to enforce an assignment of rents, or for the appointment of a receiver, the Maker and every endorser and guarantor hereof and every person who assumes the obligations evidenced by this Note and the Loan Documents, jointly and severally promise to pay reasonable attorney's fees for services performed by the holder's attorneys, and all costs and expenses incurred incident to such employment. If Maker is the prevailing party in any action by Maker pursuant to this Note, Payee shall pay such attorneys fees as the court may direct.

8. Interest After Expiration or Acceleration. If the entire balance of principal and accrued Interest is not paid in full on the Maturity Date or upon acceleration of this Note as provided in paragraphs 5 above or 10 below, without waiving or modifying in any way any of the rights, remedies or recourse Payee may have under this Note or under any of the Loan Documents by virtue of this default, the entire unpaid balance of principal and accrued Interest shall bear interest from the Maturity Date or the date of acceleration until paid in full at the higher of: (a) eighteen percent (18%) per annum; or (b) a fluctuating rate per annum at all times equal to the Discount Rate of the Federal Reserve Bank of San Francisco ("Discount Rate") plus _____ percent (___%) ("Maturity Interest Rate"). If at any time the Discount Rate (or any previously substituted alternative index) is no longer available, is unverifiable, or is no longer calculated in substantially the same manner as before, then Payee may, in its sole and absolute discretion, select and substitute an alternative index over which Payee has no control. In addition, the holder hereof shall have any and all other rights and remedies available at law or in equity or under the Deed of Trust.

9. Security. This Note is secured by and is entitled to the benefits of the Deed of Trust. The provisions of the Deed of Trust are incorporated herein by reference as if set forth in full, and this Note is subject to all of the covenants and conditions therein contained.

10. Acceleration. Without limiting the obligations of Maker or the rights and remedies of Payee or the holder hereof under the terms and covenants of this Note and the Deed of Trust, Maker agrees that Payee shall have the right, at its sole option, to declare any indebtedness and obligations hereunder or under the Deed of Trust, irrespective of the Maturity Date specified herein, due and payable in full if: (1) Maker or any one or more of the tenants-in-common, joint tenants, or other persons comprising Maker sells, enters into a contract of sale, conveys, alienates or encumbers the Property or any portion thereof or any fractional undivided interest therein, or suffers Maker's title or any interest therein to be divested or encumbered, whether voluntarily or involuntarily, or leases with an option to sell, or changes or permits to be changed the character or use of the Property, or drills or extracts or enters into a lease for the drilling for or extracting of oil, gas or other hydrocarbon substances or any mineral of any kind or character on the Property; (2) The interest of any general partner of Maker (or the interest of any general partner in a partnership that is a partner) is assigned or transferred; (3) If Maker is a corporation or partnership, more than twenty-five percent (25%) of the corporate stock of Maker (or of any corporate partner or other corporation comprising Maker) is sold, transferred or assigned; (4) There is a change in beneficial ownership with respect to more than twenty-five percent (25%) of Maker (if Maker is a limited liability company, trust or other legal entity) or of any partner or tenant-in-common of Maker which is a limited liability company, trust or other legal entity; or (5) a default has occurred hereunder or under any Loan Document and is continuing. In such case, Payee or other holder of this Note may exercise any and all of the rights and remedies and recourses set forth in the Deed of Trust and as granted by law. Maker and any successor who acquires any record interest in the Property agrees to notify Payee promptly in writing of any transaction or event described in this section.

11. Governing Law and Severability. This Note is made pursuant to, and shall be construed and governed by, the laws of the State of California. If any paragraph, clause or provision of this Note or any of the Loan Documents is construed or interpreted by a court of competent jurisdiction to be void, invalid or unenforceable, such decision shall affect only those paragraphs, clauses or provisions so construed or interpreted and shall not affect the remaining paragraphs, clauses and provisions of this Note or the other Loan Documents.
