If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. We also note that Steve Adelstein is the sole shareholder, officer and director of Thewebdigest Corp. and that Judith Adelstein is the sole officer, director and shareholder of the BuyRite Club Corp. and Tammi Shnider owns 10.5% of the outstanding stock of BuyRite Club Corp. In addition, The Gift Card Digest Corp.,

We also note that a Steven Adelstein is the CEO of Information Architects, who is not current in its reporting obligations. Please advise us of any additional relationships you or other affiliated persons may have with any other public company currently or in the past.

In light of this track record, please tell us, with a view to disclosure in your filing, why Rule 419 of Regulation C does not apply to you. Alternatively, please revise your disclosure throughout your registration statement to comply with Rule 419. Rule 419, concerning offerings by blank check companies, defines a blank check company in section (a)(2) as a company issuing penny stock that is “a development stage company that has no specific business plan or purpose or has indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies, or other entity.”

4. We note your statement in the first paragraph on page three that you will need a market-maker to apply for the quotation of your common stock on the Over-the-Counter Bulletin Board. Please revise your disclosure to indicate that there is no assurance that a market-maker will be obtained, and please disclose that you will file a post-effective amendment to reflect the change to a market price if your shares begin trading on a market or an exchange.

your use of “selling security holder” you mean the company, please revise your disclosure to refer to the company. Alternatively, if the “selling security holder” is someone other than the company, please clarify who mean by “selling security holder” and why you are referring to them in this instance.

As appropriate, please amend your registration statement in response to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Act of 1933 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the company requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.
