**Re: Executive English Institute, Inc.
Amendment No. 7 to Registration Statement on Form S-1
Filed on October 13, 2009
File No. 333-158528**

Dear Mr. Rudish:

We have reviewed your responses to the comments in our letter dated October 2, 2009, and have the following additional comments.

Age of Financial Statements

1. Please revise to update the financial statements and other financial information to include the interim period ended August 31, 2009, as required by Rule 8-08 of Regulation S-X.

Unaudited Financial Statements

Balance Sheet, page FF-3

2. We note you revised your disclosure on page FF-3 to reflect inconsistent disclosure we requested you to revise in a prior comment. Thus, we refer you to and reissue our prior comment three in our letter dated September 8, 2009.

Note 1 – Condensed Financial Statements, page FF-6

3. We note your disclosure that the Company's February 28, 2009 audited financial statements are reported in "Form S-1/A filed with the SEC on December 16, 2009." Revise your disclosure to delete the reference to the filing of a registration statement by the Company on this date.

As appropriate, please amend your filing in response to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand

that we may have additional comments after reviewing your amendments and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Act of 1933 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the company requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statement. We will act on the request and, pursuant to delegated authority, grant acceleration of the effective date.

We direct your attention to Rules 460 and 461 regarding requesting acceleration of a registration statement. Please allow adequate time after the filing of any amendment for further review before submitting a request for acceleration. Please provide this request at least two business days in advance of the requested effective date.
