Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Item 9. Market Price of, and Dividends on, the Registrant's Common Equity and Related Stockholder Matters.

(a) Market Information, page 10

3. You disclose that your common stock trades on the OTC Pink. Please amend your disclosure here to inform investors that the OTC Pink includes warnings to "STOP" and that your common stock is "Dark or Defunct," and describe for investors the meaning of such designations.

(d) Equity Compensation Plan Information, page 10

4. We note your disclosure that "the Company has granted shares of restricted stock to its officers, directors and others for services periodically and as part of some of the officers' employment agreements." However, your disclosure on page 9 states that "[t]he Company does not have employment agreements with any of its officers or directors," and your Summary Compensation table and other executive compensation disclosure does not include a discussion of restricted stock awards. Please amend your filing to reconcile these disclosures.

General

5. We note your disclosures that "[n]o revenue has been generated by the Company," and "[i]t is unlikely the Company will have any revenues unless it is able to effect an acquisition or merger with an operating company, of which there can be no assurance." We also note that you appear to have nominal assets. Therefore, it appears that you are a shell company as defined in Rule 12b-2 of the Exchange Act. Please amend your filing to prominently disclose your shell company status and disclose the consequences of that status, including details regarding compliance with Rule 419 in connection with any offering of your securities, the prohibition on the use of Form S-8 by shell companies, enhanced reporting requirements imposed on shell companies, and the conditions that must be satisfied before restricted and control securities may be resold in reliance on Rule 144.
6. Please be advised that your registration statement will automatically become effective sixty days after filing. Upon effectiveness, you will become subject to the reporting requirements of the Securities Exchange Act of 1934, even if we have not cleared your comments. If you do not wish to incur those obligations until the review process is completed, you may wish to consider withdrawing your registration statement and resubmitting a new registration statement when you have revised your document.
