Amendment No.1 to
Registration Statement on Form S-3
Filed August 24, 2023
File No. 333-272037

Dear Steven Dunn:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our June 1, 2023 letter.

Amendment to Form S-3 filed August 24, 2023

1. Refer to your response and revised disclosure to comment 4. We reissue the comment in part, as we do not see the requested revisions to add additional, more timely disclosure about palladium's prices in 2023 and how they compare to pricing in previous years and to include quantitative and qualitative disclosures that address 2023 price declines and the reasons for the declines.
