Dear Sir/Madam:

We have read the statements included under Item 4.01 in the Form 8-K dated September 24, 2009 of Green Star Alternative Energy, Inc. (the "Company") to be filed with the Securities and Exchange Commission and we agree with such statements insofar as they relate to our dismissal and our review of their interim financial statements for the quarter ended June 30, 2009, for which we had a going concern paragraph in the Review Report. We cannot confirm or deny that the appointment of Chang G. Park, CPA was approved by the Board of Directors, or that they were not consulted prior to their appointment as auditors.

Regarding item 4.02, we have not seen documentation supporting the treatment of the wind sensors as assets rather than expenses.

Very truly yours,

Seale and Beers, CPAs
