General

1. There does not appear to be an existing established trading market for your securities. We note your common stock is quoted on the OTC Pink marketplace. Please note that an at-the-market resale offering under Rule 415 is not available for registrants quoted on the OTC Pink marketplace. Please revise your prospectus to disclose a fixed price at which the selling shareholders will offer and sell their shares until your shares are listed on a national securities exchange or quoted on the OTC Bulletin Board, OTCQX, or OTCQB, at which time they may be sold at prevailing market prices or in privately negotiated transactions.
