

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

### To the Member of Silvergrove Advisors LLC

We have audited the accompanying statement of financial condition of Silvergrove Advisors LLC (the "Company"), as of December 31, 2015, and the related statements of operations and changes in member's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supporting schedules required by SEA Rule 17a-5 have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supporting schedules are the responsibility of the Company's management. Our audit procedures included determining whether the information in the supporting schedules reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supporting schedules. In forming our opinion on the supporting schedules, we evaluated whether the supporting schedules, including their form and content, are presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supporting schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.
