Item 1. Business, page 3

Revenue – Affiliation Fee Revenues, page 5

We note that over 90% of your consolidated revenues are attributable to your carriage agreements that are concentrated among four distributors. To provide investors with greater insight into your future cash flows and revenue streams, provide ranges of expiration dates for your carriage agreements with your most significant distributors.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
