Dear Mr. Block:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Statement of Financial Condition as of September 30, 2009

5. We have read your response to comment 37. Since Preferred is also the Managing Member of each of the members of KMP Futures Fund I LLC ("KMP"), it appears that KMP's investors are likely to be influenced by the financial condition of Preferred. Please revise to disclose the events that caused the significant decrease in stockholder's equity of Preferred during the interim period. Also, revise to clarify whether there is commitment or intent by Preferred to fund cash flow deficits or provide other direct or indirect financial assistance to KMP.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.
