2. Since the director, JC Capital Management, Limited, is a body corporate, disclose whether it has appointed an individual as its duly authorized representative for the purpose of representing it at meetings of the directors, the signing of consents, or otherwise, and, if so, identify the individual. We note the disclosure in section 9.4 of exhibit 1.2.

Capitalization and indebtedness, page 1; Related Party Transactions, page 9; Material contracts, page 10

3. Since Alpine Venture Associates, LLC or Alpine Venture is a related party which is controlled by its 100% shareholder and sole director, James Hahn, who is the president, chief executive officer, chief financial officer, and secretary of the registrant, file the loan agreement and the consulting services agreement as exhibits to the registration statement. See Item 19 of Form 20-F and Instruction 4 to exhibits on Form 20-F.

4. Quantify the amount of time that management will devote to seek a target company.

We cannot assure you that following a business combination with an operating business, our Shares will be listed on NASDAQ or any other U.S. or foreign securities exchange, page 5

7. Since NASDAQ is a quotation system and not an exchange, securities are quoted and not listed on NASDAQ. Please revise.

Form of Acquisition, page 5

8. Provide more detail on how the registrant will proceed in seeking out a target company, addressing matters such as the manner of the solicitation of prospective investors, the number of persons who will be contacted or solicited and their relationship to the registrant.
9. Indicate whether the registrant may pay cash finder's fees and whether the registrant may issue securities as finder's fees.
10. Disclose whether the registrant may merge with or acquire another company in which its promoters, management, or promoters' or management's affiliates or associates, directly or indirectly, have an ownership interest. If the registrant's corporate policy does not permit such related party transactions, explain the basis for the policy. Further, add disclosure on whether the registrant's promoters and management are aware of any circumstances under which it may change this corporate policy.
11. For any merger with or acquisition of another company, address these matters:
 - The degree of control/level of ownership that the registrant would have in a merger with or acquisition of another company.
 - If the registrant may acquire a 50% or less interest, discuss whether/how the 1940 Act would apply to the registrant.
 - Define and explain the minimal transaction value required of any target company in a merger or acquisition by the registrant.
 - Whether you intend to provide shareholders with complete disclosure concerning a target company and its business, including audited financial statements, before any merger or acquisition.
 - The effect of your reporting obligations under the Exchange Act on the pool of potential merger or acquisition candidates, particularly the requirement for certified financial statements of acquired companies.

- Whether the payment of compensation to any director, officer, or promoter could be a condition to which a target company must agree.

Related Party Transactions, page 13

17. Disclosure that there are no related party transactions is inconsistent with disclosures on page 5 that the director loaned the registrant \$6,000 and paid expenses aggregating \$1,726 on August 26, 2009 and disclosure on page F-9 that the registrant entered into a consulting agreement with a related party on June 15, 2009.
