

Financial Report

Seed Genetics International Pty Ltd

Year Ended 30 June 2012

DIRECTORS' REPORT

The directors present their report together with the financial report of Seed Genetics International Pty Ltd for the financial year ended 30 June 2012.

Directors

The names of the directors in office at any time during, or since the end of the year are:

Mr Dennis Jury
Mr David Stanley Pengelly
Mr Ross Whyte Downes
Mr Mark Harvey

Directors have been in office since the start of the financial year to the date of the report unless otherwise stated.

Principal Activities

The principal activities of the company during the course of the financial year were the wholesale purchasing and sale of seed.

There were no significant changes in the nature of the activities of the company during the year.

Operating Results

The operating profit of the Company, after income tax for the financial year ended 30 June 2012 amounted to \$1,148,546 (2011: \$59,400).

Dividends

A fully franked dividend totalling \$184,000 was paid during the year ended 30 June 2012 (2011: \$Nil).

State of Affairs

There were no other significant changes in the state of affairs of the company during the financial year.

Environmental Regulation

The company's operations are not subject to any significant environmental regulations under Commonwealth or State legislation. However, the Board believes that the Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the entity.

Events Subsequent to Balance Date

There has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material or unusual nature likely, in the opinion of the Director's of the company to significantly affect the operations, the result of those operations or the state of affairs of the company in future financial years.

SEED GENETICS INTERNATIONAL PTY LTD

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements (including Australian Accounting Interpretations) and other authoritative pronouncements of the Australian Accounting Standards Board.

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial report covers Seed Genetics International Pty Ltd ("Company"). Seed Genetics International Pty Ltd is a company limited by shares, incorporated and domiciled in Australia.

Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical cost, modified, where applicable by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

The financial statements were authorised for issue by the directors on 15 March 2013.

Accounting Policies

(a) Revenue and Other Income

Revenue is measured at fair value of the consideration received or receivable.

Revenue from the sale of goods is recognised when the risk and title to the goods transfers to the customer.

Interest revenue is recognised on a proportional basis taking into account the interest rate applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Borrowing Costs

All borrowing costs are recognised in the Statement of Comprehensive Income in the period in which they are incurred.

(c) Foreign Currency

Transactions and balances

Foreign currency transactions and balances are translated into functional currency using the exchange rates prevailing at the date of the transaction. Foreign currency monetary items are translated at the year-end exchange rate.

Non-monetary items measured at historical cost continue to be carried at the exchange rate at the date of transaction. Non-monetary items are measured at fair value are reported at the exchange rate at the date when fair values were determined.

Exchange differences arising on the translation of non-monetary items are recognised through the statement of comprehensive income.

(d) Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using the applicable income tax rates as at reporting date. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

Accounting Policies (Cont)

(d) Income Tax (Cont)

Current and deferred income tax expense (income) is charged or credited directly to equity instead of the profit or loss when the tax relates to items that are credited or charged to equity.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled based on tax rates at balance date. Their measurements also reflect the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(f) Inventories

Inventories are measured at the lower of estimated purchase price and net realisable value.

The estimated purchase price reflects managements best estimate of the expected purchase price of seed from growers.

Net realisable value is determined on the basis of normal selling patterns. Expenses of marketing, selling and distribution to customers are estimated and are deducted to establish net realisable value.

(g) Plant and Equipment

Plant and Equipment

Plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets is depreciated over their useful lives to the economic entity commencing from the time the asset is held ready for use.

Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The average depreciation rate used for the depreciation of plant and equipment ranges from 10% - 67% (2011: 10% - 67%).

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at each balance date.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(g) Plant and Equipment (Cont)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

(h) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(i) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

(j) Goods and Service Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office ATO. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(k) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that is transferred to entities in the economic entity, are classified as finance leases.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(l) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(m) Impairment of Assets

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Impairment testing is performed annually for tangible and intangible assets with indefinite lives.

Where it is not possible to estimate the recoverable amount of an individual asset, the company identifies the best estimate.

(n) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Impairment

The company assesses impairment at each reporting date by evaluating conditions specific to the company that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Doubtful Debts Provision

The provision for doubtful debts is based on prior history and understanding of the position of each debtor as at 30 June 2012.

(o) Financial Instruments

Recognition and Initial Measurement

Financial assets and financial liabilities are recognised when the consolidated entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the consolidated entity commits itself to either the purchase or sale of the asset.

Payables and receivables

Payables and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method where applicable.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At each reporting date, the consolidated entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

Impairment

At each reporting date, the consolidated entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(o) Financial Instruments (Cont)

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(p) Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Group

At the date of authorisation of these financial statements, certain new standards, amendments and interpretations to existing standards have been published but are not yet effective, and have not been adopted early by the Group.

Management anticipates that all of the relevant pronouncements will be adopted in the Group's accounting policies for the first period beginning after the effective date of the pronouncement. Information on new standards, amendments and interpretations that are expected to be relevant to the Group's financial statements is provided below.

Certain other new standards and interpretations have been issued but are not expected to have a material impact on the Group's financial statements.

AASB 9 Financial Instruments (effective from 1 January 2013)

The AASB aims to replace AASB 139 Financial Instruments: Recognition and Measurement in its entirety. The replacement standard (AASB 9) is being issued in phases. To date, the chapters dealing with recognition, classification, measurement and derecognition of financial assets and liabilities have been issued. These chapters are effective for annual periods beginning 1 January 2013. Further chapters dealing with impairment methodology and hedge accounting are still being developed.

Management have yet to assess the impact that this amendment is likely to have on the financial statements of the Group. However, they do not expect to implement the amendments until all chapters of AASB 9 have been published and they can comprehensively assess the

impact of all changes.

Consolidation Standards

A package of consolidation standards are effective for annual periods beginning or after 1 January 2013. Information on these new standards is presented below. The Group's management have yet to assess the impact of these new and revised standards on the Group's consolidated financial statements.

AASB 10 Consolidated Financial Statements (AASB 10)

AASB 10 supersedes the consolidation requirements in AASB 127 Consolidated and Separate Financial Statements (AASB 127) and Interpretation 112 Consolidation – Special Purpose Entities. It revised the definition of control together with accompanying guidance to identify an interest in a subsidiary. However, the requirements and mechanics of consolidation and the accounting for any non-controlling interests and changes in control remain the same.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

- (p) **Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Group (Cont)**

AASB 11 Joint Arrangements (AASB 11)

AASB 11 supersedes AASB 131 Interests in Joint Ventures (AASB 131). It aligns more closely the accounting by the investors with their rights and obligations relating to the joint arrangement. It introduces two accounting categories (joint operations and joint ventures) whose applicability is determined based on the substance of the joint arrangement. In addition, AASB 131's option of using proportionate consolidation for joint ventures has been eliminated. AASB 11 now requires the use of the equity accounting method for joint ventures, which is currently used for investments in associates.

AASB 12 Disclosure of Interests in Other Entities (AASB 12)

AASB 12 integrates and makes consistent the disclosure requirements for various types of investments, including unconsolidated structured entities. It introduces new disclosure requirements about the risks to which an entity is exposed from its involvement with structured entities.

Consequential amendments to AASB 127 Separate Financial Statements (AASB 127) and AASB 128 Investments in Associates and Joint Ventures (AASB 128)

AASB 127 Consolidated and Separate Financial Statements was amended to AASB 127 Separate Financial Statements which now deals only with separate financial statements. AASB 128 brings investments in joint ventures into its scope. However, AASB 128's equity accounting methodology remains unchanged.

AASB 13 Fair Value Measurement (AASB 13)

AASB 13 does not affect which items are required to be fair-valued, but clarifies the definition of fair value and provides related guidance and enhanced disclosures about fair value measurements. It is applicable for annual periods beginning on or after 1 January 2013. The Group's management have yet to assess the impact of this new standard.

AASB 2011-9 Amendments to Australian Accounting Standards Presentation of Items of Other Comprehensive Income s (AASB 101 Amendments)

The AASB 101 Amendments require an entity to group items presented in other comprehensive income into those that, in accordance with other IFRSs: (a) will not be reclassified subsequently to profit or loss and (b) will be reclassified subsequently to profit or loss when specific conditions are met. It is applicable for annual periods beginning on or after 1 July 2012. The Group's management expects this will change the current presentation of items in other comprehensive income; however, it will not affect the measurement or recognition of such items.

AASB 2011-4 Amendments to Australian Accounting Standards to Remove Individual Key Management Personnel Disclosure Requirements (AASB 124 Amendments)

AASB 2011-4 makes amendments to AASB 124 Related Party Disclosures to remove individual key management personnel disclosure requirements, to achieve consistency with the international equivalent (which includes requirements to disclose aggregate (rather than individual) amounts of KMP compensation), and remove duplication with the Corporations Act 2011. The amendments are applicable for annual periods beginning on or after 1 July 2013. The Group's management have yet to assess the impact of these amendments.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

	Note	2012 \$	2011 \$
NOTE 10 - DERIVATIVE FINANCIAL ASSETS			
Forward foreign exchange contracts - cash flow hedges		54,982	(62,077)

(a) Instruments used by the company

The company is party to derivative financial instruments in the normal course of business in order to hedge exposure to fluctuations in foreign exchange rates in accordance with the company's financial risk management policies.

(i) Forward exchange contracts - cash flow hedges

The Australian operations sell through out the world. In order to protect against exchange movements, the company has entered into forward exchange contracts to sell US Dollars and EURO's.

These contracts are hedging highly probable receipts for the ensuing financial year. The contracts are timed to mature when receipts from sales are scheduled to be made.

The portion of the gain or loss on the hedging instrument that is determined to be as effective hedge is recognised in other comprehensive income. When the cash flows occur, the group adjusts the initial measurement of the component recognised in the balance sheet by removing the amount from other comprehensive income.

	2012 \$	2011 \$
	54,982	(62,077)

NOTE 11 - TRADE AND OTHER PAYABLES

Current

Trade creditors	11,265,954	5,801,164
	11,265,954	5,801,164

NOTE 12 - PROVISIONS

Current

Annual leave	15,196	13,386
Long service leave	39,490	22,985
Payroll liabilities	22,161	27,827
	76,847	64,198

Non-Current

Long service leave	17,714	18,936
	17,714	18,936

Provision for Long-Term Employee Benefits

A provision has been recognised for non current benefits relating to long service leave for employees.

In calculating the present value of future cash flows, the probability of long service leave being taken is based on historical data. The measurement and recognition criteria for employee benefits has been included in Note 1.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

	2012 \$	2011 \$
NOTE 13 - FINANCIAL LIABILITIES		
Current		
Bank overdraft	-	717,892
Stock finance facility	2,000,000	2,600,000
	<u>2,000,000</u>	<u>3,317,892</u>

Charge

The bank debt is secured by a fixed and floating charge over all the present and future rights, property and undertakings of the company. Each of the directors have also provided a directors guarantee to support the bank overdraft facility. The covenants imposed by the bank include a capital adequacy ratio and a times interest earned cover.

The company was in breach of the covenants for the years ended 30 June 2011 and 30 June 2012 however the bank took no action with respect to the breaches. The company did not receive a formal waiver of the breaches from the bank.

NOTE 14 - OTHER LIABILITIES

Customer deposits	97,670	373,988
Current royalty payable	110,000	110,000
	<u>207,670</u>	<u>483,988</u>

	2012	2011
	\$	\$
NOTE 16 - COMMITMENTS		
(a) Operating Lease Commitments		
Non-cancellable operating leases contracted for but not capitalised in the financial statements.		
Payable - minimum lease commitments:		
Not later than 12 months	26,400	13,500
Between 12 months and five years	21,856	-
Greater than 5 years	-	-
	<u>48,256</u>	<u>13,500</u>

The property lease is a non-cancellable lease for 138 Greenhill Road, Unley, SA 5061. The lease has a term of two years, with rent payable monthly in advance. Contingent rental provisions within the lease agreement identify that the minimum lease payments maybe increased as a result a joint review. A one year right of renewal is in place and can be exercised at the end of the agreement at 30 April 2014.

The company also has a non cancellable lease for rent of the Keith Office. Rent is paid monthly with no defined term.

(a) Operating Lease Commitments

Capital expenditure commitments contracted for:

Land purchases	202,244	-
	<u>202,244</u>	<u>-</u>

The land purchase relates to Allotments 4 and 5 Stirling Road, Keith. A \$10,000 deposit had been paid to 30 June 2012.

(b) Grower Commitments

The company has entered into contracts with its growers varying in term of between 1 and 6 years to purchase all SGI seed produced at prices to be determined following delivery.

NOTE 17 - CONTINGENT LIABILITIES

The directors are not aware of any circumstances or information which would lead them to believe that any contingent liabilities exist that would crystallise and consequently no provisions are included in the accounts in respect of these matters.

NOTE 18 - EVENTS SUBSEQUENT TO BALANCE DATE

There has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material or unusual nature likely, in the opinion of the Directors of the company to significantly affect the operations, the result of those operations or the state of affairs of the company in future financial years.

Change in assets and liabilities during the financial year		
(Increase)/decrease in trade receivables	(2,107,462)	921,903
(Increase)/decrease in inventory	(2,753,097)	4,605,601
(Increase)/decrease in prepayments	88,286	(109,150)
Increase/(decrease) in trade payable	5,467,790	(2,523,354)
Increase/(decrease) in other liabilities	(386,318)	(93,544)
Increase/(decrease) in current and deferred tax balances	482,708	21,404
Increase/(decrease) in provisions	11,427	20,998
	1,964,183	2,916,707

NOTE 20 - RELATED PARTIES

Directors

The names of each person holding the position of director of the company during the financial year are messrs D Jury, M Harvey, R Downes and D Pengelly.

At 30 June 2012 the company had provided short term loans to each director outlined in note 6 totalling \$296,000.

David Pengelly has entered into a material contract with the company through the related party Bungalally Farms. Bungalally Farms sells seed to the company which is valued and paid through the established procedures. The total value of seed purchases during the year was \$723,631 (2011 - \$1,138,898).

Balance owing to Bungalally Farms as at 30 June 2012 \$168,286 (2011: \$212,161)

From time to time Directors of the company or their Director-related entities may purchase goods from the company. These purchases are on the same terms and conditions as those entered into by other company employees except that Directors may not purchase on credit terms.

Directors' Shareholdings

The relevant interests of Directors and their Director-related entities in shares of the company at year end are:

	Number Held	Number Held
Ordinary Shares	2,000	2,000

As at 30 June 2012 there are \$296,000 of loans owing by the directors.

FOR THE YEAR ENDED 30 JUNE 2012

NOTE 21 - KEY MANAGEMENT PERSONNEL COMPENSATION

	Short Term Benefits Salary and Fees \$	Post Employment Benefits Superannuation \$	Other \$	Total \$
2012				
Total compensation	510,650	15,719	45,600	571,969
2011				
Total compensation	447,000	12,150	42,600	501,750

NOTE 22 - COMPANY DETAILS

The registered office and principal place of business of the company is:

Registered Office
C/- Grant Thornton Australia Ltd
Level 1
67 Greenhill Road
Wayville, SA 5034

Principal Place of Business
138 Greenhill Road
Unley, SA 5061

NOTE 23 - USGAAP AND A-IFRS GENERALLY ACCEPTED ACCOUNTING
POLICY DIFFERENCES

The Company's audited consolidated financial statements are prepared in accordance with Australian IFRS (A-IFRS), which differ in certain respects from US generally accepted accounting principles (GAAP). The following items present the impact of material differences between A-IFRS and US GAAP on the Company's audited consolidated financial statements.

(a) Consolidated income statements

		Consolidated 2012 \$	2011 \$
Profit/(Loss) for the year based on AIFRS		1,148,546	59,400
Reversal of hedge accounting through profit/(loss)	(i)	(117,059)	179,147
Profit for the year based on US GAAP		1,031,487	238,547

- (i) The cash flow hedge reserve captures the fair value of hedges at balance date undertaken for specific sales transactions which will occur in future periods. The basis for hedge accounting does not meet the requirements of USGAAP. As a consequence the movements in the reserve have been recognised through the profit and loss in the period.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2012

NOTE 23 - USGAAP AND A-IFRS GENERALLY ACCEPTED ACCOUNTING POLICY
DIFFERENCES (CONT)

(b) Consolidated statement of changes in equity

The following table reconciles the total equity as at 30 June 2012 as reported in the audited consolidated statements of changes in equity reported under A-IFRS to what would have been reported had the audited consolidated financial statements been prepared in accordance with USGAAP:

	Notes	Contributed Equity \$	Cash flow Hedge Reserves \$	Retained Earnings \$	Total \$
Total Equity under AIFRS		2,000	(54,982)	115,240	62,258
Reversal of hedge accounting through profit/(loss)	(i)	-	117,059	(117,059)	-
Prior period	(ii)	-	(62,077)	62,077	-
Total equity under USGAAP		2,000	-	60,258	62,258

The following table reconciles the total equity as at 30 June 2011 as reported in the audited consolidated statements of changes in equity reported under A-IFRS to what would have been reported had the audited consolidated financial statements been prepared in accordance with USGAAP:

	Notes	Contributed Equity \$	Cash flow Hedge Reserves \$	Retained Earnings \$	Total \$
Total Equity under AIFRS		2,000	62,077	(849,306)	(785,229)
Hedge accounting	(i)	-	(179,147)	179,147	-
Prior period		-	117,070	(117,070)	-
Total equity under USGAAP		2,000	-	(787,229)	(785,229)

- (i) The amounts recognised in the cash flow hedge reserve do not meet the recognition criteria under USGAAP. As a consequence the movements in the reserve have been recognised through the profit and loss.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SEED GENETICS INTERNATIONAL PTY LTD

We have audited the accompanying financial report of Seed Genetics International Pty Ltd (the "Company"), which comprises the statement of financial position as at 30 June 2012, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the company.

Directors' responsibility for the financial report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Equivalents to International Financial Reporting Standards – Reduced Disclosure Requirements and the Corporations Act 2001. The Directors' responsibility also includes such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

Grant Thornton Audit Pty Ltd ACN 130 913 594
a subsidiary or related entity of Grant Thornton Australia Ltd ABN 41 127 556 389

Grant Thornton Australia Limited is a member firm within Grant Thornton International Ltd. Grant Thornton International Ltd and the member firms are not a worldwide partnership. Grant Thornton Australia Limited, together with its subsidiaries and related entities, delivers its services independently in Australia.

Liability limited by a scheme approved under Professional Standards Legislation

Grant Thornton

In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's opinion

In our opinion:

- a the financial report of Seed Genetics International Pty Ltd is in accordance with the Corporations Act 2001, including:
 - i giving a true and fair view of the Company's financial position as at 30 June 2012 and of its performance for the year ended on that date; and
- b complying with Australian Equivalents to International Financial Reporting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.

Adelaide, 15 March 2013

Financial Report

Seed Genetics International Pty Ltd

Year Ended 30 June 2011

DIRECTORS' REPORT

The directors present their report together with the financial report of Seed Genetics International Pty Ltd for the financial year ended 30 June 2011.

Directors

The names of the directors in office at any time during, or since the end of the year are:

Mr Dennis Jury
Mr David Stanley Pengelly
Mr Ross Whyte Downes
Mr Mark Harvey

Directors have been in office since the start of the financial year to the date of the report unless otherwise stated.

Principal Activities

The principal activities of the company during the course of the financial year were the wholesale purchasing and sale of seed.

There were no significant changes in the nature of the activities of the company during the year.

Operating Results

The operating profit of the Company, after income tax for the financial year ended 30 June 2011 amounted to \$59,400 (2010 loss: \$639,301).

Dividends

No dividends were paid or proposed during the financial year.

State of Affairs

There were no other significant changes in the state of affairs of the company during the financial year.

Environmental Regulation

The company's operations are not subject to any significant environmental regulations under Commonwealth or State legislation. However, the Board believes that the Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the entity.

Events Subsequent to Balance Date

There has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material or unusual nature likely, in the opinion of the Director's of the company to significantly affect the operations, the result of those operations or the state of affairs of the company in future financial years.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2011

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements (including Australian Accounting Interpretations) and other authoritative pronouncements of the Australian Accounting Standards Board.

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial report covers Seed Genetics International Pty Ltd ("Company"). Seed Genetics International Pty Ltd is a company limited by shares, incorporated and domiciled in Australia.

Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical cost, modified, where applicable by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

The financial statements were authorised for issue by the directors on 15 March 2013.

Accounting Policies

(a) Revenue and Other Income

Revenue is measured at fair value of the consideration received or receivable.

Revenue from the sale of goods is recognised when the risk and title to the goods transfer to the customer.

Interest revenue is recognised on a proportional basis taking into account the interest rate applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Borrowing Costs

All borrowing costs are recognised in the Statement of Comprehensive Income in the period in which they are incurred.

(c) Foreign Currency

Transactions and balances

Foreign currency transactions and balances are translated into functional currency using the exchange rates prevailing at the date of the transaction. Foreign currency monetary items are translated at the year-end exchange rate.

Non-monetary items measured at historical cost continue to be carried at the exchange rate at the date of transaction. Non-monetary items are measured at fair value are reported at the exchange rate at the date when fair values were determined.

Exchange differences arising on the translation of non-monetary items are recognised through the statement of comprehensive income.

(d) Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using the applicable income tax rates as at reporting date. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

Accounting Policies (Cont)

(d) Income Tax (Cont)

Current and deferred income tax expense (income) is charged or credited directly to equity instead of the profit or loss when the tax relates to items that are credited or charged to equity.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled based on tax rates at balance date. Their measurements also reflect the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(f) Inventories

Inventories are measured at the lower of estimated purchase price and net realisable value. The estimated purchase price reflects managements best estimate of the expected purchase price of seed from growers.

Net realisable value is determined on the basis of normal selling patterns. Expenses of marketing, selling and distribution to customers are estimated and are deducted to establish net realisable value.

(g) Plant and Equipment

Plant and Equipment

Plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets is depreciated over their useful lives to the economic entity commencing from the time the asset is held ready for use.

Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The average depreciation rate used for the depreciation of plant and equipment ranges from 10% - 67% (2010: 10% - 67%).

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at each balance date.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2011

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(g) Plant and Equipment (Cont)

Depreciation (Cont)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

(h) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(i) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

(j) Goods and Service Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office ATO. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(k) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that is transferred to entities in the economic entity, are classified as finance leases.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(l) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2011

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(m) Impairment of Assets

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Impairment testing is performed annually for tangible and intangible assets with indefinite lives.

Where it is not possible to estimate the recoverable amount of an individual asset, the company identifies the best estimate.

(n) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Impairment

The company assesses impairment at each reporting date by evaluating conditions specific to the company that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Doubtful Debts Provision

The provision for doubtful debts is based on prior history and understanding of the position of each debtor as at 30 June 2011.

(o) Financial Instruments

Recognition and Initial Measurement

Financial assets and financial liabilities are recognised when the consolidated entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the consolidated entity commits itself to either the purchase or sale of the asset.

Payables and receivables

Payables and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method where applicable.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At each reporting date, the consolidated entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2011

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(p) **Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Group**

At the date of authorisation of these financial statements, certain new standards, amendments and interpretations to existing standards have been published but are not yet effective, and have not been adopted early by the Group.

Management anticipates that all of the relevant pronouncements will be adopted in the Group's accounting policies for the first period beginning after the effective date of the pronouncement. Information on new standards, amendments and interpretations that are expected to be relevant to the Group's financial statements is provided below.

Certain other new standards and interpretations have been issued but are not expected to have a material impact on the Group's financial statements.

AASB 9 Financial Instruments (effective from 1 January 2013)

The AASB aims to replace AASB 139 Financial Instruments: Recognition and Measurement in its entirety. The replacement standard (AASB 9) is being issued in phases. To date, the chapters dealing with recognition, classification, measurement and derecognition of financial assets and liabilities have been issued. These chapters are effective for annual periods beginning 1 January 2013. Further chapters dealing with impairment methodology and hedge accounting are still being developed.

Management have yet to assess the impact that this amendment is likely to have on the financial statements of the Group. However, they do not expect to implement the amendments until all chapters of AASB 9 have been published and they can comprehensively assess the impact of all changes.

Consolidation Standards

A package of consolidation standards are effective for annual periods beginning or after 1 January 2013. Information on these new standards is presented below. The Group's management have yet to assess the impact of these new and revised standards on the Group's consolidated financial statements.

AASB 10 Consolidated Financial Statements (AASB 10)

AASB 10 supersedes the consolidation requirements in AASB 127 Consolidated and Separate Financial Statements (AASB 127) and Interpretation 112 Consolidation – Special Purpose Entities. It revised the definition of control together with accompanying guidance to identify an interest in a subsidiary. However, the requirements and mechanics of consolidation and the accounting for any non-controlling interests and changes in control remain the same.

AASB 11 Joint Arrangements (AASB 11)

AASB 11 supersedes AASB 131 Interests in Joint Ventures (AASB 131). It aligns more closely the accounting by the investors with their rights and obligations relating to the joint arrangement. It introduces two accounting categories (joint operations and joint ventures) whose applicability is determined based on the substance of the joint arrangement. In addition, AASB 131's option of using proportionate consolidation for joint ventures has been eliminated. AASB 11 now requires the use of the equity accounting method for joint ventures, which is currently used for investments in associates.

AASB 12 Disclosure of Interests in Other Entities (AASB 12)

AASB 12 integrates and makes consistent the disclosure requirements for various types of investments, including unconsolidated structured entities. It introduces new disclosure requirements about the risks to which an entity is exposed from its involvement with structured entities.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2011

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

- (p) **Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Group (Cont)**

Consequential amendments to AASB 127 Separate Financial Statements (AASB 127) and AASB 128 Investments in Associates and Joint Ventures (AASB 128)

AASB 127 Consolidated and Separate Financial Statements was amended to AASB 127 Separate Financial Statements which now deals only with separate financial statements. AASB 128 brings investments in joint ventures into its scope. However, AASB 128's equity accounting methodology remains unchanged.

AASB 13 Fair Value Measurement (AASB 13)

AASB 13 does not affect which items are required to be fair-valued, but clarifies the definition of fair value and provides related guidance and enhanced disclosures about fair value measurements. It is applicable for annual periods beginning on or after 1 January 2013. The Group's management have yet to assess the impact of this new standard.

AASB 2011-9 Amendments to Australian Accounting Standards Presentation of Items of Other Comprehensive Income s (AASB 101 Amendments)

The AASB 101 Amendments require an entity to group items presented in other comprehensive income into those that, in accordance with other IFRSs: (a) will not be reclassified subsequently to profit or loss and (b) will be reclassified subsequently to profit or loss when specific conditions are met. It is applicable for annual periods beginning on or after 1 July 2012. The Group's management expects this will change the current presentation of items in other comprehensive income; however, it will not affect the measurement or recognition of such items.

AASB 2011-4 Amendments to Australian Accounting Standards to Remove Individual Key Management Personnel Disclosure Requirements (AASB 124 Amendments)

AASB 2011-4 makes amendments to AASB 124 Related Party Disclosures to remove individual key management personnel disclosure requirements, to achieve consistency with the international equivalent (which includes requirements to disclose aggregate (rather than individual) amounts of KMP compensation), and remove duplication with the Corporations Act 2011. The amendments are applicable for annual periods beginning on or after 1 July 2013. The Group's management have yet to assess the impact of these amendments.

NOTE 10 - DERIVATIVE FINANCIAL ASSETS		
Forward foreign exchange contracts - cash flow hedges	62,077	(117,070)

(a) Instruments used by the company

The company is party to derivative financial instruments in the normal course of business in order to hedge exposure to fluctuations in foreign exchange rates in accordance with the company's financial risk management policies.

(i) Forward exchange contracts - cash flow hedges

The Australian operations sell through out the world. In order to protect against exchange movements, the company has entered into forward exchange contracts to sell US Dollars and EURO's.

These contracts are hedging highly probable receipts for the ensuing financial year. The contracts are timed to mature when receipts from sales are scheduled to be made.

The portion of the gain or loss on the hedging instrument that is determined to be as effective hedge is recognised in other comprehensive income. When the cash flows occur, the group adjusts the initial measurement of the component recognised in the balance sheet by removing the amount from other comprehensive income.

NOTE 11 - TRADE AND OTHER PAYABLES

NOTE 16 - COMMITMENTS		
(a) Operating Lease Commitments		
Non-cancellable operating leases contracted for but not capitalised in the financial statements.		
Payable - minimum lease commitments:		
Not later than 12 months	13,500	16,200
Between 12 months and five years	-	13,456
Greater than 5 years	-	-
	<u>13,500</u>	<u>29,656</u>

The property lease is a non-cancellable lease for 138 Greenhill Road, Unley, SA 5061. The lease has a term of two years, with rent payable monthly in advance. Contingent rental provisions within the lease agreement identify that the minimum lease payments maybe increased as a result a joint review. A one year right of renewal is in place and can be exercised at the end of the agreement at 30 April 2012.

The company also has a non cancellable lease for rent of the Keith Office. Rent is paid monthly with no defined term.

(b) Growers Committment

The Company has entered into contracts with its growers varying in term of between 1 and 7 years to purchase all SGI seed prodced at prices to be determined following delivery.

NOTE 17 - CONTINGENT LIABILITIES

The directors are not aware of any circumstances or information which would lead them to believe that any contingent liabilities exist that would crystallise and consequently no provisions are included in the the accounts in respect of these matters.

NOTE 18 - EVENTS SUBSEQUENT TO BALANCE DATE

There has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material or unusual nature likely, in the opinion of the Directors of the company to significantly affect the operations, the result of those operations or the state of affairs of the company in future financial years.

NOTE 22 - COMPANY DETAILS

The registered office and principal place of business of the company is:

Registered Office
C/- Grant Thornton Australia Ltd
Level 1
67 Greenhill Road
Wayville, SA 5034

Principal Place of Business
138 Greenhill Road
Unley, SA 5061

NOTE 23 - USGAAP AND A-IFRS GENERALLY ACCEPTED ACCOUNTING
POLICY DIFFERENCES

The Company's audited consolidated financial statements are prepared in accordance with Australian IFRS (A-IFRS), which differ in certain respects from US generally accepted accounting principles (GAAP). The following items present the impact of material differences between A-IFRS and US GAAP on the Company's audited consolidated financial statements.

(a) Consolidated income statements

		Consolidated 2011 \$	2010 \$
Profit/(Loss) for the year based on AIFRS		59,400	(639,301)
Reversal of hedge accounting through profit/(loss)	(i)	179,147	(117,070)
Profit for the year based on US GAAP		238,547	(756,371)

- (i) The cash flow hedge reserve captures the fair value of hedges at balance date undertaken for specific sales transactions which will occur in future periods. The basis for hedge accounting does not meet the requirements of USGAAP. As a consequence the movements in the reserve have been recognised through the profit and loss in the period.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2011

NOTE 23 - USGAAP AND A-IFRS GENERALLY ACCEPTED ACCOUNTING
POLICY DIFFERENCES (CONT)

(b) Consolidated statement of changes in equity

The following table reconciles the total equity as at 30 June 2011 as reported in the audited consolidated statements of changes in equity reported under A-IFRS to what would have been reported had the audited consolidated financial statements been prepared in accordance with USGAAP:

	Notes	Contributed Equity \$	Cash flow Hedge Reserves \$	Retained Earnings \$	Total \$
Total Equity under AIFRS		2,000	62,077	(849,306)	(7,825,229)
Reversal of hedge accounting through profit/(loss)	(i)	-	(179,147)	179,147	-
Prior period	(ii)	-	117,070	117,070	-
Total equity under USGAAP		2,000	-	(787,229)	(7,825,229)

The following table reconciles the total equity as at 30 June 2010 as reported in the audited consolidated statements of changes in equity reported under A-IFRS to what would have been reported had the audited consolidated financial statements been prepared in accordance with USGAAP:

	Notes	Contributed Equity \$	Cash flow Hedge Reserves \$	Retained Earnings \$	Total \$
Total Equity under AIFRS		2,000	(117,070)	(908,706)	(1,023,776)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SEED GENETICS INTERNATIONAL PTY LTD

We have audited the accompanying financial report of Seed Genetics International Pty Ltd (the "Company"), which comprises the statement of financial position as at 30 June 2011, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the company.

Directors' responsibility for the financial report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001. The Directors' responsibility also includes such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

Grant Thornton

In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

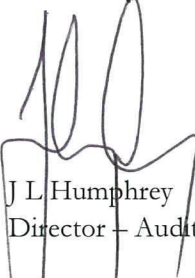

Auditor's opinion

In our opinion:

- a the financial report of Seed Genetics International Pty Ltd is in accordance with the Corporations Act 2001, including:
 - i giving a true and fair view of the Company's financial position as at 30 June 2011 and of its performance for the year ended on that date; and
- b complying with Australian Equivalents to International Financial Reporting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.

**AUDITOR'S INDEPENDENCE DECLARATION
TO THE DIRECTORS OF SEED GENETICS INTERNATIONAL PTY LTD**

In accordance with the requirements of section 307C of the Corporations Act 2001, as lead auditor for the review of Seed Genetics International Pty Ltd for the nine month period ended 31 March 2013, I declare that, to the best of my knowledge and belief, there have been:

- a no contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- b no contraventions of any applicable code of professional conduct in relation to the review.

NOTES TO THE INTERIM FINANCIAL STATEMENTS

For the nine months ended 31 March 2013

NOTE 1 REPORTING ENTITY

Seed Genetics International Pty Ltd ('the Company') is a company domiciled in Australia. The interim financial report of the Company for the nine months ended 31 March 2013.

NOTE 2 BASIS OF PREPARATION OF INTERIM REPORT

The interim consolidated financial statements are a general purpose report prepared in accordance with Accounting Standard AASB 134 Interim Financial Reporting, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

This interim financial report is intended to provide users with an update on the latest annual financial statements of the company. As such, this interim financial report does not include full disclosures of the type normally included in the annual financial statements.

It is recommended that this interim financial report be read in conjunction with the annual financial statements for the year ended 30 June 2012.

The interim financial statements have been prepared in accordance with the accounting policies adopted in the company's last annual financial statements for the year ended 30 June 2012, and have been consistently applied other than as noted below.

On 1 July 2012 the company changed its accounting policy with respect to accounting for foreign currency hedges. Effective 1 July 2012, hedge accounting ceased with the fair value of the company's hedge portfolio at each balance date now recognised directly in income or expense.

SEED GENETICS INTERNATIONAL PTY LTD
ACN 061 114 814
NOTES TO THE INTERIM FINANCIAL STATEMENTS
For the nine months ended 31 March 2013

	31 March 2013 \$	31 March 2012 \$
NOTE 5 DIVIDENDS		
Final dividend of \$148 per fully paid ordinary share declared and paid on 31 March 2013	296,000	-
NOTE 6 PROPERTY, PLANT & EQUIPMENT		
Balance at beginning of period	30,970	24,991
Additions	257,175	18,282
Disposals	-	-
Depreciation expense	(14,258)	(12,303)
Balance at end of period	273,887	30,970
NOTE 7 FINANCIAL LIABILITIES		
Stock financing facility	7,320,000	2,000,000
Debtor financing facility	594,936	-
	7,914,936	2,000,000

Charge

The bank debt is secured by a fixed and floating charge over all the present and future rights, property and undertakings of the company. The covenants imposed by the bank include a capital adequacy ratio and a times interest earned cover.

The company was in breach of the covenants for the year ended 30 June 2012 however the bank took no action with respect to the breaches. The company did not receive a formal waiver of the breaches from the bank.

NOTE 8 ESTIMATES

The preparation of the interim financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim financial report, the significant judgements made by management in applying the entity's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report as at and for the year ended 30 June 2012.

SEED GENETICS INTERNATIONAL PTY LTD
ACN 061 114 814
NOTES TO THE INTERIM FINANCIAL STATEMENTS
For the nine months ended 31 March 2013

NOTE 9 COMMITMENTS

At 30 June 2012 the company had a capital expenditure commitment in relation to the purchase of some land totalling \$202,244. This land purchase has now been completed and the results have been included in the financial information. Other than noted above there has been no material change to the commitments disclosed in the 30 June 2012 annual report.

NOTE 10 EVENTS OCCURRING AFTER THE BALANCE DATE

There has not been in the period since 31 March 2013 and up to the date of this report any other item, transaction or event of a material and unusual nature likely, in the opinion of the Director, to affect substantially the operations of the entity, the results of those operations or the state of affairs of the entity in subsequent financial years other than as mentioned elsewhere in this interim financial report.

NOTE 11 USGAAP AND A-IFRS GENERALLY ACCEPTED ACCOUNTING POLICY DIFFERENCES

The Company's reviewed financial statements are prepared in accordance with Australian IFRS (A-IFRS), which may differ in certain respects from US generally accepted accounting principles (GAAP). The following items present the impact of material differences between A-IFRS and US GAAP on the Company's reviewed financial statements.

Income statements

	Note	9 months to March 2013 \$	9 months to March 2012 \$
Profit/(Loss) for the year based on AIFRS		307,082	789,038
Reversal of hedge accounting through profit/(loss)	(i)	-	-
Profit for the year based on US GAAP		307,082	789,038

- (i) The cash flow hedge reserve captures the fair value of hedges at balance date undertaken for specific sales transactions which will occur in future periods. The basis for hedge accounting does not meet the requirements of USGAAP. As a consequence the movements in the reserve have been recognised through the profit and loss in the period. As outlined in Note 2, the company ceased hedge accounting as at 1 July 2012.

NOTE 11 USGAAP AND A-IFRS GENERALLY ACCEPTED ACCOUNTING POLICY DIFFERENCES (CONT)

Statement of changes in equity

The following table reconciles the total equity as at 30 June 2012 as reported in the audited statements of changes in equity reported under A-IFRS to what would have been reported had the audited consolidated financial statements been prepared in accordance with USGAAP:

	Notes	Contributed Equity \$	Cash flow Hedge Reserves \$	Retained Earnings \$	Total \$
Total Equity under AIFRS		2,000	(54,982)	115,240	62,258
Reversal of hedge accounting through profit/(loss)	(i)	-	54,982	(54,982)	-
Total equity under USGAAP		2,000	-	60,258	62,258

- (i) The amounts recognised in the cash flow hedge reserve do not meet the recognition criteria under USGAAP. As a consequence the movements in the reserve should have been recognised through the profit and loss at balance date.

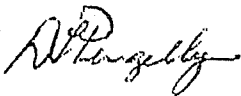

DIRECTORS' DECLARATION

The Directors of the Company declare that:

1. The financial statements and notes set out on pages 3 to 11, are in accordance with the *Corporations Act 2001* including:
 - (a) giving a true and fair view of the company's financial position as at 31 March 2013 and of its performance for the nine months ended on that date; and
 - (b) comply with Accounting Standard AASB 134 *Interim Financial Reporting*, and the *Corporations Regulations 2001*.
2. In the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Dated at Adelaide this 5th day of June 2013.

This declaration is made in accordance with a resolution of the Directors.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SEED GENETICS INTERNATIONAL PTY LTD

We have reviewed the accompanying financial report of Seed Genetics International Pty Ltd ("Company"), which comprises the statement of financial position as at 31 March 2013, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the nine month period ended on that date, notes comprising a statement or description of accounting policies, other explanatory information and the directors' declaration.

Directors' responsibility for the nine month period financial report

The directors of Seed Genetics International Pty Ltd are responsible for the preparation of the nine month period financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such controls as the directors determine is necessary to enable the preparation of the nine month period financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the nine month period financial report based on our review. We conducted our review in accordance with the Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the nine month period financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the Seed Genetics International Pty Ltd financial position as at 31 March 2013 and its performance for the nine month period ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Seed Genetics International Pty Ltd, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a nine month period financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we complied with the independence requirements of the Corporations Act 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the nine month period financial report of Seed Genetics International Pty Ltd is not in accordance with the Corporations Act 2001, including:

- a giving a true and fair view of the Company's financial position as at 31 March 2013 and of its performance for the nine month period ended on that date; and
- b complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.
