Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Results of Operations, page 31

1. We note from your response to our prior comment 2 that your discussion of the results of operations for the predecessor and successor on a combined basis for the year ended July 2, 2010 is apparently intended to be a non-GAAP presentation. Non-GAAP income statements are generally prohibited considering the Division's Compliance & Disclosure Interpretations Question 102.10 - Non-GAAP Financial Measures, updated as of July 8, 2011. In this regard your presentation should comply with Article 11 of Regulation S-X. Please tell us the relevant material pro forma adjustments that would be required by Article 11 of Regulation S-X for the presentation of these pro forma statements to comply
